The Ministry of Finance of the People's Republic of China (the "Ministry of Finance") is offering EUR1,250,000,000 in aggregate principal amount of its 2.500 per cent. bonds due 2027 (the "2027 Bonds") and EUR750,000,000 in aggregate principal amount of its 2.625 per cent. bonds due 2031 (the "2031 Bonds" and, together with the 2027 Bonds, the "Bonds").

The 2027 Bonds and the 2031 Bonds will bear interest from and including 9 October 2024 (the "Issue Date") at the rate of 2.500 per cent. per annum and 2.625 per cent. per annum, respectively. Payments on the Bonds will be made in euro without withholding or deduction for taxes of the People's Republic of China (the "PRC" or "China") or any authority in the PRC or of the PRC having power to tax to the extent described under "*Terms and Conditions of the 2027 Bonds – Taxation and Withholding*" and "*Terms and Conditions of the 2031 Bonds – Taxation and Withholding*". The 2027 Bonds will mature on the Interest Payment Date falling on 9 October 2027 at their principal amount and the 2031 Bonds will mature on the Interest Payment Date falling on 9 October 2031 at their principal amount.

Euronext Access is a market operated by Euronext. Issuers on Euronext Access are not subject to the same rules as issuers on a regulated market within the meaning of MiFID II (a main market). Instead they are subject to a less extensive set of rules and regulations adjusted to those kinds of issuers. The risk in investing in an issuer on Euronext Access may therefore be higher than investing in an issuer on a regulated market within the meaning of MiFID II.

Subject to approval by Euronext, such admission to trading is expected to be effective on or immediately following the Issue Date.

The Bonds are being offered outside the United States in reliance on Regulation S under the Securities Act ("Regulation S").

For a description of these and certain further restrictions on offers and sales of the Bonds and the distribution of this Offering Circular, see "*Subscription and Sale*".

TERMS AND CONDITIONS OF THE 2027 BONDS

The following are the terms and conditions substantially in the form in which they will appear on the reverse of each of the definitive certificates evidencing the 2027 Bonds.

The EUR1,250,000,000 2.500 per cent. bonds due 2027 (the “Bonds”) of the Ministry of Finance of the People’s Republic of China (the “Ministry of Finance”) are the subject of a fiscal agency agreement dated on or about 9 October 2024 (the “Fiscal Agency Agreement”) between the Ministry of Finance and Bank of Communications Co., Ltd. Hong Kong Branch as the fiscal agent, principal paying agent, CMU lodging agent, transfer agent and registrar. The fiscal agent, principal paying agent, CMU lodging agent, transfer agent and registrar for the time being and the paying agents to be appointed by the Ministry of Finance in the future are referred to below respectively as the “Fiscal Agent”, the “Principal Paying Agent”, the “CMU Lodging Agent”, the “Transfer Agent”, the “Registrar” and the “Paying Agents” (which expression shall include the Fiscal Agent).

The Fiscal Agency Agreement includes the form of the Bonds. Copies of the Fiscal Agency Agreement are available for inspection during normal business hours at the specified office of the Fiscal Agent. The holders (as defined below) of the Bonds are deemed to have notice of all the provisions of the Fiscal Agency Agreement applicable to them.

Words and expressions defined in the Fiscal Agency Agreement shall have the same meanings where used in these terms and conditions (the “Conditions”) unless the context otherwise requires or unless otherwise stated.

1 Form, Denomination and Title

The Bonds will be issued in registered form in the denomination of EUR100,000 and integral multiples of EUR1,000 in excess thereof.

The Bonds are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(a), each Certificate shall represent the entire holding of Bonds by the same holder.

Title to the Bonds shall pass by registration in the register that the Ministry of Finance shall procure to be kept by the Registrar in accordance with the provisions of the Fiscal Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Bond shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it, any writing on the Certificate representing it or the theft or loss of such Certificate and no person shall be liable for so treating the holder.

In these Conditions, “Bondholder” and “holder” means the person in whose name a Bond is registered (or in the case of a joint holding, the first name thereof).

2 Transfers of Bonds

- (a) **Transfer:** A holding of Bonds may, subject to Condition 2(d), be transferred in whole or in part upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate(s) representing such Bonds to be transferred, together with the form of transfer endorsed on such Certificate(s) (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Ministry of Finance), duly completed and executed and any other evidence as the Registrar or Transfer Agent may require. In the case of a transfer of part only of a holding of Bonds represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Bonds to a person who is already a holder of Bonds, a new Certificate representing the enlarged holding

shall only be issued against surrender of the Certificate representing the existing holding. All transfers of Bonds and entries on the Register will be made in accordance with the detailed regulations concerning transfers of Bonds scheduled to the Fiscal Agency Agreement. The regulations may be changed by the Ministry of Finance, with the prior written approval of the Registrar and the Fiscal Agent. A copy of the current regulations will be made available by the Registrar to any Bondholder during normal business hours upon prior written request.

3 Status of Bonds

The full faith and credit of the Central People’s Government of the People’s Republic of China (the “Central People’s Government”) is pledged for the due and punctual payment of the Bonds and for the due and timely performance of all obligations of the Central People’s Government with respect thereto.

The Bonds are the direct, unconditional and unsecured obligations of the Central People’s Government and rank and will rank *pari passu*, without preference among themselves, with all other unsecured Public Indebtedness of the Central People’s Government, from time to time outstanding, provided further, that the Central People’s Government shall have no obligation to effect equal or rateable payment(s) at any time with respect to any such other Public Indebtedness and, in particular, shall have no obligation to pay other Public Indebtedness at the same time or as a condition of paying sums due on the Bonds and *vice versa*.

In this Condition:

- (a) “Public Indebtedness” means Indebtedness represented or evidenced by notes, bonds or other similar instruments of the kind customarily offered in the public securities markets and of the kind customarily subject to listing and trading on securities exchanges (without regard, however, to whether or not the instruments are offered through public distributions or in private placements); and
- (b) “Indebtedness” means any indebtedness for money borrowed or any guarantee of indebtedness for money borrowed which, in either case: (i) has an original maturity in excess of one year; and (ii) is backed by the full faith and credit of the Central People’s Government and shall not include the

borrowings of any state-owned corporation or in the name of any agency or instrumentality of the People's Republic of China (the "PRC") (whether or not such corporation, agency or instrumentality has, under the laws of the PRC, a separate legal existence).

