1.6. Changes in the share capital of our subsidiaries

The subsidiaries of our Company are listed in the Accountants’ Report, the text of which is set out in Appendix I to this document. Apart from the alterations disclosed in paragraph 1.4. under this appendix and the paragraph headed “History, Reorganisation and Group Structure — Corporate development” in this document, there has been no alteration in the share capital of any of the subsidiaries of our Company within the two years immediately preceding the date of this document.

1.7. Repurchases by our Company of our own securities

This section includes information required by the Stock Exchange to be included in the document concerning the repurchase of our Shares by our Company.

(a) Provisions of the Listing Rules

The Listing Rules permit companies with a primary [REDACTED] on the Stock Exchange to purchase their shares on the Stock Exchange subject to certain restrictions, the more important of which are summarised below:

(i) Shareholders’ approval

The Listing Rules provide that all proposed repurchases of shares (which must be fully paid in the case of shares) by a company with a primary [REDACTED] on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval of a specific transaction.

(ii) Source of funds

Repurchases must be funded out of funds legally available for the purpose in accordance with the Articles, the Listing Rules and the Companies Act. Our Company must not repurchase our own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

Subject to the foregoing, any repurchases by our Company may be made out of profits or our Company’s share premium account or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase and, in the case of any premium payable on the repurchase, out of profits of our Company or out of our Company’s share premium account before or at the time our Shares are repurchased. Subject to satisfaction of the solvency test prescribed by the Companies Act, a repurchase of Shares may also be paid out of the share capital of the Company.

(iii) Trading Restrictions

The total number of shares which our Company may repurchase on the Stock Exchange is the number of shares representing up to a maximum of 10% of the aggregate number of shares in issue. Our Company may not issue or announce a proposed issue of new securities for a period of 30 days immediately following a repurchase whether on the Stock Exchange or otherwise (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of the Stock Exchange. In addition, our Company is prohibited from repurchasing our Shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which our Shares were traded on the Stock Exchange. The Listing Rules also prohibit our Company from repurchasing our securities which would result in the number of the [REDACTED] which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange. Our Company is required to procure that the broker appointed by it to effect a repurchase of securities discloses to the Stock Exchange such information with respect to the repurchase as the Stock Exchange may require.

(iv) Status of repurchased shares

All repurchased securities (whether effected on the Stock Exchange or otherwise) will be automatically [REDACTED] and the certificates for those securities must be cancelled and destroyed.

(v) Suspension of repurchase

Our Company shall not make any repurchase of securities on the Stock Exchange at any time after inside information has come to its knowledge until the information is made publicly available. In particular, during the period of one month immediately preceding the earlier of (a) the date of the Board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of our Company’s results for any year, half year, quarterly or any other interim period (whether or not required under the Listing Rules) and (b) the deadline for publication of an announcement of our Company’s results for any year or half year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

Rules), and ending on the date of the results announcement, we may not repurchase our Shares on the Stock Exchange other than in exceptional circumstances. In addition, the Stock Exchange may prohibit a repurchase of securities on the Stock Exchange if a listed company has breached the Listing Rules.

(vi) Reporting requirements

Certain information relating to repurchases of securities on the Stock Exchange or otherwise must be reported to the Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following business day. In addition, our Company’s annual report is required to disclose details regarding repurchases of securities made during the year, including a monthly analysis of the number of securities repurchased, the purchase price per share or the highest and lowest price paid for all such purchase, where relevant, and the aggregate prices paid.

(vii) Core connected persons

The Listing Rules prohibit our Company from knowingly repurchasing our Shares on the Stock Exchange from a “core connected person” (which includes a Director, chief executive or substantial shareholder of our Company or any of our subsidiaries or a close associate of any of them) and a core connected person shall not knowingly sell Shares to our Company.

(b) Reasons for repurchases

Our Directors believe that the ability to repurchase Shares is in the interests of our Company and our Shareholders. Repurchases may, depending on the circumstances, result in an increase in the net assets and/or earnings per Share. Our Directors have sought the grant of a general mandate to repurchase Shares to give our Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by our Directors at the relevant time having regard to the circumstances then pertaining.

