To the Qualifying Shareholders and, for information only, the Excluded Shareholders

Dear Sir/Madam,

**PROPOSED RIGHTS ISSUE ON THE BASIS OF ONE (1) RIGHTS SHARE
FOR EVERY TWO (2) SHARES HELD ON THE RECORD DATE**

INTRODUCTION

Reference is made to the Announcement in relation to, among other things, the Rights Issue on the basis of one (1) Rights Share for every two (2) Shares held on Record Date at the Subscription Price of HK\$0.60 per Rights Share.

The Rights Issue is not underwritten.

The purpose of this Prospectus is to provide you with information relating to (i) the Rights Issue; (ii) the financial information of the Group; and (iii) general information of the Group.

LETTER FROM THE BOARD

PROPOSED RIGHTS ISSUE

The Board proposes the Rights Issue, details of which are summarised below:

Issue statistics

Basis of the Rights Issue:	One (1) Rights Share (in nil-paid form) for every two (2) Shares held by the Qualifying Shareholders at the close of business on the Record Date
Subscription price:	HK\$0.60 per Rights Share
Net price per Rights Share (i.e. Subscription Price less estimated expenses incurred in relation to the Rights Issue):	Approximately HK\$0.57 per Rights Share
Number of Shares in issue as at the Latest Practicable Date:	40,000,000 Shares
Number of Rights Shares to be issued pursuant to the Rights Issue:	Up to 20,000,000 Rights Shares
Aggregate nominal value of the Rights Shares:	Up to HK\$2,000,000
Total number of Shares in issue upon completion of the Rights Issue (assuming that the Rights Issue is fully subscribed):	Up to 60,000,000 Shares (assuming no new Shares (other than the Rights Shares) will be allotted and issued and no repurchase of Shares on or before the completion of the Rights Issue)
Gross proceeds from the Rights Issue:	Up to HK\$12,000,000 (assuming all the Rights Shares will be taken up)

As at the Latest Practicable Date, the Group had no outstanding derivatives, options, warrants, convertible or exchangeable securities carrying rights to subscribe for, convert or exchange into Shares. The Company has no intention to issue or grant any Shares, convertible securities, warrants and/or options on or before the Record Date.

The 20,000,000 Rights Shares to be issued pursuant to the terms of the proposed Rights Issue represents approximately 50.0% of the existing issued share capital of the Company as at the Last Practicable Date; and approximately 33.3 % of the issued share capital of the Company as enlarged by the allotment and issue of the Rights Shares (assuming all the Rights Shares will be taken up).

LETTER FROM THE BOARD

Non-underwritten basis

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. In the event that the Rights Issue is not fully subscribed, the Rights Shares not taken up by the Qualifying Shareholders will be placed to independent Placées under the Compensatory Arrangements. Any Unsubscribed Rights Shares and ES Unsold Rights Shares which remain not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. There is no minimum amount to be raised under the Rights Issue. There is also no statutory requirement regarding minimum subscription level in respect of the Rights Issue.

The Board understands that in the event the Unsubscribed Rights Shares and the ES Unsold Rights Shares are fully-underwritten, the underwriting commission charged by independent underwriters is generally much higher than the commission charged for placing on a best effort basis. Despite the fact that there is no guarantee for the minimum amount to be raised by the Rights Issue under the non-underwritten basis, the Placing Agent will place any Unsubscribed Rights Shares together with the ES Unsold Rights Shares on a best effort basis to independent placees. In view of the above and having considered (i) the cost-effectiveness of the Rights Issue; (ii) the Placing arrangement in place; and (iii) the discount on the Subscription Price which will provide incentive for the Qualifying Shareholders to subscribe for the Rights Shares, the Board considers that the Rights Issue on a non-underwritten basis is in the interest of the Company and its Shareholders as a whole.

As the Rights Issue will proceed on a non-underwritten basis, the Shareholder who applies to take up all or part of his/her/its entitlement under the PAL(s), or transferees of nil-paid Rights Shares (or either of them, whichever shall be appropriate), may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code or may result in the non-compliance by the Company of the Public Float Requirement (i.e. the public float of the Company decreases to below 25.0%). Accordingly, the Rights Issue will be made on terms that the Company will provide for the Shareholders to apply on the basis that if the Rights Shares are not fully taken up, the application of any Shareholder for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which (i) does not trigger an obligation on part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance with the note to Rule 7.19(5)(b) of the Listing Rules; and or (ii) does not result in the non-compliance of the Public Float Requirement on the part of the Company. Any subscription monies for the Scale-down PAL Shares will be refunded to the applicants.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the public float of the Company is 25%. If Qualifying Shareholders other than Public Shareholders apply to take up all or part of its entitlement under the PAL and the Public Shareholders do not take up all or part of their entitlement under the PAL, it may unwittingly cause the public float of the Company to decrease to below 25%. Accordingly, the Rights Issue will be made on terms that the application of Qualifying Shareholders other than Public Shareholders for their assured entitlement under the PAL will be scaled down to a level which does not cause the Company's public float to decrease to below 25% upon completion of the Rights Issue.