4 Interest

(a) Interest Payment Dates

The Bonds bear interest from and including 9 October 2024 (the "Issue Date") at the rate of 2.500 per cent. per annum, payable annually in arrear of EUR25.00 per Calculation Amount (as defined below) on 9 October in each year (each an "Interest Payment Date"), beginning on 9 October 2025.

(b) Interest Payments

Each Bond will cease to bear interest from the due date for redemption unless, upon surrender of the Certificate representing such Bond, payment of principal is improperly withheld or refused. In such event it shall continue to bear interest on the principal amount in respect of which payment has been improperly withheld or refused in accordance with this Condition (both before and after judgment) until the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant Bondholder.

(c) Calculation of Interest

If interest is required to be calculated for a period of less than a full year, the relevant day-count fraction will be determined on the basis of (i) the actual number of days in the period from and including the date from which interest begins to accrue (the "Accrual Date") to but excluding the date on which it falls due divided by (ii) the actual number of days from and including the Accrual Date to but excluding the next following Interest Payment Date.

Interest in respect of any Bond shall be calculated per EUR1,000 in principal amount of the Bonds (the "Calculation Amount"). The amount of interest payable per Calculation Amount for any period shall be equal to the product of the rate of interest specified above, the Calculation Amount and the day-count fraction for the relevant period, rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

5 Redemption and Purchase

Unless previously redeemed, or purchased and cancelled, the Bonds will be redeemed at their principal amount on the Interest Payment Date falling on 9 October 2027 (the "Maturity Date").

(b) Purchases

The Ministry of Finance may at any time purchase the Bonds in the open market or through designated lawful institutions at any price. Any Bonds purchased pursuant to this Condition 5(b) may be held, reissued, resold or surrendered to the Fiscal Agent for cancellation. Without limiting the provisions of paragraph (i) (*Bonds controlled by the Ministry of Finance*) of Condition 8, the Bonds so purchased, while held by or on behalf of the Ministry of Finance, shall not entitle the holder to vote at any meetings of the Bondholders and shall not be deemed to be outstanding for the purposes of determining quorums at meetings of the Bondholders or for the purposes of Condition 8.

- (iii) If the amount of principal being paid upon surrender of the relevant Certificate is less than the outstanding principal amount of such Certificate, the Registrar will annotate the Register with the amount of principal so paid and will (if so requested by the Ministry of Finance or a Bondholder) issue a new Certificate with a principal amount equal to the remaining unpaid outstanding principal amount. If the amount of interest being paid is less than the amount then due, the Registrar will annotate the Register with the amount of interest so paid.

(b) Payments subject to laws

No commissions or expenses shall be charged to the Bondholders in respect of such payments.

(c) Payment Initiation

Where payment is to be made by transfer to an account in euro, payment instructions (for value the due date, or if that is not a Business Day, for value the first following day which is a Business Day) will be initiated, and, where payment is to be made by cheque, the cheque will be mailed on the due date for payment (if that is not a Business Day, the first following day which is a Business Day) or, in the case of payments of principal where the relevant Certificate has not been surrendered at the specified office of any Transfer Agent or of the Registrar, on a Business Day on which the Fiscal Agent is open for business and on which the relevant Certificate is surrendered.

7 Taxation and Withholding

All payments (whether in respect of principal, interest or otherwise) in respect of the Bonds will be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected, withheld or assessed by or on behalf of the PRC, or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In that event, the Ministry of Finance shall pay such additional amounts as will result in the receipt by the Bondholder of such amounts as would have been received by such Bondholder if no such withholding or deduction had been required.

For the avoidance of doubt, the obligation of the Ministry of Finance to pay additional amounts in respect of taxes, duties, assessments and other governmental charges will not apply to (a) any estate, inheritance, gift, sales, transfer, personal property or any similar tax, duty, assessment or other governmental charge or (b) any tax, duty, assessment or other governmental charge which is payable otherwise than by deduction or withholding from payments of principal of, or interest on, the Bonds; provided that the Ministry of Finance shall pay all stamp or other taxes, duties, assessments or other governmental charges, if any, which may be imposed by the PRC or any political subdivision thereof or any taxing authority thereof or therein, with respect to the Fiscal Agency Agreement or as a consequence of the issuance of the Bonds.

A Bond will also be deemed to be not outstanding if the Bond has previously been cancelled or delivered for cancellation or held for reissuance but not reissued, or, where relevant, the Bond has previously been called for redemption in accordance with its terms or previously become due and payable at maturity or otherwise and the Ministry of Finance has previously satisfied its obligations to make all payments due in respect of the Bond in accordance with its terms.

In advance of any meeting of Bondholders, or in connection with any Written Resolution, the Ministry of Finance shall provide to the Fiscal Agent a copy of the certificate prepared pursuant to paragraph (d) (*Certificate*) of Condition 9, which includes information on the total number of Bonds which are for the time being held by or on behalf of the Central People's Government (including the Ministry of Finance) or by or on behalf of any person which is owned or controlled directly or indirectly by the Central People's Government or by any public sector instrumentality of the Central People's Government and, as such, such Bonds shall be disregarded and deemed not to remain outstanding for the purposes of ascertaining the right to attend and vote at any meeting of Bondholders or the right to sign, or authorise the signature of, any Written Resolution. The Fiscal Agent shall make any such certificate available for inspection during normal business hours at its specified office and, upon reasonable request, will allow copies of such certificate to be taken.

(j) **Publication**

The Ministry of Finance shall publish all Extraordinary Resolutions and Written Resolutions which have been determined by the Aggregation Agent to have been duly passed in accordance with paragraph (g) (*Manner of publication*) of Condition 9.