(c) Funding of repurchases and impact on working capital or gearing position

In repurchasing Shares, our Company may only apply funds legally available for such purpose in accordance with the Articles, the Listing Rules and the applicable laws of the Cayman Islands.

There could be a material adverse impact on the working capital or gearing position of our Company (as compared with the position disclosed in this document) in the event that the Repurchase Mandate were to be carried out in full at any time during the share repurchase period.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

Our Directors do not propose to exercise the Repurchase Mandate to such extent as it would, in the circumstances, have a material adverse effect on the working capital requirements of our Company or the gearing levels which in the opinion of our Directors are from time to time appropriate for our Company.

(d) General

The exercise in full of the Repurchase Mandate, on the basis of [REDACTED] Shares in issue immediately following the completion of the Capitalisation Issue and the [REDACTED] without taking into account any Shares which may be issued pursuant to the exercise of the [REDACTED] or any options that may be granted under the Share Option Scheme, could accordingly result in up to approximately [REDACTED] Shares being repurchased by our Company during the period prior to the earliest occurrence of any of the following:

- (i) the conclusion of the next annual general meeting of our Company; or
- (ii) the date by which the next annual general meeting of our Company is required by the Articles of Association or the Companies Act to be held; or
- (iii) the passing of an ordinary resolution by our Shareholders revoking or varying the authority given to our Directors.

None of our Directors or, to the best of their knowledge having made all reasonable enquiries, any of their close associates, has any present intention if the Repurchase Mandate is exercised to sell any Shares to our Company.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of our Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase. Our Directors are not aware of any consequence that would arise under the Takeovers Code as a result of a repurchase pursuant to the Repurchase Mandate.

Any repurchase of Shares that results in the number of Shares held by the public being reduced to less than 25% of the Shares then in issue could only be implemented if the Stock Exchange agreed to waive the Listing Rules requirements regarding the public shareholding referred to above. It is believed that a waiver of this provision would not normally be given other than in exceptional circumstances.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

No core connected person of our Company has notified our Company that he or she has a present intention to sell Shares to our Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

Our Directors confirmed that the Repurchase Mandate does not contain any unusual features.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(ii) Who may participate

The Board (including any committee or delegate of the Board appointed by the Board to perform any of its functions pursuant to the rules of the Share Option Scheme) may, at its absolute discretion, offer to grant an option to subscribe for such number of Shares as the Board may determine to any of the following classes of participants:

- (i) any director and employee of any member of our Group;
- (ii) any director or employee of any of the holding companies, fellow subsidiaries or associated companies of our Company; and
- (iii) any person (including an entity) that provides services to us on a continuing or recurring basis in its ordinary and usual course of business which are in the interests of our long term growth (the “**Service Provider(s)**”).

The basis of eligibility of any of the participants shall be determined by the Board from time to time. In assessing the eligibility of any participant, the Board will consider all relevant factors as appropriate, including, among others, (i) work performance; (ii) years of service; and (iii) potential or actual contribution to the business of the Group (if the participant is an employee or a director of any member of our Group), the actual degree of involvement in and/or cooperation with us and length of our business relationship with the participant (if the participant is a Service Provider). The basis of eligibility of any of the Service Provider participants to the grant of any options shall be determined by us from time to time on the basis of their contribution to our development and growth, the degree of involvement in and/or cooperation with our Group and length of our business relationship with the Service Provider participant, and the actual or potential support, advice, efforts and contributions the Service Provider participant has exerted and given towards our success.

For the avoidance of doubt, the grant of any options by our Company for the subscription of Shares or other securities of our Group to any person who falls within any of these classes of participants shall not, by itself, unless our Directors otherwise so determine, be construed as a grant of option under the Share Option Scheme.

(iii) Scheme Mandate Limit and the Service Provider Sublimit

The maximum number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme must not in aggregate exceed 10% of the total number of Shares in issue as of the [REDACTED], being [REDACTED] Shares, or such higher limit as the Stock Exchange may allow pursuant to a waiver granted at the Stock Exchange’s discretion (the “**Scheme Mandate Limit**”). Options lapsed in accordance with the terms of the Share

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

Option Scheme and any Other Scheme (as defined below) of our Company will not be counted for the purpose of calculating the Scheme Mandate Limit.