The Irrevocable Undertakings

As at the Latest Practicable Date, the Company has not received any information or undertaking from any Shareholder of their intention as to whether such Shareholder will take up his/her entitlements under the Rights Issue.

Subscription Price

The Subscription Price is HK\$0.60 per Rights Share, payable in full upon acceptance of the relevant provisional allotment of the Rights Shares or when a transferee of nil-paid Rights Shares applies for the Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately 60.86% to the closing price of HK\$1.533 per Share as quoted on the Stock Exchange on the Latest Practicable Date;
- (ii) a discount of approximately 67.39% to the theoretical closing price of HK\$1.84 per Share based on the closing price of HK\$0.184 per Old Share as quoted on the Stock Exchange on the Last Trading Day;
- (iii) a discount of approximately 68.35% to the theoretical average of the closing price of HK\$1.896 per Share based on the average closing price of HK\$0.1896 per Old Share as quoted on the Stock Exchange for the last five (5) consecutive trading days up to and including the Last Trading Day;
- (iv) a discount of approximately 70.13% to the theoretical average of the closing price of approximately HK\$2.009 per Share based on the average closing price of HK\$0.2009 per Old Share as quoted on the Stock Exchange for the last ten (10) consecutive trading days up to and including the Last Trading Day;

LETTER FROM THE BOARD

- (v) a discount of approximately 59.02% to the theoretical ex-rights price of approximately HK\$1.464 per Share based on the theoretical benchmarked price of approximately HK\$1.896 per Share (as defined under Rule 7.27B of the Listing Rules, taking into account the closing price on the Last Trading Day of HK\$0.184 per Old Share and the average closing prices of approximately HK\$0.1896 per Old Share as quoted on the Stock Exchange for the last five (5) consecutive trading days immediately prior to the Last Trading Day);
- (vi) a theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) of a discount of approximately 22.78%, represented by the theoretical diluted price of approximately HK\$1.464 per Share to the theoretical benchmarked price of HK\$1.896 per Share; and
- (vii) a discount of approximately 88.59% to the audited consolidated net asset value per Share of approximately HK\$5.26 as at 29 February 2024 (based on the latest published audited consolidated net asset value attributable to Shareholders of approximately HK\$210,489,000 and 40,000,000 Shares in issue as at the Latest Practicable Date.

The Subscription Price was determined with reference to (i) the market price of the Shares under the prevailing market conditions; (ii) the financial position of the Group; (iii) the low trading volume of the Shares during the Relevant Period (as defined below); and (iv) the reasons as discussed in the section headed “Reasons for and benefits of the Rights Issue and use of proceeds” in this Prospectus.

In determining the Subscription Price, which represents a discount of approximately 67.39% to the theoretical closing price of HK\$1.84 per Share based on the closing price of HK\$0.184 per Old Share as quoted on the Stock Exchange on the Last Trading Day, the Directors have considered, among other things as mentioned above, market price of the Shares traded on the Stock Exchange in the past three months prior to and including the Last Trading Day (the “**Relevant Period**”), as a benchmark to reflect the prevailing market conditions and recent market sentiment. During the Relevant Period, the Shares were traded on the Stock Exchange with an average closing price of approximately HK\$0.307 per Old Share. The Subscription Price of HK\$0.60 per Rights Share represents a discount of approximately 80.47% to the theoretical average closing price of approximately HK\$3.07 per Share based on the average closing price of approximately HK\$0.307 per Old Share for the Relevant Period. In addition, during the Relevant Period, the daily closing price of the Old Shares demonstrated a general downward trend from HK\$0.38 per Old Share on 27 June 2024 to HK\$0.184 per Old Share on the Last Trading Day with an average daily trading volume amounting to approximately 0.004% of the issued Old Shares as at the Last Trading Day, indicating a lack of liquidity and demand for the Old Shares. Furthermore, the Old Share has been trading substantially below the net assets value of the Company (based on the average closing price of HK\$0.307 per Old Share during the Relevant Period and the latest published audited consolidated net asset value attributable to Shareholders per Old Share of approximately HK\$0.526 as at 29 February 2024.