(k) **Exchange and Conversion**

Any Extraordinary Resolutions or Written Resolutions which have been duly passed and which modify any provision of, or action in respect of, the Conditions may be implemented at the Ministry of Finance's option by way of a mandatory exchange or conversion of the Bonds and each other affected series of debt securities, as the case may be, into new debt securities containing the modified terms and conditions if the proposed mandatory exchange or conversion of the Bonds is notified to Bondholders at the time notification is given to the Bondholders as to the proposed modification or action. Any such exchange or conversion shall be binding on all Bondholders.

9 Aggregation Agent, Aggregation Procedures

(a) **Appointment**

The Ministry of Finance will appoint an aggregation agent (the "Aggregation Agent") to calculate whether a proposed modification or action has been approved by the required principal amount outstanding of the Bonds, and, in the case of a multiple series aggregation, by the required principal amount of outstanding debt securities of each affected series of debt securities. In the case of a multiple series aggregation, the same person will be appointed as the Aggregation Agent for the proposed modification of any provision of, or any action in respect of, these Conditions or the Fiscal Agency Agreement and in respect of the terms and conditions or bond documentation in respect of each other affected series of debt securities. The Aggregation Agent shall be independent of the Ministry of Finance.

(b) **Extraordinary Resolutions**

If an Extraordinary Resolution has been proposed at a duly convened meeting of Bondholders to modify any provision of, or action in respect of, these Conditions and other affected series of debt securities, as the case may be, the Aggregation Agent will, as soon as practicable after the time the vote is cast,

calculate whether holders of a sufficient portion of the aggregate principal amount of the outstanding Bonds and, where relevant, each other affected series of debt securities, have voted in favour of the Extraordinary Resolution such that the Extraordinary Resolution is passed. If so, the Aggregation Agent will determine that the Extraordinary Resolution has been duly passed.

(c) **Written Resolutions**

If a Written Resolution has been proposed under the terms of these Conditions to modify any provision of, or action in respect of, these Conditions and the terms and conditions of other affected series of debt securities, as the case may be, the Aggregation Agent will, as soon as reasonably practicable after the relevant Written Resolution has been signed or confirmed in writing, calculate whether holders of a sufficient portion of the aggregate principal amount of the outstanding Bonds and, where relevant, each other affected series of debt securities, have signed or confirmed in writing in favour of the Written Resolution such that the Written Resolution is passed. If so, the Aggregation Agent will determine that the Written Resolution has been duly passed.

(d) **Certificate**

For the purposes of paragraph (b) (*Extraordinary Resolutions*) and paragraph (c) (*Written Resolutions*), the Ministry of Finance will provide a certificate to the Aggregation Agent up to three days prior to, and in any case no later than, with respect to an Extraordinary Resolution, the date of the meeting referred to in paragraph (b) (*Modification of this Series of Bonds only*), paragraph (c) (*Multiple Series Aggregation – Single limb voting*) or paragraph (d) (*Multiple Series Aggregation – Two limb voting*) of Condition 8, as applicable, and, with respect to a Written Resolution, the date arranged for the signing of the Written Resolution.

The certificate shall:

- (i) list the total principal amount of Bonds and, in the case of a multiple series aggregation, the total principal amount of each other affected series of debt securities outstanding on the record date; and
- (ii) clearly indicate the Bonds and, in the case of a multiple series aggregation, debt securities of each other affected series of debt securities which shall be disregarded and deemed not to remain outstanding as a consequence of paragraph (i) (*Bonds controlled by the Ministry of Finance*) of Condition 8 on the record date identifying the holders of the Bonds and, in the case of a multiple series aggregation, debt securities of each other affected series of debt securities.

The Aggregation Agent may rely upon the terms of any certificate, notice, communication or other document believed by it to be genuine.

(e) **Notification**

The Aggregation Agent will cause each determination made by it for the purposes of this Condition 9 to be notified to the Ministry of Finance as soon as practicable after such determination. Notice thereof shall also promptly be given to the Bondholders.

(f) **Binding nature of determinations; no liability**

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Aggregation Agent and any appointed Voting Calculation Agent will (in the absence of manifest error) be binding on the Ministry of Finance, the Fiscal Agent and the Bondholders and (subject as aforesaid) no liability to any such person

will attach to the Aggregation Agent or the Voting Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

(g) **Manner of publication**

The Ministry of Finance will publish all notices and other matters required to be published pursuant to the Fiscal Agency Agreement including any matters required to be published pursuant to Condition 8 and this Condition 9:

- (i) through the Central Moneymarkets Unit Service or any Alternative Clearing System (as defined in the Fiscal Agency Agreement);
- (ii) in such other places and in such other manner as may be required by applicable law or regulation; and
- (iii) in such other places and in such other manner as may be customary.

10 Waiver or Authorisation of Breach of Fiscal Agency Agreement

Notwithstanding any provision of Condition 8, the Ministry of Finance shall only permit any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Fiscal Agency Agreement, without the consent of the Bondholders, if to do so could not reasonably be expected to be prejudicial to the interests of the Bondholders.

11 Prescription

The right of a Bondholder to receive any payment under the Bonds shall become void ten years (in the case of principal) or six years (in the case of interest) after the due date for payment thereof.

12 Notices

Any notice to the holder of any definitive Bond shall be validly given if published in a leading newspaper having a general circulation in Hong Kong (which is expected to be the *South China Morning Post*) or, if that newspaper shall cease to be published or timely publication therein shall not be practicable, in another English language newspaper with general circulation in Hong Kong or, in either case, in such other manner as the Ministry of Finance shall determine. Any such notice shall be deemed to have been given on the date of first publication in an English language newspaper.

13 Replacement of Bonds

Any Certificate which is lost, stolen, mutilated, defaced or destroyed may be replaced at the specified office of the Registrar or such other Transfer Agent as may from time to time be designated by the Ministry of Finance for that purpose and notice of whose designation is given to Bondholders, in each case on payment by the claimant of the expense incurred in connection therewith and on such terms as to evidence, indemnity, security or otherwise as the Ministry of Finance, the Registrar or any Transfer Agent may require (provided that the requirement is reasonable in light of prevailing market practice). Mutilated or defaced Certificates must be surrendered before replacements will be issued.