Subject to above, within the Scheme Mandate Limit, the total number of Shares which may be issued upon exercise of all options to be granted to Service Providers shall not exceed [REDACTED] Shares, representing 1% of the total number of Shares in issue on the [REDACTED] (the “**Service Provider Sublimit**”).

The Service Provider Sublimit was determined with reference to the potential dilution effect arising from grants to Service Providers, the actual or expected improvement of our financial performance that is attributable to the Service Providers and the time for using the Service Provider in the activities of our Group. Considering the fact that the individual limit under Rule 17.03D(1) of the Listing Rules is also 1%, there is no other share schemes involving grant of new options over our Shares, our hiring practice and organisational structures and that Service Providers have contributed or is expected to contribute to our long-term growth of our Group’s business, the Board is of the view that the Service Provider Sublimit is appropriate and reasonable.

The Board may, with the approval of the Shareholders in general meeting, refresh the Scheme Mandate Limit and the Service Provider Sublimit once every three years provided that the total number of Shares which may be issued upon the exercise of all options to be granted under the Share Option Scheme and any other share option schemes (“**Other Schemes**”) of our Company as refreshed must not exceed 10% of the Shares in issue as at the date of approval of the refreshment of the Scheme Mandate Limit and the Service Provider Sublimit. Refreshments of Scheme Mandate Limit (and the Service Provider Sublimit) to be made within a three-year period must be approved by the Shareholders (other than our Controlling Shareholders and their associates, or if there is no Controlling Shareholder, other than the Directors (excluding independent non-executive Directors), and the chief executive of our Company and their respective associates) pursuant to Rule 17.03C(1) of the Listing Rules. The Board may, with the approval of the Shareholders in general meeting, grant options to any Eligible Person specifically identified by them which would cause the Scheme Mandate Limit and/or the Service Provider Sublimit to be exceeded. Our Company shall send to the Shareholders a circular containing the information required under the Listing Rules for the purpose of seeking the approval of the Shareholders.

At any time, the maximum number of Shares which may be issued upon exercise of all outstanding options granted and not yet exercised under the Share Option Scheme and any Other Schemes of our Company to the Eligible Persons must not exceed 30% of the total number of Shares in issue from time to time.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

The maximum number of Shares in respect of which options may be granted shall be adjusted, in such manner as the auditors of our Company or independent financial adviser appointed by the Board shall certify in writing to the Board to be fair and reasonable, in the event of any alteration in the capital structure of our Company whether by way of capitalisation of profits or reserves, rights issue, consolidation or subdivision of shares, or reduction of the share capital of our Company provided that no such adjustment shall be made in the event of an issue of Shares as consideration in respect of a transaction.

Our Company may grant options under the Share Option Scheme and any Other Schemes of our Company beyond any of the limits as set out above to such extent as may be permitted under the Listing Rules from time to time.

(iv) Maximum entitlement of each individual

No options shall be granted to any Eligible Person under the Share Option Scheme and any Other Schemes of our Company which, if exercised, would result in such Eligible Person becoming entitled to subscribe for such number of Shares as, when aggregated with the total number of Shares already issued or to be issued to him under all options granted to him (including exercised, cancelled and outstanding Options) in the 12-month period up to and including the date of offer of such options, exceeds 1% of the Shares in issue at such date or such higher limit as the Stock Exchange may allow pursuant to a waiver granted at the Stock Exchange’s discretion.

Any further grant of options to an Eligible Person in excess of this 1% limit or such higher limit as the Stock Exchange may allow pursuant to a waiver granted at the Stock Exchange’s discretion shall be subject to the approval of the Shareholders in general meeting with such Eligible Person and his close associates (or if such Eligible Person is a connected person of our Company, his associates) abstaining from voting. Our Company must send a circular to the Shareholders disclosing the identity of the Eligible Person, the number and terms of the options to be granted (and options previously granted to such Eligible Person in the 12-month period) and such other information required under the Listing Rules.