LETTER FROM THE BOARD

In view the above and having considered (i) all Qualifying Shareholders are provided with an equal opportunity to subscribe for their assured entitlements under the Rights Issue at a relatively low price as compared to the historical market price of the Shares and at a discount to the recent closing prices of the Shares; (ii) the discount of the Subscription Price will encourage the Qualifying Shareholders to participate in the Rights Issue and the future growth of the Group; and (iii) the Qualifying Shareholders who do not wish to take up their provisional entitlements under the Rights Issue are able to sell the nil-paid Rights Shares in the market. As such, despite any potential dilution impact of the Rights Issue on the shareholding interests of the Shareholders, the Directors consider that the terms of the Rights Issue, including the Subscription Price, are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Status of the Rights Shares

The Rights Shares, when allotted, issued and fully paid, shall rank *pari passu* in all respects with the Shares then in issue, including the right to receive all future dividends and other distributions which may be declared, made or paid on or after the date of allotment of the Rights Shares in their fully-paid form.

Qualifying Shareholders

The Rights Issue will only be available to the Qualifying Shareholders and will not be available to the Excluded Shareholders on the Record Date. Subject to the Share Consolidation having become effective and the registration of the Prospectus Documents in accordance with the applicable laws and regulations, the Company will despatch the Prospectus Documents to the Qualifying Shareholders on the Prospectus Posting Date. The Company will, to the extent permitted under the relevant laws and regulations and reasonably practicable, despatch the Prospectus (without the PAL) to the Excluded Shareholders (if any) for their information only.

To qualify for the Rights Issue, a Shareholder:

- (i) must be registered as a member of the Company at the close of business on the Record Date; and
- (ii) is not an Excluded Shareholder.

In order to be registered as members of the Company on the Record Date, a Shareholder must have lodged the transfers of Shares (together with the relevant share certificates) with the Registrar for registration by no later than 4:30 p.m. on Tuesday, 29 October 2024.

LETTER FROM THE BOARD

Shareholders whose Shares are held by nominee companies (or which are deposited in CCASS) should note that the Board will regard a nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Shareholders with their Shares held by nominee companies (or which are deposited in CCASS) are advised to consider whether they would like to arrange for registration of the relevant Shares in the name of the beneficial owner(s) prior to the Record Date.

The latest time for acceptance of and payment for the Rights Shares is expected to be at 4:00 p.m. on Wednesday, 20 November 2024.

Qualifying Shareholders who take up their pro rata entitlement in full will not suffer any dilution to their interests in the Company (except in relation to any dilution resulting from the taking up by third parties of any Rights Shares arising from the aggregation of fractional entitlements). If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.

Rights of Overseas Shareholders (if any)

The Prospectus Documents to be issued in connection with the Rights Issue will not be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong. Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

According to the register of members of the Company as at the Latest Practicable Date, the Company does not have any Overseas Shareholders. As disclosed in the Announcement, the register of members of the Company was closed from Wednesday, 30 October 2024 to Tuesday, 5 November 2024 (both days inclusive), therefore, the Company will not have Overseas Shareholders as at the Record Date.

The Company will send the Prospectus to the Excluded Shareholders for their information only but will not send the PALs to them.

Arrangements will be made for the Rights Shares which would otherwise have been provisionally allotted to the Excluded Shareholders in their nil-paid form to be sold in the market as soon as practicable after dealings in the nil-paid Rights Shares commence and in any event before the last day for dealings in nil-paid Rights Shares if a premium (net of expenses) can be obtained. The proceeds of such sale, less expenses and stamp duty, will be paid pro-rata (rounded down to the nearest cent) to the relevant Excluded Shareholders in Hong Kong dollars. In view of the administrative costs, the Company will retain individual amounts of less than HK\$100 for its own benefit.

LETTER FROM THE BOARD

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue, subject to the results of enquiries made by the Directors pursuant to Rule 13.36(2)(a) of the Listing Rules. The Company reserves the right to treat as invalid any acceptance of or applications for Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, the Overseas Shareholders should exercise caution when dealing in the Shares.

Procedures in respect of the Unsubscribed Rights Shares and the ES Unsold Rights Shares, and the Compensatory Arrangements

The Company will make arrangements described in Rule 7.21(1)(b) of the Listing Rules to dispose of the Unsubscribed Rights Shares and the ES Unsold Rights Shares by offering the Unsubscribed Rights Shares and the ES Unsold Rights Shares to independent Placees for the benefit of Shareholders to whom they were offered by way of the Rights Issue. There will be no excess application arrangements in relation to the Rights Issue as stipulated under Rule 7.21(1)(a) of the Listing Rules.