14 Further Issues

The Ministry of Finance may from time to time, without the consent of holders of the Bonds, create and issue further bonds having the same terms and conditions as the Bonds in all respects, except for the issue date, the

issue price and the first payment of interest thereon. Additional bonds issued in this manner will be consolidated with and will form a single series with the Bonds.

15 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

16 Governing Law and Jurisdiction

(a) Governing law

The Bonds and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

(b) Jurisdiction

The courts of England and Wales are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Bonds and accordingly any suit, action or proceedings arising out of or in connection with the Bonds (together referred to as “Proceedings”) may be brought in such courts. The Ministry of Finance irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient or inappropriate forum. This submission is made for the benefit of each of the Bondholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction.

(c) Agent for Service of Process

The Ministry of Finance hereby appoints Bank of Communications Co., Ltd. London Branch (currently at 4th Floor, 1 Bartholomew Lane, London EC2N 2AX, United Kingdom) as its agent in England to receive service of process in any Proceedings in England based on the Fiscal Agency Agreement and the Bonds.

(d) Waiver of immunity

To the extent that the Ministry of Finance may claim for itself immunity from any such Proceedings, and to the extent that there may be attributed to the Ministry of Finance such immunity (whether or not claimed), the Ministry of Finance hereby agrees not to claim and hereby waives and will waive such immunity in the face of the courts; provided, however, that the Ministry of Finance has not waived, and shall not waive, its sovereign and other immunity with respect to assets of the PRC wherever located from execution or attachment, whether in aid of execution, before judgment or otherwise.

TERMS AND CONDITIONS OF THE 2031 BONDS

The following are the terms and conditions substantially in the form in which they will appear on the reverse of each of the definitive certificates evidencing the 2031 Bonds.

The EUR750,000,000 2.625 per cent. bonds due 2031 (the “Bonds”) of the Ministry of Finance of the People’s Republic of China (the “Ministry of Finance”) are the subject of a fiscal agency agreement dated on or about 9 October 2024 (the “Fiscal Agency Agreement”) between the Ministry of Finance and Bank of Communications Co., Ltd. Hong Kong Branch as the fiscal agent, principal paying agent, CMU lodging agent, transfer agent and registrar. The fiscal agent, principal paying agent, CMU lodging agent, transfer agent and registrar for the time being and the paying agents to be appointed by the Ministry of Finance in the future are referred to below respectively as the “Fiscal Agent”, the “Principal Paying Agent”, the “CMU Lodging Agent”, the “Transfer Agent”, the “Registrar” and the “Paying Agents” (which expression shall include the Fiscal Agent).

The Fiscal Agency Agreement includes the form of the Bonds. Copies of the Fiscal Agency Agreement are available for inspection during normal business hours at the specified office of the Fiscal Agent. The holders (as defined below) of the Bonds are deemed to have notice of all the provisions of the Fiscal Agency Agreement applicable to them.

Words and expressions defined in the Fiscal Agency Agreement shall have the same meanings where used in these terms and conditions (the “Conditions”) unless the context otherwise requires or unless otherwise stated.

1 Form, Denomination and Title

The Bonds will be issued in registered form in the denomination of EUR100,000 and integral multiples of EUR1,000 in excess thereof.

The Bonds are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(a), each Certificate shall represent the entire holding of Bonds by the same holder.

Title to the Bonds shall pass by registration in the register that the Ministry of Finance shall procure to be kept by the Registrar in accordance with the provisions of the Fiscal Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Bond shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it, any writing on the Certificate representing it or the theft or loss of such Certificate and no person shall be liable for so treating the holder.

In these Conditions, “Bondholder” and “holder” means the person in whose name a Bond is registered (or in the case of a joint holding, the first name thereof).

2 Transfers of Bonds

- (a) **Transfer:** A holding of Bonds may, subject to Condition 2(d), be transferred in whole or in part upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate(s) representing such Bonds to be transferred, together with the form of transfer endorsed on such Certificate(s) (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Ministry of Finance), duly completed and executed and any other evidence as the Registrar or Transfer Agent may require. In the case of a transfer of part only of a holding of Bonds represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Bonds to a person who is already a holder of Bonds, a new Certificate representing the enlarged holding

shall only be issued against surrender of the Certificate representing the existing holding. All transfers of Bonds and entries on the Register will be made in accordance with the detailed regulations concerning transfers of Bonds scheduled to the Fiscal Agency Agreement. The regulations may be changed by the Ministry of Finance, with the prior written approval of the Registrar and the Fiscal Agent. A copy of the current regulations will be made available by the Registrar to any Bondholder during normal business hours upon prior written request.

- (b) **Delivery of New Certificates:** Each new Certificate to be issued pursuant to Condition 2(a) shall be available for delivery within three business days of receipt of a duly completed form of transfer and surrender of the existing Certificate(s). Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent or the Registrar (as the case may be) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(b), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).
- (c) **Transfer Free of Charge:** Certificates, on transfer, shall be issued and registered without charge by or on behalf of the Ministry of Finance, the Registrar or any Transfer Agent, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).
- (d) **Closed Periods:** No Bondholder may require the transfer of a Bond to be registered (i) during the period of 15 days ending on (and including) the due date for redemption of that Bond, or (ii) during the period of seven days ending on (and including) any Record Date.

3 Status of Bonds

The full faith and credit of the Central People’s Government of the People’s Republic of China (the “Central People’s Government”) is pledged for the due and punctual payment of the Bonds and for the due and timely performance of all obligations of the Central People’s Government with respect thereto.

The Bonds are the direct, unconditional and unsecured obligations of the Central People’s Government and rank and will rank *pari passu*, without preference among themselves, with all other unsecured Public Indebtedness of the Central People’s Government, from time to time outstanding, provided further, that the Central People’s Government shall have no obligation to effect equal or rateable payment(s) at any time with respect to any such other Public Indebtedness and, in particular, shall have no obligation to pay other Public Indebtedness at the same time or as a condition of paying sums due on the Bonds and *vice versa*.