The number and terms (including the Option Price) of the options to be granted to such Eligible Person must be fixed before the Shareholders’ approval and the date of the Board meeting for proposing such further grant shall be taken as the date of grant for the purpose of calculating the exercise price under Rule 17.03E of the Listing Rules.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(v) Grant of options to connected persons

Each grant of options to a Director (including an independent non-executive Director), chief executive or substantial shareholder of our Company, or any of their respective associates, under the Share Option Scheme must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the proposed grantee of the options).

Where any grant of options to a substantial shareholder or an independent non-executive Director of our Company, or any of their respective associates, would result in the Shares issued and to be issued upon exercise of all options already granted and to be granted under the Share Option Scheme (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:

- (a) representing in aggregate over 0.1% of the Shares in issue; and
- (b) having an aggregate value, based on the closing price of the Shares at the date of each grant, in excess of HK\$5 million,

such further grant of options by the Board must be approved by the Shareholders in general meeting. Such grantee, his associates and all core connected persons of our Company must abstain from voting on the resolution to approve such further grant of options. Our Company shall send to the Shareholders a circular containing the information required under the Listing Rules for the purpose of seeking the approval of the Shareholders.

(vi) Acceptance of an offer of options

An offer of options shall be open for acceptance for such period (not exceeding 30 days inclusive of, and from, the date of offer) as the Board may determine and notify to the Eligible Person concerned provided that no such offer shall be open for acceptance after the expiry of the duration of the Share Option Scheme. An offer of options not accepted within this period shall lapse. An amount of HK\$1.00 is payable upon acceptance of the grant of an option and such payment shall not be refundable and shall not be deemed to be a part payment of the Option Price.

(vii) Option Price

Subject to any adjustment made as described in sub-paragraph (xxi) below, the Option Price shall be such price as determined by the Board and shall not be less than the higher of:

- (a) the closing price of the Shares as stated in the Stock Exchange’s daily quotations sheet on the date of offer of the option;

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

- (b) the average closing price of the Shares as stated in the Stock Exchange’s daily quotations sheets for the five trading days immediately preceding the date of offer of the option; and
- (c) the nominal value of the Shares.

(viii) Duration of Share Option Scheme

The Share Option Scheme shall be valid and effective for a period of 10 years commencing on the [REDACTED], after which period no further options will be granted but the provisions of the Share Option Scheme shall remain in full force and effect to the extent necessary to give effect to the exercise of any options granted prior thereto which are at that time or become thereafter capable of exercise under the Share Option Scheme, or otherwise to the extent as may be required in accordance with the provisions of the Share Option Scheme.

(ix) Time of vesting and exercise of options

Any option shall be vested on an Option-holder immediately upon his acceptance of the offer of options provided that if any vesting schedule and/or conditions are specified in the offer of the option, such option shall only be vested on an Option-holder according to such vesting schedule and/or upon the fulfilment of the vesting conditions (as the case may be). Any vested option which has not lapsed and which conditions have been satisfied or waived by the Board in its sole discretion may, unless the Board determines otherwise in its absolute discretion, be exercised at any time from the next business day after the offer of options has been accepted. Any option which remains unexercised shall lapse upon the expiry of the option period, which period shall be determined by the Board and shall not exceed 10 years from the offer date of the option or such longer period as the Stock Exchange may allow pursuant to a waiver granted at the Stock Exchange’s discretion (the “**Option Period**”).

An option shall be subject to such terms and conditions (if any) as may be determined by the Board and specified in the offer of the option, including any vesting schedule and/or conditions, any minimum period for which any option must be held before it can be exercised and/or any performance target which needs to be achieved by an Option-holder before the option can be exercised. Such terms and conditions determined by the Board must not be contrary to the purpose of the Share Option Scheme and must be consistent with such guidelines (if any) as may be approved from time to time by the Shareholders.

No option may be exercised in circumstances where such exercise would, in the opinion of the Board, be in breach of a statutory or regulatory requirement.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(x) Restriction on the time of grant of options

A grant of options may not be made after inside information has come to our knowledge until (and including) the trading day after which such inside information has been announced as required under the Listing Rules. In particular, no option may be granted during the period commencing one month immediately preceding the earlier of:

Except for the transmission of an option on the death of an Option-holder to his personal representatives, neither the option nor any rights in respect of it may be transferred, assigned or otherwise disposed of by any Option-holder to any other person or entity. If an Option-holder transfers, assigns or disposes of any such option or rights, whether voluntarily or involuntarily, then the relevant option will immediately lapse.