The Company has therefore appointed the Placing Agent to place the Unsubscribed Rights Shares and the ES Unsold Rights Shares after the Latest Time for Acceptance to independent Placees on a best effort basis, and any premium over the aggregate amount of (i) the Subscription Price for those Rights Shares; and (ii) the expenses of the Placing Agent (including any other related expenses/fees), that is realised from the Placing will be paid to the No Action Shareholders and Excluded Shareholders on a pro-rata basis. The Placing Agent will, on a best effort basis, procure, by not later than 4:00 p.m. on Monday, 2 December 2024, acquirers for all (or as many as possible) of those Unsubscribed Rights Shares and the ES Unsold Rights Shares at a price not less than the Subscription Price. Any Unsubscribed Rights Shares and the ES Unsold Rights Shares which are not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

Net Gain (if any) will be paid (without interest) on a pro-rata basis (based on all Unsubscribed Rights Shares and ES Unsold Rights Shares) to the No Action Shareholders and Excluded Shareholders (but rounded down to the nearest cent) as set out below:

- (i) the relevant Qualifying Shareholders (or such persons who hold any nil-paid rights at the time such nil-paid rights are lapsed) whose nil-paid rights are not validly applied for in full, by reference to the extent that Shares in his/her/its nil-paid rights are not validly applied for; and
- (ii) the relevant Excluded Shareholders with reference to their shareholdings in the Company on the Record Date.

LETTER FROM THE BOARD

It is proposed that Net Gain of HK\$100 or more to the individual No Action Shareholder mentioned above will be paid to them in Hong Kong Dollars only and the Company will retain individual amount of less than HK\$100 for its own benefit. Shareholders are reminded that Net Gain may or may not be realised and, accordingly, the No Action Shareholders and the Excluded Shareholders may or may not receive any Net Gain.

Basis of provisional allotments

The Rights Shares will be allotted on the basis of one (1) Rights Share for every two (2) Shares in issue and held by the Qualifying Shareholders at the close of business on the Record Date. Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing the PAL and lodging the same with a remittance for the Rights Shares being applied for with the Registrar on or before the Latest Time for Acceptance. Any holdings (or balance of holdings) of less than two (2) Shares will not entitle their holders to be provisionally allotted a Rights Share. Please refer to the arrangement as referred to in the section headed "Fractional entitlements to the Rights Shares" below.

Fractional entitlements to the Rights Shares

The Company will not provisionally allot and will not accept application for any fractions of the Rights Shares. All fractions of the Rights Shares will be aggregated (and rounded down to the nearest whole number of a Share) and sold by the Company in the open market if a premium (net of expenses) can be obtained. Any of the Rights Shares remain unsold in the market will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

Procedures for acceptance and payment or transfer

A PAL will be sent to the Qualifying Shareholder(s) by post in printed form which entitles the Qualifying Shareholder(s) to whom it is addressed to subscribe for the number of the Rights Shares shown therein.

If a Qualifying Shareholder wishes to accept all the Rights Shares provisionally allotted to him/her/it as specified in the PAL, he/she/it must lodge the PAL in accordance with the instructions printed thereon, together with a remittance for the full amount payable on acceptance with the Registrar at Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong by not later than 4:00 p.m. on Wednesday, 20 November 2024 (or, under bad weather conditions, such later time and/or date as mentioned in the section headed "Expected timetable – Effect of bad weather and/or extreme conditions on the Latest Time for Acceptance of and Payment for the Rights Shares"). All remittances must be made in Hong Kong dollars by cheques which must be drawn on an account with, or by cashier's orders which must be issued by, a licensed bank in Hong Kong and made payable to "INNOVAX SECURITIES LIMITED – CLIENT A/C" and crossed "ACCOUNT PAYEE ONLY".

LETTER FROM THE BOARD

It should be noted that unless the PAL, together with the appropriate remittance, have been lodged with the Registrar by not later than 4:00 p.m. on Wednesday, 20 November 2024, whether by the original allottee or any person in whose favour the rights have been validly transferred, that provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled. The Company may, at its sole and absolute discretion, treat a PAL as valid and binding on the person by whom or on whose behalf it is lodged even if the PAL is not completed in accordance with the relevant instructions. The Company may require such incomplete PAL to be completed by the relevant applicants at a later stage.