In this Condition:

- (a) “Public Indebtedness” means Indebtedness represented or evidenced by notes, bonds or other similar instruments of the kind customarily offered in the public securities markets and of the kind customarily subject to listing and trading on securities exchanges (without regard, however, to whether or not the instruments are offered through public distributions or in private placements); and
- (b) “Indebtedness” means any indebtedness for money borrowed or any guarantee of indebtedness for money borrowed which, in either case: (i) has an original maturity in excess of one year; and (ii) is backed by the full faith and credit of the Central People’s Government and shall not include the

borrowings of any state-owned corporation or in the name of any agency or instrumentality of the People's Republic of China (the "PRC") (whether or not such corporation, agency or instrumentality has, under the laws of the PRC, a separate legal existence).

4 Interest

(a) Interest Payment Dates

The Bonds bear interest from and including 9 October 2024 (the "Issue Date") at the rate of 2.625 per cent. per annum, payable annually in arrear of EUR26.25 per Calculation Amount (as defined below) on 9 October in each year (each an "Interest Payment Date"), beginning on 9 October 2025.

(b) Interest Payments

Each Bond will cease to bear interest from the due date for redemption unless, upon surrender of the Certificate representing such Bond, payment of principal is improperly withheld or refused. In such event it shall continue to bear interest on the principal amount in respect of which payment has been improperly withheld or refused in accordance with this Condition (both before and after judgment) until the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant Bondholder.

(c) Calculation of Interest

If interest is required to be calculated for a period of less than a full year, the relevant day-count fraction will be determined on the basis of (i) the actual number of days in the period from and including the date from which interest begins to accrue (the "Accrual Date") to but excluding the date on which it falls due divided by (ii) the actual number of days from and including the Accrual Date to but excluding the next following Interest Payment Date.

Interest in respect of any Bond shall be calculated per EUR1,000 in principal amount of the Bonds (the "Calculation Amount"). The amount of interest payable per Calculation Amount for any period shall be equal to the product of the rate of interest specified above, the Calculation Amount and the day-count fraction for the relevant period, rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

5 Redemption and Purchase

(a) Final redemption

Unless previously redeemed, or purchased and cancelled, the Bonds will be redeemed at their principal amount on the Interest Payment Date falling on 9 October 2031 (the "Maturity Date").

(b) Purchases

The Ministry of Finance may at any time purchase the Bonds in the open market or through designated lawful institutions at any price. Any Bonds purchased pursuant to this Condition 5(b) may be held, reissued, resold or surrendered to the Fiscal Agent for cancellation. Without limiting the provisions of paragraph (i) (*Bonds controlled by the Ministry of Finance*) of Condition 8, the Bonds so purchased, while held by or on behalf of the Ministry of Finance, shall not entitle the holder to vote at any meetings of the Bondholders and shall not be deemed to be outstanding for the purposes of determining quorums at meetings of the Bondholders or for the purposes of Condition 8.

6 Payments

(a) Method of Payment

- (i) Payments of principal shall be made (subject to surrender of the relevant Certificates at the specified office of any Transfer Agent or of the Registrar if no further payment falls to be made in respect of the Bonds represented by such Certificates) in the manner provided in paragraph (ii) below.
- (ii) Interest on each Bond shall be paid to the person shown on the Register at the close of business on the Business Day before the due date for payment thereof (the “Record Date”). Payments of interest on each Bond shall be made by euro cheque drawn on a bank that has access to the real time gross settlement system operated by the Eurosystem, or any successor system (“T2”) and mailed to the holder (or to the first named of joint holders) of such Bond at its address appearing in the Register, or upon application by the Bondholders to the specified office of any Transfer Agent or of the Registrar before the Record Date, by transfer to a euro account maintained by or on behalf of the payee with a bank that has access to T2.
- (iii) If the amount of principal being paid upon surrender of the relevant Certificate is less than the outstanding principal amount of such Certificate, the Registrar will annotate the Register with the amount of principal so paid and will (if so requested by the Ministry of Finance or a Bondholder) issue a new Certificate with a principal amount equal to the remaining unpaid outstanding principal amount. If the amount of interest being paid is less than the amount then due, the Registrar will annotate the Register with the amount of interest so paid.

(b) Payments subject to laws

All payments in respect of the Bonds are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment, but without prejudice to the provisions of Condition 7. No commissions or expenses shall be charged to the Bondholders in respect of such payments.

(c) Payment Initiation

Where payment is to be made by transfer to an account in euro, payment instructions (for value the due date, or if that is not a Business Day, for value the first following day which is a Business Day) will be initiated, and, where payment is to be made by cheque, the cheque will be mailed on the due date for payment (if that is not a Business Day, the first following day which is a Business Day) or, in the case of payments of principal where the relevant Certificate has not been surrendered at the specified office of any Transfer Agent or of the Registrar, on a Business Day on which the Fiscal Agent is open for business and on which the relevant Certificate is surrendered.

(d) Appointment of Agents

The Fiscal Agent, the Principal Paying Agent, the CMU Lodging Agent, the Transfer Agent and the Registrar initially appointed by the Ministry of Finance and their respective specified office are listed below. The Fiscal Agent, the Principal Paying Agent, the CMU Lodging Agent, the Transfer Agent and the Registrar act solely as agents of the Ministry of Finance and do not assume any obligation or relationship of agency or trust for or with any Bondholder. The Ministry of Finance reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, the Principal Paying Agent, the CMU Lodging Agent, the Transfer Agent or the Registrar and to appoint additional or other Paying Agents or Transfer Agents, provided that the Ministry of Finance shall at all times maintain (i) a Fiscal Agent, (ii) a Principal Paying Agent, (iii) a CMU Lodging Agent, (iv) a Registrar with a specified office outside the United Kingdom, (v) a Transfer Agent and (vi) such other agents as may be required by any other stock

exchange on which the Bonds may be listed. Notice of any such change or any change of any specified office shall promptly be given to the Bondholders in accordance with Condition 12.

