Save as disclosed above, each of the Directors who is subject to re-election at the Annual General Meeting (i) does not have any interests in the shares of the Company within the meaning of Part XV of the SFO; (ii) does not hold any other position with the Company or its subsidiaries; (iii) does not have any relationships with any Directors, senior management, substantial shareholders or controlling shareholders of the Company; (iv) does not hold any directorships in other public companies the securities of which are listed on any securities market in Hong Kong or overseas in the preceding three years prior to the Latest Practicable Date; and (v) has confirmed that there is no other information required to be disclosed pursuant to Rule 13.51(2) (h)-(v) of the Listing Rules.

The following is an explanatory statement as required by the Listing Rules to provide the Shareholders with requisite information for their consideration of the Proposed Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,000,000,000 Shares.

Subject to the passing of the resolution numbered 5 regarding the Proposed Repurchase Mandate as set out in the Notice and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company would be allowed under the Proposed Repurchase Mandate to repurchase a maximum number of 100,000,000 Shares, representing 10% of the aggregate nominal amount of the Shares in issue, until (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the Company is required by any applicable laws or the Articles of Association to hold its annual general meeting; and (iii) the date on which the authority set out in the resolution is varied or revoked by an ordinary resolution of the Shareholders in a general meeting, whichever is the earliest.

2. REASONS FOR REPURCHASE

The Directors believe that the granting of the Proposed Repurchase Mandate is in the best interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

The Directors propose that repurchases of Shares under the Proposed Repurchase Mandate will be financed from the Company's distributable profits and/or available cash flow. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and Articles of Association and the applicable laws of the Cayman Islands.

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the audited financial statements for the year ended 30 April 2024 (being the date to which the latest published audited financial statements of the Company have been made up) in the event that the Proposed Repurchase Mandate is exercised in full. However, the Directors do not intend to exercise the Proposed Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. DISCLOSURE OF INTERESTS

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Proposed Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the Proposed Repurchase Mandate is exercised.

5. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Hong Kong Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

6. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Hong Kong Stock Exchange in each of the previous twelve months up to and including the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2023		
August	0.053	0.039
September	0.049	0.032
October	0.038	0.026
November	0.035	0.026
December	0.045	0.027
2024		
January	0.046	0.035
February	0.041	0.034
March	0.044	0.034
April	0.038	0.027
May	0.042	0.031
June	0.041	0.035
July	0.035	0.031
August (up to and including the Latest Practicable Date)	0.033	0.027

7. TAKEOVERS CODE

If, as a result of a repurchase of Shares by the Company pursuant to the Proposed Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the Controlling Shareholders acting in concert and together held 750,000,000 Shares representing approximately 75% of the total issued share capital of the Company. Based on the said interest of the Controlling Shareholders as at the Latest Practicable Date, in the event that the Directors exercise in full their powers under the Proposed Repurchase Mandate to repurchase Shares, the interest of the Controlling Shareholders in the issued share capital of the Company will be increased to approximately 83.33%. Such increase in shareholding would give rise to an obligation on the part of the Controlling Shareholders to make a mandatory offer under the Rule 26 of the Takeovers Code unless a waiver is given.

The Directors have no present intention to exercise the Proposed Repurchase Mandate to such an extent that will result in the number of Shares in the hands of the public falling below 25%, the prescribed minimum percentage required by the Hong Kong Stock Exchange.

8. SHARES REPURCHASE MADE BY THE COMPANY

No purchase of Shares has been made by the Company (whether on the Hong Kong Stock Exchange or otherwise) in the twelve months prior to the Latest Practicable Date.