If a Qualifying Shareholder wishes to accept only part of his/her/its provisional allotment or transfer part of his/her/its rights to subscribe for the Rights Shares provisionally allotted to him/her/it under the PAL or to transfer part or all of his/her/its rights to more than one person, the entire PAL must be surrendered and lodged for cancellation by not later than 4:30 p.m. on Tuesday, 12 November 2024 to the Registrar, who will cancel the original PAL and issue new PALs in the denominations required which will be available for collection from the Registrar at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, after 9:00 a.m. on the second business day after the surrender of the original PAL. It should be noted that stamp duty is payable in connection with a transfer of rights to subscribe for the Rights Shares.

The PAL contains further information regarding the procedures to be followed for acceptance and/or transfer of the whole or part of the provisional allotment of the Rights Shares by the Qualifying Shareholders. All cheques or cashier's orders will be presented for payment following receipt and all interest earned on such monies (if any) will be retained for the benefit of the Company. Completion and return of the PAL with a cheque or a cashier's order, whether by a Qualifying Shareholder or by any nominated transferee(s), will constitute a warranty by the applicant that the cheque or the cashier's order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any PAL in respect of which the cheque or cashier's order is dishonoured on first presentation, and in that event the provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled.

Share certificates of the Rights Shares and refund cheques for the Rights Issue

Subject to fulfilment of the conditions of the Rights Issue, (i) share certificates for all fully-paid Rights Shares or (ii) refund cheques (if the Rights Issue does not proceed) are expected to be posted to those entitled thereto by ordinary post to their registered address, at their own risks, on or before Friday, 6 December 2024.

LETTER FROM THE BOARD

Taxation

Shareholders are advised to consult their professional advisers if they are in doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the nil-paid Rights Shares or the fully-paid Rights Shares and, regarding the Overseas Shareholders, their receipt of the net proceeds, if any, from sales of the nil-paid Rights Shares otherwise falling to be issued to them under the Rights Issue under the laws of jurisdictions in which they are liable to taxation. It is emphasised that none of the Company, the Directors nor any other parties involved in the Rights Issue accepts responsibility for any tax effects on, or liabilities of, any person resulting from subscribing for, purchasing, holding, disposal of, dealings in or exercising any rights in relation to the Shares or the Rights Shares.

Application for listing

The Company has made an application to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms. Nil-paid Rights Shares are expected to be traded in same board lot size as the Shares, i.e., 2,000 Shares in one board lot. No part of the securities of the Company in issue or for which listing or permission to deal is being or is proposed to be sought is listed or dealt in or on any other stock exchange.

Stamp duty and other applicable fees

Dealings in the Rights Shares (in both their nil-paid and fully-paid forms) will be subject to the payment of stamp duty, Stock Exchange trading fee, SFC transaction levy or any other applicable fees and charges in Hong Kong.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of the listing of, and the permission to deal in, the Rights Shares (in both their nil-paid and fully-paid forms) on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares (in both their nil-paid and fully-paid forms) will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares (in both their nil-paid and fully-paid forms) on the Stock Exchange, or such other dates as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of HKSCC and HKSCC Operational Procedures in effect from time to time.

Shareholders should seek advice from their licensed securities dealer(s) or other professional adviser(s) for details of those settlement arrangements and how such arrangements will affect their rights and interests if they are in any doubt.

LETTER FROM THE BOARD

Placing completion shall take place on Friday, 6 December 2024 or such other date as the Company and the Placing Agent may agree in writing.

LETTER FROM THE BOARD

The Placing Agent shall ensure that the Unsubscribed Rights Shares and ES Unsold Rights Shares are placed (i) only to institutional, corporate or individual investors who and whose ultimate beneficial owners shall be Independent Third Parties; (ii) such that no Placee shall become a substantial Shareholder immediately following the Placing; (iii) such that the Placing will not have any implication under the Takeovers Code and no Shareholder will be under any obligation to make a general offer under the Takeovers Code as a result of the Placing; and (iv) such that the Placing will not result in the Company incapable of complying with the Public Float Requirement under the Listing Rules immediately following the Placing.

The Company will continue to comply with the Public Float Requirement and the Placing will not have any implication under the Takeovers Code and no Shareholder will be under any obligation to make a general offer under the Takeovers Code as a result of the Placing. The engagement between the Company and the Placing Agent for the placing of the Unsubscribed Rights Shares and ES Unsold Rights Shares was determined after arm's length negotiations between the Placing Agent and the Company and is on normal commercial terms with reference to the market comparables, the existing financial position of the Group, the size of the Rights Issue, and the market conditions. The Board considers the terms of the Placing for the Unsubscribed Rights Shares and ES Unsold Rights Shares (including the commission payable) are on normal commercial terms.