(e) **Delay in Payments**

Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due on a Bond if the due date is not a Business Day, if the Bondholder is late in surrendering or cannot surrender its Certificate (if required to do so) or if a cheque mailed in accordance with Condition 6(a)(ii).

(f) **Non-Business Days**

If any date for payment in respect of any Bond is not a Business Day, the holder shall not be entitled to payment until the next following Business Day nor to any interest or other sum in respect of such postponed payment. In this Condition 6, "Business Day" means a day (other than a Saturday or Sunday) on which (i) banks and foreign exchange markets are open for business in Beijing and Hong Kong and in the place in which the specified office of the Registrar is located; (ii) banks in Beijing are not authorised or obligated by law or executive order to be closed and (iii) T2 is open for the settlement of payments in euro.

7 Taxation and Withholding

All payments (whether in respect of principal, interest or otherwise) in respect of the Bonds will be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected, withheld or assessed by or on behalf of the PRC, or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In that event, the Ministry of Finance shall pay such additional amounts as will result in the receipt by the Bondholder of such amounts as would have been received by such Bondholder if no such withholding or deduction had been required.

For the avoidance of doubt, the obligation of the Ministry of Finance to pay additional amounts in respect of taxes, duties, assessments and other governmental charges will not apply to (a) any estate, inheritance, gift, sales, transfer, personal property or any similar tax, duty, assessment or other governmental charge or (b) any tax, duty, assessment or other governmental charge which is payable otherwise than by deduction or withholding from payments of principal of, or interest on, the Bonds; provided that the Ministry of Finance shall pay all stamp or other taxes, duties, assessments or other governmental charges, if any, which may be imposed by the PRC or any political subdivision thereof or any taxing authority thereof or therein, with respect to the Fiscal Agency Agreement or as a consequence of the issuance of the Bonds.

Except as specifically provided in this Condition 7, the Ministry of Finance shall not be required to make any payment with respect to any stamp or other taxes, duties, assessments or other governmental charges, if any, imposed by any government or any political subdivision or taxing authority thereof or therein. Whenever in these Conditions there is a reference, in any context, to the payment of the principal of, or interest on, or in respect of, the Bonds, such mention shall be deemed to include mention of the payment of additional amounts provided for in this Condition 7 to the extent that, in such context, additional amounts are, were or would be payable in respect thereof pursuant to the provisions of this Condition 7 and express mention of the payment of additional amounts (if applicable) in any provision hereof shall not be construed as excluding additional amounts in those provisions hereof where such express mention is not made.

Any such exchange or conversion shall be binding on all Bondholders.

9 Aggregation Agent, Aggregation Procedures

(a) **Appointment**

The Ministry of Finance will appoint an aggregation agent (the "Aggregation Agent") to calculate whether a proposed modification or action has been approved by the required principal amount outstanding of the Bonds, and, in the case of a multiple series aggregation, by the required principal amount of outstanding debt securities of each affected series of debt securities. In the case of a multiple series aggregation, the same person will be appointed as the Aggregation Agent for the proposed modification of any provision of, or any action in respect of, these Conditions or the Fiscal Agency Agreement and in respect of the terms and conditions or bond documentation in respect of each other affected series of debt securities. The Aggregation Agent shall be independent of the Ministry of Finance.

If an Extraordinary Resolution has been proposed at a duly convened meeting of Bondholders to modify any provision of, or action in respect of, these Conditions and other affected series of debt securities, as the case may be, the Aggregation Agent will, as soon as practicable after the time the vote is cast,

calculate whether holders of a sufficient portion of the aggregate principal amount of the outstanding Bonds and, where relevant, each other affected series of debt securities, have voted in favour of the Extraordinary Resolution such that the Extraordinary Resolution is passed. If so, the Aggregation Agent will determine that the Extraordinary Resolution has been duly passed.

(c) **Written Resolutions**

If a Written Resolution has been proposed under the terms of these Conditions to modify any provision of, or action in respect of, these Conditions and the terms and conditions of other affected series of debt securities, as the case may be, the Aggregation Agent will, as soon as reasonably practicable after the relevant Written Resolution has been signed or confirmed in writing, calculate whether holders of a sufficient portion of the aggregate principal amount of the outstanding Bonds and, where relevant, each other affected series of debt securities, have signed or confirmed in writing in favour of the Written Resolution such that the Written Resolution is passed. If so, the Aggregation Agent will determine that the Written Resolution has been duly passed.

(d) **Certificate**

For the purposes of paragraph (b) (*Extraordinary Resolutions*) and paragraph (c) (*Written Resolutions*), the Ministry of Finance will provide a certificate to the Aggregation Agent up to three days prior to, and in any case no later than, with respect to an Extraordinary Resolution, the date of the meeting referred to in paragraph (b) (*Modification of this Series of Bonds only*), paragraph (c) (*Multiple Series Aggregation – Single limb voting*) or paragraph (d) (*Multiple Series Aggregation – Two limb voting*) of Condition 8, as applicable, and, with respect to a Written Resolution, the date arranged for the signing of the Written Resolution.

The certificate shall:

- (i) list the total principal amount of Bonds and, in the case of a multiple series aggregation, the total principal amount of each other affected series of debt securities outstanding on the record date; and
- (ii) clearly indicate the Bonds and, in the case of a multiple series aggregation, debt securities of each other affected series of debt securities which shall be disregarded and deemed not to remain outstanding as a consequence of paragraph (i) (*Bonds controlled by the Ministry of Finance*) of Condition 8 on the record date identifying the holders of the Bonds and, in the case of a multiple series aggregation, debt securities of each other affected series of debt securities.

The Aggregation Agent will cause each determination made by it for the purposes of this Condition 9 to be notified to the Ministry of Finance as soon as practicable after such determination. Notice thereof shall also promptly be given to the Bondholders.

