Therefore, the data of the above-mentioned freezing of bank accounts, seizure of real estate, and freezing and seizure of the Company's equity interest in its subsidiaries exclude those of Shanghai Weile, Shanghai Nuoxing, La Chapelle Taicang and La Chapelle Xiuxian. The final impact of the liquidation of Shanghai Weile, Shanghai Nuoxing and La Chapelle Xiuxian, and the reorganisation of La Chapelle Taicang on the results of the Company in the current or subsequent periods will be subject to the results of the winding-up, the reorganisation, and the annual audited financial results of the Company.

III. RELEVANT RISK WARNINGS

1. The above-mentioned accumulated litigation and asset freezes have affected the cash flow and the business operation of the Company to some extent. Before the accumulated litigation and the asset freezes are resolved, it cannot be guaranteed that subsequent freezing of the Company's other assets may not occur. The relatively high cumulative amounts claimed in litigations involving the Company may result in a decrease in the Company's ability to raise capital and may exacerbate the Company's financial strain. In addition, the Company and its subsidiaries may be required to pay liquidated damages, penalty interests as well as litigation expenses, which could result in an increase in the financial expenses and administrative expenses of the Company. The final amounts will be subject to the respective judgments of the courts and their impact will be determined and disclosed in the annual audited financial results of the Company.
2. The Company will pay close attention to the progress of the accumulated litigation and asset freezes and promptly perform its information disclosure obligations in accordance with the relevant laws and regulations.