Given that the Compensatory Arrangements would provide (i) a distribution channel of the Unsubscribed Rights Shares and ES Unsold Rights Shares; and (ii) a compensatory mechanism for No Action Shareholders and the Excluded Shareholders, the Board considers that the Compensatory Arrangements are fair and reasonable and would provide adequate safeguard to protect the interest of the Company's minority shareholders.

LETTER FROM THE BOARD

- (iv) the posting of the Prospectus Documents to the Qualifying Shareholders and the posting of the Prospectus to the Excluded Shareholders, if any, for information purpose only on or before the Prospectus Posting Date;
- (v) the Listing Committee granting or agreeing to grant (subject to allotment) and not having withdrawn or revoked, listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid form;

REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS

The Group is an integrated financial and securities services provider. Its services cover corporate finance advisory services including (i) IPO sponsorship services; (ii) financial and independent financial advisory services; and (iii) compliance advisory services, placing and underwriting services, dealing and brokerage services for securities trading and futures contracts trading, securities financing services, research services, asset management services and money lending services.

In recent years, Hong Kong financial market was full of uncertainties and challenges. The interest rate hikes, continuing geopolitical tensions and other macro challenges marked a difficult period with investors taking more cautious approach under the weak market sentiment. Therefore, the Group recorded net losses of approximately HK\$22.5 million and HK\$6.6 million for the two years ended 28 February 2023, respectively, and a thin net profit of approximately HK\$1.8 million for the year ended 29 February 2024. In addition, the Group recorded a loss attributable to owners of the Company of approximately HK\$22.9 million for the six months ended 31 August 2024, as compared to the profit of the corresponding period in 2023 of approximately HK\$9.3 million.

As the US Federal Reserve announced to lower its benchmark interest rate in September 2024 indicating the end of hiking cycle, investor sentiment has improved. The Hong Kong's initial public offering (IPO) market has shown signs of gradual recovery with over 100 new applications so far this year. To maintain sustainable growth and capture business opportunities as a result of recovery of market sentiment, the Group intends to (i) expand its placing and underwriting service by undertaking more equity placing and underwriting projects at one time, taking up underwriting commitment of projects with a larger fund-raising scale and expanding coverage to debt capital market and (ii) expand its fund management service by setting up new investment funds.

LETTER FROM THE BOARD

According to the interim results announcement of the Company for the six months ended 31 August 2024 (the “**2024 Interim Results Announcement**”), the cash and bank balances were approximately HK\$83.5 million as at 31 August 2024 and such cash resources are not idle. Based on the current business plan, the Group intends to apply:

- (i) approximately HK\$30.0 million (inclusive of HK\$5.7 million of the net proceeds of the Rights Issue) to expand the placing and underwriting business. In respect of IPO fund raising transactions, the Group intends to (a) take up more senior role such as global co-ordinator and/or bookrunner among the underwriting syndicates and a leading role with a higher percentage of underwriting commitment to lead the underwriting syndicates, or take up the role as a sole underwriter of a fund raising project; (b) take up underwriting commitment of projects with a larger fund raising scale; and (c) take up more placing and underwriting opportunities at one time. The Group will also continue to explore business opportunities for acting underwriter for other non-IPO fund raising transactions, such as rights issue and open offer of listed companies on the Stock Exchange and issue of bonds by listed or unlisted companies. According to the 2024 Interim Results Announcement, the number of completed placing and underwriting projects increased from six for the six months ended 31 August 2023 to 18 for the six months ended 31 August 2024, among which 15 transactions were related to issue of bonds by unlisted corporations. As the placing and underwriting service is capital intensive, with improving market sentiment, the Group needs to earmark sufficient financial resources before committing to any underwriting obligations to capture business opportunities from time to time;
- (ii) approximately HK\$30.0 million to securities financing business;
- (iii) approximately of HK\$20.0 million (inclusive of HK\$3.4 million of the net proceeds of the Rights Issue) as maximum sum of seed money for four new investment funds. The Group plans to expand the fund management services by setting up venture capital fund, hedge fund, pre-IPO fund and private equity fund by the end of 2024. In respect of the seed money for such investment funds to be established, the Group intends to invest in (a) venture capital fund: technology-related companies in the Greater China region. Such companies are either startups or at the growing stage; (b) hedge fund: major secondary market in Hong Kong, the PRC and the US. Investments may be made in equity securities, related derivatives or in American Depositary Receipt or Global Depositary Receipt; (c) pre-IPO fund: companies in Greater China region seeking initial public offerings; and (d) private equity fund: technology-related companies located other than Greater China region; and
- (iv) approximately HK\$10.0 million (inclusive of HK\$2.3 million of the net proceeds of the Rights Issue) to general working capital.