(f) **Binding nature of determinations; no liability**

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Aggregation Agent and any appointed Voting Calculation Agent will (in the absence of manifest error) be binding on the Ministry of Finance, the Fiscal Agent and the Bondholders and (subject as aforesaid) no liability to any such person

will attach to the Aggregation Agent or the Voting Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

(g) **Manner of publication**

The Ministry of Finance will publish all notices and other matters required to be published pursuant to the Fiscal Agency Agreement including any matters required to be published pursuant to Condition 8 and this Condition 9:

- (i) through the Central Moneymarkets Unit Service or any Alternative Clearing System (as defined in the Fiscal Agency Agreement);
- (ii) in such other places and in such other manner as may be required by applicable law or regulation; and
- (iii) in such other places and in such other manner as may be customary.

10 Waiver or Authorisation of Breach of Fiscal Agency Agreement

Notwithstanding any provision of Condition 8, the Ministry of Finance shall only permit any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Fiscal Agency Agreement, without the consent of the Bondholders, if to do so could not reasonably be expected to be prejudicial to the interests of the Bondholders.

11 Prescription

The right of a Bondholder to receive any payment under the Bonds shall become void ten years (in the case of principal) or six years (in the case of interest) after the due date for payment thereof.

12 Notices

Any such notice shall be deemed to have been given on the date of first publication in an English language newspaper.

13 Replacement of Bonds

Any Certificate which is lost, stolen, mutilated, defaced or destroyed may be replaced at the specified office of the Registrar or such other Transfer Agent as may from time to time be designated by the Ministry of Finance for that purpose and notice of whose designation is given to Bondholders, in each case on payment by the claimant of the expense incurred in connection therewith and on such terms as to evidence, indemnity, security or otherwise as the Ministry of Finance, the Registrar or any Transfer Agent may require (provided that the requirement is reasonable in light of prevailing market practice). Mutilated or defaced Certificates must be surrendered before replacements will be issued.

14 Further Issues

The Ministry of Finance may from time to time, without the consent of holders of the Bonds, create and issue further bonds having the same terms and conditions as the Bonds in all respects, except for the issue date, the

issue price and the first payment of interest thereon. Additional bonds issued in this manner will be consolidated with and will form a single series with the Bonds.

15 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

16 Governing Law and Jurisdiction

(a) Governing law

The Bonds and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

(b) Jurisdiction

The courts of England and Wales are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Bonds and accordingly any suit, action or proceedings arising out of or in connection with the Bonds (together referred to as “Proceedings”) may be brought in such courts. The Ministry of Finance irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient or inappropriate forum. This submission is made for the benefit of each of the Bondholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction.

(c) Agent for Service of Process

The Ministry of Finance hereby appoints Bank of Communications Co., Ltd. (d) Waiver of immunity

To the extent that the Ministry of Finance may claim for itself immunity from any such Proceedings, and to the extent that there may be attributed to the Ministry of Finance such immunity (whether or not claimed), the Ministry of Finance hereby agrees not to claim and hereby waives and will waive such immunity in the face of the courts; provided, however, that the Ministry of Finance has not waived, and shall not waive, its sovereign and other immunity with respect to assets of the PRC wherever located from execution or attachment, whether in aid of execution, before judgment or otherwise.

SUMMARY OF PROVISIONS RELATING TO THE BONDS WHILE IN GLOBAL FORM

The Fiscal Agency Agreement and each Global Certificate contain provisions which apply to the relevant series of Bonds while they are in global form, some of which modify the effect of the terms and conditions of the relevant series of Bonds set out in this Offering Circular. The following is a summary of certain of those provisions. Words and expressions defined in the Fiscal Agency Agreement shall have the same meanings when used in this section.

1. Principal Amount and Exchange

The principal amount of the Bonds shall be the aggregate amount from time to time entered in the records of the Central Moneymarkets Unit Service (the “CMU”) or any alternative clearing system (the “Alternative Clearing System”) (each a “relevant Clearing System”). The records of such relevant Clearing System shall be conclusive evidence of the principal amount of the relevant series of Bonds represented by the relevant Global Certificate and a statement issued by such relevant Clearing System at any time shall be conclusive evidence of the records of that relevant Clearing System at that time. Each Global Certificate will be registered in the name of the Hong Kong Monetary Authority (“HKMA”) as operator (the “Operator”) of the CMU and may be delivered on or prior to the Issue Date. Upon the registration of the relevant Global Certificate in the name of the HKMA as the Operator of the CMU and delivery of such Global Certificate to a sub-custodian for the HKMA as the Operator of the CMU, the CMU will credit each subscriber with a principal amount of the relevant series of Bonds equal to the principal amount thereof for which it has subscribed and paid. For persons seeking to hold a beneficial interest in the Bonds through Euroclear or Clearstream, such persons will hold their interest through an account opened and held by Euroclear or Clearstream with the CMU. Each Global Certificate is exchangeable in whole or, in certain circumstances, in part, for Definitive Certificates as described in the relevant Global Certificate.

2. Payments

Payments of principal and interest in respect of the relevant series of Bonds represented by the relevant Global Certificate will be made without presentation or if no further payment falls to be made in respect of such series of Bonds, against surrender of the relevant Global Certificate at the specified office of any Transfer Agent or of the Registrar. So long as any of the 2027 Bonds or the 2031 Bonds are represented by the relevant Global Certificate, each payment will be made to the persons for whose account a relevant interest in the relevant Global Certificate is credited as being held with the CMU in accordance with the CMU Rules at the relevant time and payment made in accordance thereof. Such payment will discharge the Ministry of Finance’s obligations in respect of that payment. For these purpose, a notification from the CMU shall be conclusive evidence of the records of the CMU (save in the case of manifest error). Each payment will be made to, or to the order of, person(s) for whose account(s) interest(s) in the relevant Global Certificate are credited as being held by the CMU in accordance with the CMU Rules at the close of business on the Business Day immediately prior to the date for payment where “Business Day” means a day on which the relevant clearing system is operating and open for business. While the relevant Global Certificate is held by the CMU and for the purposes of any payments in respect of such Global Certificate, “Business Day” in Condition 6(f) of the *Terms and Conditions of the Bonds* shall mean a day (other than a Saturday or Sunday) on which (i) banks and foreign exchange markets are open for business in Beijing and Hong Kong and in the place in which the specified office of the Registrar is located; (ii) banks in Beijing are not authorised or obligated by law or executive order to be closed; (iii) T2 is open for the settlement of payments in euro and (iv) a day (other than Saturdays and Sundays) on which the CMU is operating. Any payments by the CMU participants to indirect participants will be governed by arrangements agreed between the CMU participants and the indirect participants and will

continue to depend on the inter-bank clearing system and traditional payment methods. Such payments will be the sole responsibility of such CMU participants. So long as the Bonds are represented by the relevant Global Certificate and such Global Certificate is held on behalf of a relevant Clearing System, the Ministry of Finance will promise, *inter alia*, to pay interest in respect of such Bonds from the Issue Date in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the *Terms and Conditions of the Bonds*.