(xiii) Rights on voluntary resignation

If an Option-holder ceases to be an Eligible Person by reason of his voluntary resignation (other than in circumstances where he is constructively dismissed), any outstanding offer of options shall continue to be open for acceptance for such period as determined by the Board at its absolute discretion and notified to such Eligible Person, and all options (to the extent vested but not

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

already exercised) will continue to be exercisable for such period as the Board may determine at its absolute discretion and notify to such Eligible Person on the date of cessation of employment of such Eligible Person.

(xiv) Rights on termination of employment

If an Option-holder ceases to be an Eligible Person by reason of (a) his employer terminating his contract of employment in accordance with its terms or any right conferred on his employer by law, or (b) his contract of employment, being a contract for a fixed term, expiring and not being renewed, or (c) his employer terminating his contract for serious or gross misconduct, then any outstanding offer of an option and all options, vested or unvested, will lapse on the date the Option-holder ceases to be an Eligible Person.

(xv) Rights on death, disability, retirement and transfer

STATUTORY AND GENERAL INFORMATION

would otherwise lapse so that such options do not lapse but continue to subsist in accordance with (and subject to) the provisions of the Share Option Scheme,

then, any outstanding offer of an option which has not been accepted and any unvested option will lapse and the Option-holder or his personal representatives (if appropriate) may exercise all his options (to the extent vested but not already exercised) within a period of one month of the date of cessation of employment. Any option not exercised prior to the expiry of this period shall lapse.

If the Board determines that an Option-holder who ceases to be an Eligible Person in circumstances such that his options continue to subsist in accordance with (h) above:

- (a) is guilty of any misconduct which would have justified the termination of his contract of employment for cause but which does not become known to our Company until after he has ceased employment with any member of our Group or associated companies of our Company; or
- (b) is in breach of any material term of contract of employment (or other contract or agreement related to his contract of employment), without limitation, any confidentiality agreement or agreement containing non-competition or non-solicitation restrictions between him and any member of our Group or associated companies of our Company; or
- (c) has disclosed trade secrets or confidential information of any member of our Group or associated companies of our Company; or
- (d) has entered into competition with any member of our Group or associated companies of our Company or breached any non-solicitation provisions in his contract of employment,

then it may, in its absolute discretion, determine that any unexercised options, vested or not vested, held by the Option-holder shall immediately lapse upon the Board resolving to make such determination (whether or not the Option-holder has been notified of the determination).

(xvi) Rights on cessation to be a director

In the event that any director ceases to be a director of any member of the Group or associated companies of our Company, our Company shall, as soon as practicable thereafter, give notice to the relevant Option-holder who as a result ceases to be an Eligible Person. Any outstanding offer of an option which has not been accepted and any unvested option will lapse on the date the Option-holder ceases to be an Eligible Person. The Option-holder (or his personal representative) may exercise all his options (to the extent vested but not already exercised) within a period of one month of the date of the notification by the Board. Any option not exercised prior to the expiry of this period shall lapse.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(xvii) Rights on a general offer

If as a result of any general offer made to the holders of Shares, the Board becomes aware that the right to cast more than 50% of the votes which may ordinarily be cast on a poll at a general meeting of our Company has or will become vested in the offeror, any company controlled by the offeror and any person associated with or acting in concert with the offeror, the Board will notify every Option-holder of this within 14 days of becoming so aware or as soon as practicable after any legal or regulatory restriction on such disclosure no longer applies. Each Option-holder will be entitled to exercise his options (to the extent vested but not already exercised) during the period of one month starting on the date of the Board’s notification to the Option-holders. All options, vested or unvested, not exercised before the end of such period will lapse.

(xviii) Rights on company reconstructions

In the event of a compromise or arrangement, our Company shall give notice to all Option-holders on the same date as it gives notice of the meeting to the Shareholders or creditors to consider such a compromise or arrangement and each Option-holder (or his personal representative) may at any time thereafter, but before such time as shall be notified by our Company, exercise all or any of his options (to the extent vested but not already exercised), and subject to our Company receiving the exercise notice and the Option Price, our Company shall as soon as possible and in any event no later than the business day immediately prior to the date of the proposed general meeting, allot, issue and register under the name of the Option-holder such number of fully paid Shares which fall to be issued on exercise of such options. Any options, vested or not unvested, not so exercised will lapse.