LETTER FROM THE BOARD

In view of the abovementioned business expansion plan and the unsatisfactory financial performance over the past few years, the Directors consider that it is commercially reasonable and justifiable to obtain external financing to develop and expand its business with a view to achieving improvement of the Group's financial performance and future business prospects.

The expenses in relation to the Rights Issue are estimated to be approximately HK\$0.6 million and will be payable by the Company.

The net proceeds from the Rights Issue are estimated to be not more than approximately HK\$11.4 million (assuming all the Rights Shares will be taken up). The Company intends to apply such net proceeds for the following purposes:

- (i) approximately HK\$5.7 million, representing 50.0% of the net proceeds, will be utilised within 12 months after the completion of the Rights Issue for increasing capital for the expansion of the placing and underwriting business including expansion of service coverage to debt capital markets;
- (ii) approximately HK\$3.4 million, representing 30.0% of the net proceeds, will be utilised within 12 months after the completion of the Rights Issue for increasing capital for the expansion of the fund management service; and
- (iii) approximately HK\$2.3 million, representing 20.0% of the net proceeds, will be utilised within 12 months after the completion of the Rights Issue for general working capital of the Group.

The Rights Issue will proceed irrespective of the level of acceptance of provisionally allotted Rights Shares. In the event that there is an under-subscription of the Rights Issue, the net proceeds of the Rights Issue will be allocated and utilised in accordance with the same proportion to the above uses.

As at the Latest Practicable Date, the Company has no intention to conduct fundraising in the next 12 months. However, the Board cannot rule out the possibility that the Company will conduct debt and/or equity fund raising exercises when suitable fundraising opportunities arise in order to support future development of the Group. The Company will make further announcement in this regard in accordance with the Listing Rules as and when appropriate.

Besides the Rights Issue, the Directors have considered other fundraising methods available to the Group, including debt financing such as bank borrowings, and other equity financing such as placing or subscription of new Shares or open offer. In respect of debt financing, the Directors are of the view that the Group does not have material fixed assets which are satisfactory to the banks to be served as collaterals. Therefore, debt financing may not be achievable on favourable terms in a timely manner or may require pledge of other kinds of assets or securities which may reduce the Group's flexibility. In respect of equity financing, the Directors are of the view that placing or subscription of new Shares would dilute the shareholding of the existing Shareholders without giving the chance to the existing Shareholders to participate. The Directors consider that rights issue would be more attractive and flexible to the Shareholders than open offer because the Shareholders would have a choice to sell their entitled nil-paid Rights when they do not wish to participate in the Rights Issue.

LETTER FROM THE BOARD

Given the above, the Directors are of the view that the Rights Issue will allow the Group to strengthen its capital structure to support its business operation and development, without incurring additional debt financing cost. Furthermore, the Rights Issue will afford the Qualifying Shareholders the equal opportunity to subscribe for their respective pro rata provisional entitlement to the Rights Shares and hence avoid dilution of their shareholding interests in the Company. Therefore, the Directors are of the view that the Rights Issue is in the interests of the Company and the Shareholders as a whole.

FUND RAISING ACTIVITIES OF THE COMPANY IN THE PAST 12 MONTHS

The Company has not conducted any equity fund raising activities in the past 12 months immediately before the Latest Practicable Date.

LISTING RULES IMPLICATIONS

As the proposed Rights Issue will not increase the number of issued Shares or the market capitalisation of the Company by more than 50% (on its own or when aggregated with any other rights issues or open offers announced by the Company (i) within the 12 month period immediately preceding the announcement of the proposed Rights Issue or (ii) prior to such 12 month period where dealing in respect of the Shares issued pursuant thereto commenced within such 12 month period, together with any bonus securities, warrants or other convertible securities (assuming full conversion) granted or to be granted to Shareholders as part of such rights issues or open offers) and the Rights Issue is not underwritten by a Director, chief executive or substantial shareholder of the Company (or any of their respective close associates), the Rights Issue is not conditional upon approval by the Shareholders.

The Rights Issue does not result in a theoretical dilution effect of 25% or more on its own. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

WARNING OF THE RISKS OF DEALING IN THE SHARES AND NIL-PAID RIGHTS

Shareholders and potential investors of the Company should note that the Rights Issue is subject to fulfilment of conditions including, among other things, the Stock Exchange granting the listing of, and permission to deal in, the Rights Shares in their nil-paid and fully-paid forms. Any dealing in the Shares from the date of this Prospectus up to the date on which all the conditions of the Rights Issue are fulfilled, and any Shareholder dealing in the Rights Shares in nil-paid form will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed. 3. WORKING CAPITAL

The Directors, after due and careful consideration, are of the opinion that, taking into account the financial resources available to the Group and the estimated net proceeds from the Rights Issue, the Group will have sufficient working capital for its present requirements, that is for at least the next 12 months from the date of publication of this Prospectus.