3. **Notices**

For so long as the Bonds are represented by the relevant Global Certificate and such Global Certificate is held on behalf of the Operator or any Alternative Clearing System, notices required to be given to holders of such Bonds may be given by delivery of the relevant notice to the CMU, or as the case may be, to the person(s) confirmed by the relevant Alternative Clearing System on the Business Day preceding the date of despatch of such notice as holding interests in the relevant Global Certificate rather than by publication as required by the *Terms and Conditions of the Bonds*, where “Business Day” means a day on which the relevant clearing system is operating and open for business. Any such notice delivered to the CMU shall be deemed to have been given to the holders of the Bonds on the day on which such notice is delivered to the CMU.

4. **Meetings**

The registered holder of the relevant Global Certificate shall (unless such Global Certificate represents only one Bond) be treated as two persons for the purposes of any quorum requirements of a meeting of holders of the Bonds and, at any such meeting, as having one vote in respect of each EUR1,000 in principal amount of Bonds.

5. **Default**

If principal in respect of any Bonds is not paid when due and payable (but subject as provided in the relevant Global Certificate), the holder of the Bonds represented by the relevant Global Certificate may from time to time elect that Direct Rights under the provisions of the relevant Global Certificate shall come into effect. Such election shall be made in the manner described in the relevant Global Certificate.

6. **Electronic Consent and Written Resolution**

While the relevant Global Certificate is held on behalf of a relevant Clearing System, then:

- (a) approval of a resolution proposed by the Ministry of Finance given by way of electronic consents communicated through the electronic communications systems of the relevant Clearing System(s) in accordance with their operating rules and procedures (i) by or on behalf of the holders who for the time being are entitled to receive notice of a Meeting under the Fiscal Agency Agreement or (ii) (where such holders have been given at least 21 days’ notice of such resolution) by or on behalf of persons holding at least the relevant percentage of the aggregate principal amount of the outstanding Bonds of the relevant series as provided in the Fiscal Agency Agreement, shall, for all purposes take effect as a resolution in accordance with the Fiscal Agency Agreement and shall be binding on all relevant Bondholders of the relevant series whether or not they participated in such Electronic Consent; and
- (b) where Electronic Consent has not been sought, for the purpose of determining whether a Written Resolution (as defined in the *Terms and Conditions of the Bonds*) has been validly passed in respect of a series, the Ministry of Finance shall be entitled to rely on consent or instructions given in writing directly to the Ministry of Finance by accountholders in the relevant Clearing System with entitlements to the relevant Global Certificate or, where the accountholders hold any

such entitlement on behalf of another person, on written consent from or written instruction by the person for whom such entitlement is ultimately beneficially held, subject to and in accordance with the provisions as further set out in the Fiscal Agency Agreement.

Political system

China is a socialist state under the people's democratic dictatorship led by the working class and based on the alliance of workers and peasants.

The socialist system is the fundamental system of China.

All power in the People's Republic of China belongs to the people. The National People's Congress and the local people's congresses at various levels are the organs through which the people exercise state power.

The National People's Congress and the local people's congresses at various levels are constituted through democratic elections. They are responsible to the people and subject to their supervision. All administrative, supervisory, judicial and procuratorial organs of the State are created by the people's congresses to which they are responsible and by which they are overseen.

Taxation system

Since 1994, as a result of a series of tax regulations aimed at allocating tax between different levels of government, China has established two separate tax administration systems split between the central and local governments.

Pursuant to the State Council Institutional Reform Proposal (《国务院机构改革方案的决定》) on 17 March 2018, China reformed the aforesaid central and local taxation administration system. The central and local taxation authorities at and below the provincial level shall be merged to specifically undertake the duties of tax and non-tax revenues administration, among others, within their respective jurisdictions. Upon the merger, an administrative system of dual leadership by the State Administration of Taxation at the centre and the provincial people's governments shall be implemented. Currently the merger of central and local taxation authorities has been completed.

Currently, China has 18 categories of tax, including value added tax, consumption tax, enterprise income tax, individual income tax, resource tax, urban land use tax, real estate tax, urban maintenance and construction tax, farmland occupation tax, land value added tax, automobile sales tax, vehicle and vessel tax, stamp duty tax, deed tax, tobacco tax, custom tax, tonnage tax and environmental protection tax.

China has rolled out a nationwide pilot program to replace business tax with value-added tax from 1 May 2016, which was approved by the State Council. All the business tax taxpayers including construction, real estate, financial services and lifestyle services which were business sectors that used to fall under the business tax regime shall pay value-added tax instead of business tax. Current business tax taxpayers in China should all pay value-added tax.

Pursuant to the Environmental Protection Tax Law of the People's Republic of China (《中华人民共和国环境保护税法》) issued on 25 December 2016, environmental protection tax came into effect in China since 1 January 2018.

Budgetary system

China's state budget comprises the central government's general public budget and the local governments' general public budget. The local governments' budget includes the general budgets of provinces, autonomous regions and municipalities (the lower levels of government) under the direct jurisdiction of the State Council.

The central government's general public budget includes the budget for government departments at the central level (including the departments under the direct jurisdiction of the central government) and the tax rebates and

transfer payments from the central government to the local governments. Revenue in the central government's general public budget includes revenue at the central level and the revenue provided by the local governments to the central government. Expenditure from the central government's general public budget includes expenditures at the central level and the tax rebates and transfer payments from the central government to the local governments.