(xix) Rights on winding up

In the event a notice is given by our Company to the Shareholders to convene a general meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind up our Company, our Company shall on the same date as or soon after we dispatch such notice to the Shareholders give notice thereof to all Option-holders and each Option-holder shall be entitled to exercise all or any of his options (to the extent vested but not already exercised) at any time no later than seven days prior to the proposed general meeting of our Company, and subject to our Company receiving the exercise notice and the Option Price, our Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting, allot, issue and register under the name of the Option-holder such number of fully paid Shares which fall to be issued on exercise of such options. Any options, vested or not unvested, not so exercised will lapse.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(xx) Lapse of option

An option will lapse on the earlier of:

- (a) the expiry of the option period as determined by the Board; or
- (b) the date when any circumstance referred to in paragraph (xii) above occurs; or
- (c) the expiry of the time provided for in the applicable rule where any of the circumstances provided in paragraphs (xiii) to (xix) above apply.

(xxi) Effect of alteration to share capital

In the event of any alteration in the capital structure of our Company whilst any option remains exercisable, whether by way of capitalisation of profits or reserves, further rights issues of Shares, consolidation or subdivision of shares, or reduction of the share capital of our Company in accordance with applicable laws and regulatory requirements (other than an issue of any share capital as consideration in respect of a transaction), such corresponding adjustments (if any) shall be made to the number of Shares, the subject matter of the option (insofar as it is unexercised) and/or the price at which the options are exercisable, as the auditors of our Company or an independent financial adviser appointed by the Board shall certify in writing to the Board to be in their opinion fair and reasonable.

Any such adjustments shall be made on the basis that an Option-holder shall have the same proportion of the issued share capital of our Company as that to which he was entitled before such adjustment. No such adjustment shall be made the effect of which would be to enable any Share to be issued at less than its nominal value, or to increase the proportion of the issued share capital of our Company for which any Option-holder would have been entitled to subscribe had he exercised all the options held by him immediately prior to such adjustments.

The auditors of our Company or the independent financial adviser appointed by the Board (as appropriate) must confirm to the Board in writing that the adjustment satisfies the requirements of the Note to paragraph 17.03(13) of the Listing Rules and such applicable guidance and/or interpretation of the Listing Rules from time to time issued by the Stock Exchange, except where such adjustment is made on a capitalisation issue.

The capacity of the auditors or independent financial advisers mentioned above is that of experts and not of arbitrators and their certification shall be final and binding on our Company and the Option-holders in the absence of fraud or manifest error. The costs of the auditors or independent financial advisers shall be borne by our Company.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(xxii) Cancellation of option

Unless the Option-holder agrees, the Board may only cancel an option (which has been granted but not yet exercised) if, at the election of the Board, either:

- (a) our Company pays to the Option-holder an amount equal to the fair market value of the option at the date of cancellation as determined by the Board at its absolute discretion, after consultation with the auditors of our Company or an independent financial adviser appointed by the Board; or
- (b) the Board offers to grant the Option-holder replacement options (or options under any other share option scheme of any member of the Group) or makes such arrangements as the Option-holder may agree to compensate him for the loss of the option; or
- (c) the Board makes such arrangements as the Option-holder may agree to compensate him for the cancellation of the option.

Where our Company cancels options granted to a participant and makes a new grant to the same participant, such new grant may only be made under the Share Option Scheme with available Scheme Mandate Limit approved by the Shareholders. The options cancelled will be regarded as utilised for the purpose of calculating the Scheme Mandate Limit.

(xxiii) Termination of the Share Option Scheme

The Share Option Scheme will expire automatically on the day immediately preceding the tenth anniversary of the [REDACTED]. The Board may terminate the Share Option Scheme at any time without Shareholders’ approval by resolving that no further options shall be granted under the Share Option Scheme and in such case, no new offers to grant options under the Share Option Scheme will be made and any options which have been granted but not yet exercised shall either (a) continue subject to the Share Option Scheme, or (b) be cancelled in accordance with paragraph (xxii).