4. MATERIAL ADVERSE CHANGE

As at the Latest Practicable Date, save for the loss attributable to owners of the Company of approximately HK\$22.9 million recorded for the six months ended 31 August 2024 as disclosed in the 2024 Interim Results Announcement, so far as was known to the Directors, there are no material adverse change in the financial or trading position of the Group as at 29 February 2024, the date to which the latest published audited financial statements of the Group were made up.

5. FINANCIAL AND TRADING PROSPECTS OF THE GROUP

The Group is an integrated financial and securities services provider licensed to conduct type 1 (dealing in securities), type 2 (dealing in futures contracts), type 4 (advising on securities), type 6 (advising on corporate finance) and type 9 (asset management) regulated activities under the SFO and money lending business under the Money Lenders Ordinance (Chapter 163 of the Laws of Hong Kong).

The Group provides a wide range of financial and securities services to its clients. Its services cover corporate finance advisory services including (i) IPO sponsorship services; (ii) financial and independent financial advisory services; and (iii) compliance advisory services, placing and underwriting services, dealing and brokerage services for securities trading and futures contracts trading, securities financing services, research services, asset management services and money lending services.

As disclosed in the 2024 Interim Results Announcement, the Group recorded a revenue of approximately HK\$93.7 million, representing an increase of approximately 680.5%, from approximately HK\$12.0 million for the six months ended 31 August 2023. Such significant increase was mainly attributable to successfully (i) securing more clients requiring different corporate finance advisory services; (ii) expanding the product and service coverage of its placing and underwriting business to include debt capital markets; and (iii) increasing secured personal loan services under its money lending business. The Group recorded a loss attributable for the owners of the Company for the six months ended 31 August 2024 of approximately HK\$22.9 million as compared to the profit attributable to owners of the Company of approximately HK\$9.3 million for the six months ended 31 August 2023. The net loss was mainly due to the net unrealised loss on financial assets at fair value through profit or loss by approximately HK\$15.4 million for the six months ended 31 August 2024, as compared with the net unrealised gain on financial assets at fair value through profit or loss of approximately HK\$19.5 million for the corresponding period.

As disclosed in the annual report of the Company for the year ended 29 February 2024, the Group recorded a revenue of approximately HK\$32.7 million, representing a decrease of approximately 28.1% from approximately HK\$45.5 million for the year ended 28 February 2023. Such decrease was primarily due to the decrease in daily trading turnover, the number of newly listed companies on the Stock Exchange and the total amount of fund raised from newly listed companies during the year. The Group recorded profit attributable to owners of the Company for the year ended 29 February 2024 of approximately HK\$1.8 million as compared to a loss of approximately HK\$6.6 million for the year ended 28 February 2023. The turnaround to net profit was primarily attributable to (i) an increase in other gains of approximately HK\$21.8 million as a result of increase realised and unrealised gains on financial assets at fair value through profit or loss and offset by the decrease in revenue as aforesaid.

As disclosed in the annual report of the Company for year ended 28 February 2023, the Group recorded a revenue of approximately HK\$45.5 million, representing an increase of approximately 30.3% from approximately HK\$35.0 million for the year ended 28 February 2022. Such increase was attributable to completing more IPO sponsorship projects, achieving a higher trading volume of the securities dealing and brokerage business and generating higher interest income from the securities financing business as compared to the year ended 28 February 2022. The Group recorded loss attributable to owners of the Company of approximately HK\$6.6 million for the year ended 28 February 2023 as compared to a loss of approximately HK\$22.5 million for the year ended 28 February 2022. The decrease in loss was primarily due to the increase in revenue as aforesaid.

As the US Federal Reserve announced to lower its benchmark interest rate in September 2024 indicating the end of hiking cycle, investor sentiment has improved. The PRC government launched a basket of robust policies to stimulate property market and boost the economy in September 2024. The Hong Kong's initial public offering (IPO) market has shown signs of gradual recovery with over 100 new applications so far this year. Despite the improving market sentiment, the Group anticipates a challenging operational environment for the remainder of the year. The Group will continue to reinforce the development of the existing business segments by widening its product scope, range of services and customer base. In the meantime, the Group will strive to seek for business opportunities to diversify its business development into new business lines.
