PROFIT ALERT

This announcement is made by Sterling Group Holdings Limited (the “**Company**”, together with its subsidiaries as the “**Group**”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provision (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform its shareholders and potential investors that, based on its preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 September 2024 (the “**Period**”), the Group is expected to record a net profit of not less than HK\$3.0 million for the Period as compared to a net loss of approximately HK\$8.0 million for the six months ended 30 September 2023.

The expected net profit of the Group for the Period was principally due to: (i) the decrease of the provision of an expected credit loss recognised on trade and other receivables (“**ECL**”) of not less than HK\$9.9 million and (ii) the higher gross profit margin attributed to better cost control by the Group and higher efficiency at the manufacturing operations during the Period.

As at the date of this announcement, the Company is still in the process of finalising the unaudited consolidated interim results of the Group for the Period. The information in this announcement is only based on a preliminary assessment by the Board of the latest unaudited consolidated management accounts of the Group and the information currently available to the Board, which have not been confirmed or finalised by the audit committee of the Board and may therefore be subject to revisions and adjustments.

Shareholders and potential investors are advised to read carefully the unaudited financial information of the Group for the Period in the interim results announcement of the Company, which is expected to be published by the end of November 2024 in accordance with the Listing Rules.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
