BACKGROUND

On 28 June 2024, the grant of the General Mandate to Repurchase A Shares and the grant of the General Mandate to Repurchase H Shares to the Board were approved at the 2023 annual general meeting, the 2024 first A Share class meeting and the 2024 first H Share class meeting of the Company. For details, please refer to the circular dated 7 June 2024 and the announcement dated 28 June 2024 of the Company.

On 18 October 2024, the Board considered and approved the “Resolution on the Shares Repurchase Plan of COSCO SHIPPING Development with Special Bank Loan and Own Funds (《關於中遠海運發展以銀行專項貸款及自有資金回購股份方案的議案》)”, pursuant to which it proposed to repurchase A Shares by way of centralized price bidding under the General Mandate to Repurchase A Shares (the “**A Share Repurchase Plan**”) and to repurchase H Shares under the General Mandate to Repurchase H Shares (the “**H Share Repurchase Arrangement**”).

THE A SHARE REPURCHASE PLAN

Since the Company currently does not satisfy the conditions as referred to in item (4) of Article 2 of the “Self-Regulatory Guidelines No. 7 for Listed Companies on the Shanghai Stock Exchange – Share Repurchases (《上海證券交易所上市公司自律監管指引第7號－回購股份》)”, it is not eligible to repurchase and cancel its A Shares under the General Mandate to Repurchase A Shares. In accordance with the relevant requirements under Article 162 of the Company Law of the People’s Republic of China and Article 4.9 of the Articles of Association, any repurchase of Shares by the Company for the purpose of reducing its registered capital shall be submitted to a general meeting for consideration and approval. Therefore, the A Share Repurchase Plan is subject to approval by the Shareholders at a general meeting of the Company.

A key summary of the A Share Repurchase Plan is as follows:

(1) Purpose of the Share Repurchase

In order to enhance the investors’ confidence, having considered various factors including the Company’s financial position, future development and reasonable valuation, the Company proposes to repurchase A Shares. All A Shares repurchased under the A Share Repurchase Plan shall be cancelled and the registered share capital of the Company shall be reduced accordingly.

(2) Class of the Shares Proposed to be Repurchased

A Shares.

(3) Method of the Proposed Share Repurchase

To conduct the repurchase through centralized price bidding on the trading system of the Shanghai Stock Exchange.

(4) Implementation Period for the Share Repurchase

The implementation period for the repurchase of A Shares shall be six months from the date of approval of the A Share Repurchase Plan at the Company’s general meeting. If the number of A Shares to be repurchased within the repurchase period reaches the maximum number, the A Share Repurchase Plan shall be deemed completed and the repurchase period will expire earlier from that date.

The above-mentioned period for repurchase of A Shares is subject to the authorization period under the General Mandate to Repurchase A Shares (i.e. not exceeding the earliest of: the conclusion of the 2024 annual general meeting of the Company; or on the date the General Mandate to Repurchase A Shares being revoked or amended by special resolution at any general meeting or H Share or A Share class meetings of the Company).

(5) Use and Number of Shares Proposed to be Repurchased, its Proportion to the Total Share Capital of the Company and the Total Amount of Funds

All A Shares to be repurchased under the A Share Repurchase Plan shall be cancelled and the registered share capital of the Company shall be reduced accordingly. Based on the maximum A Share repurchase price of RMB3.59 per Share, it is expected that the total funds to be used for the repurchase of A Shares would be RMB143.6 million to RMB287.2 million. The exact number of A Shares to be repurchased, the proportion to total share capital of the Company and the total amount of funds for repurchase would depend on the actual implementation of the plan.

In the event of capitalization of capital reserves, bonus issue, subdivision of shares or share consolidation during the repurchase period, the Company will adjust the number of A Shares to be repurchased accordingly pursuant to relevant requirements.

(6) Price or Price Range and Pricing Principle for the Share Repurchase

The maximum repurchase price of A Shares shall not exceed RMB3.59 per Share (inclusive of RMB3.59 per Share), being no higher than 150% of the average trading price of the A Shares for the 30 trading days prior to the date on which Board approves the relevant resolution on the repurchase. The exact repurchase price will be determined during the implementation period of the repurchase by taking into account the price of A Shares in the secondary market, the financial position and operating conditions of the Company.

In the event of capitalization of capital reserves distribution of bonus in shares or cash, subdivision of shares, share consolidation, share placing or other matters during the period of repurchase, the Company will adjust the maximum repurchase price accordingly in accordance with the relevant regulations of the China Securities Regulatory Commission and the Shanghai Stock Exchange from the ex-right and ex-dividend date of the share price.

(7) Source of Funds for the Share Repurchase

Pursuant to the “Notice on the Establishment of Refinancing Loans for Share Repurchase and Shareholding Increase (《關於設立股票回購增持再貸款有關事宜的通知》)” issued by the People’s Bank of China, the National Financial Regulatory Administration and the China Securities Regulatory Commission, the Bank of China Shanghai Branch issued a loan commitment letter to the Company on 18 October 2024, pursuant to which it agreed to provide the Company with a special loan of up to RMB287.2 million for the purpose of the A Share repurchase of the Company, with a term of one year from the date of issuance of the commitment letter. (10) Analysis of the Possible Impact of the A Share Repurchase Plan on the Company's Daily Operations, Financial Position, Research and Development Capabilities, Profitability, Debt Repayment Abilities, Future Development, Maintenance of Listing Status, etc.

As at 30 June 2024, the Company's total assets was RMB124.495 billion, net assets attributable to the shareholders of the listed company was RMB29.841 billion, cash and bank deposits was RMB9.012 billion. The maximum amount of repurchase funds for A Share repurchase will account for approximately 0.23%, 0.96% and 3.19% of the Company's total assets, net assets attributable to the shareholders of the listed company and cash and bank deposits as at 30 June 2024, respectively.

As calculated based on the minimum and maximum number of A Shares to be repurchased of 40 million A Shares and 80 million A Shares respectively, the proportion of A Shares to be repurchased represents approximately 0.29% to 0.59% of the total share capital of the Company as at 30 September 2024. After the repurchase and cancellation of the repurchased A Shares, the shareholding of COSCO SHIPPING, the indirect controlling Shareholder, and persons acting in concert with it (as defined in the "Measures for the Administration on Acquisition of Listed Companies (《上市公司收購管理辦法》)") in aggregate will increase, but this will not result in any change of control of the Company nor change of the listing status of the Company, and the shareholding structure will still be in compliance with the listing requirements.

The Board believes that such repurchase will not have any material adverse impact on the Company's daily operations, financial position, research and development capabilities, profitability, debt repayment abilities, future development and maintenance of its listing status.

THE H SHARE REPURCHASE ARRANGEMENT

In addition to the repurchase of A Shares, the Company also intends to implement the H Share Repurchase Arrangement in parallel pursuant to the General Mandate to Repurchase H Shares in accordance with the requirements of the Hong Kong Listing Rules, the Articles of Association and other applicable laws and regulations. The H Share Repurchase Arrangement is not required to be submitted to the general meeting of the Company for consideration and approval.

TAKEOVERS CODE

The Board has no intention to proceed with the aforesaid A Share Repurchase Plan and/or the H Share Repurchase Arrangement under circumstances that would trigger an obligation for COSCO SHIPPING (the indirect controlling Shareholder) and persons acting in concert with it (as defined in the Takeovers Code) to make a mandatory offer under the Takeovers Code.
