**VOLUNTARY ANNOUNCEMENT IN RELATION TO
UPDATE ON DETERMINATION ON ANTI-DUMPING INVESTIGATION**

Reference is made to the voluntary announcement issued by Prinix Chengshan Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) on 16 May 2024 in respect of the anti-dumping investigation against truck and bus tires imported from Thailand announced by the U.S. Department of Commerce on 7 November 2023.

The Company would like to update its shareholders and potential investors of the Company that it has recently been informed that the final dumping rate as finally affirmatively determined by the U.S. Department of Commerce applicable to Prinix Chengshan Tire (Thailand) Co., Ltd., a wholly-owned subsidiary of the Company, is 12.33%. While the final affirmative determination from the U.S. International Trade Commission is expected to take place on 25 November 2024 before the issuance of order which is expected to take place on 2 December 2024, the U.S. International Trade Commission has determined that a U.S. industry is materially injured by reason of imports of truck and bus tires from Thailand that the U.S. Department of Commerce has determined are sold in the United States at less than fair value.

For the year ended 31 December 2023, the Group’s revenue attributable to the All Steel Radial Tires (the tires for trucks and buses) manufactured at the tire production base in Thailand which were exported to the U.S. and would have subject the Group to the anti-dumping duty amounted to less than 5% of the Group’s total revenue.

For details, please refer to the announcement from the U.S. Department of Commerce (<https://www.trade.gov/final-determination-ad-investigation-truck-and-bus-tires-thailand>).