(xxiv) Amendments to the Share Option Scheme

The Board may amend any of the provisions of the Share Option Scheme (including amendments in order to comply with changes in legal or regulatory requirements) at any time (but not so as to affect adversely any rights which have accrued to any Option-holder at that date), except that any amendments to the terms and conditions of the Share Option Scheme which are of a material nature or any amendments to the advantage of present or future Option-holders in respect of matters contained in Rule 17.03 of the Listing Rules may only be made

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

with the approval of the shareholders of our Company save where the amendments take effect automatically under the existing terms of the Share Option Scheme.

Any amendments to the terms of options granted to an Option-holder who is a substantial shareholder of our Company or an independent non-executive Director, or any of their respective associates, must be approved by the Shareholders in general meeting. The resolution to approve the amendment must be taken on a poll and any connected person of our Company must abstain from voting on the resolution to approve such amendment, except that such a connected person may vote against such resolution.

Any change to the authority of the Board in relation to any amendment of the rules of the Share Option Scheme may only be made with the approval of the Shareholders in general meeting.

(xxv) Conditions of the Share Option Scheme

The adoption of the Share Option Scheme is conditional on:

- (a) the [REDACTED] granting (or agreeing to grant) approval (subject to such conditions as the Stock Exchange may impose) for the [REDACTED] of, and permission to deal in, the Shares which may fall to be issued pursuant to the exercise of any options which may be granted under the Share Option Scheme; and
- (b) the commencement of the [REDACTED] in the Shares on the Stock Exchange.

If the condition above are not satisfied on or before the date following six months after the date on which the Share Option Scheme was conditionally adopted:

- (a) the Share Option Scheme shall forthwith determine;
- (b) any option granted or agreed to be granted pursuant to the Share Option Scheme and any offer of such a grant shall be of no effect; and
- (c) no person shall be entitled to any rights or benefits or be under any obligation under or in respect of the Share Option Scheme or any option.

An application has been made to the [REDACTED] to the Stock Exchange for the [REDACTED] of, and permission to deal in, the new Shares which may be issued pursuant to the exercise of the options which may be granted pursuant to the Share Option Scheme.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(xxvi) Performance targets

If and to the extent that any performance target is required to be achieved by any grantee before an option is capable of being exercised, such performance target shall be based on, amongst other things, length of continued employment with our Group, business or financial performance results, annual corporate targets or goals achieved, relevant transaction milestones, individual performance, and appraisal on contribution to our Group. There may be instances where it may be impracticable or inappropriate to include specific performance targets as a vesting condition of options. We consider that a grant of options after taking into account actual performance and/or contribution of the individual grantee and appropriate communication to the grantee of such correlation would also have the effect of incentivising and rewarding that grantee for their contribution. It is important that we retain the flexibility to tailor incentives and rewards to achieve the purpose of the Share Option Scheme and to ensure that our Group can continue to offer consistent and market competitive remuneration packages to its employees.

Where a grantee is an independent non-executive Director, the vesting of options shall not be subject to performance targets, unless our Board is satisfied that the existence of such target will not lead to any bias in the decision-making or compromise the objectivity and independence of such grantee in the course of performance by him of his duties as an independent non-executive Director.

(xxvii) Rights are personal to the grantee

An option is personal to the grantee and shall not be transferable or assignable and no grantee shall in any way sell, transfer, charge, mortgage, encumber or otherwise dispose of or create any interest (legal or beneficial) in favour of or enter into any agreement with any other person over or in relation to any option, except for the transmission of an option on the death of the grantee to his personal representative(s) on the terms of this Share Option Scheme, or, subject to the Stock Exchange granting a waiver, on a case-by-case basis, transfer to vehicle (such as a trust or a private company) for the benefit of the participant and any family members of such participant (for example, for estate planning or tax planning purposes) that would continue to meet the purpose of the Share Option Scheme and comply with the requirements under Chapter 17 of the Listing Rules.

(xxviii) Value of options

Our Directors consider it inappropriate to disclose the value of options which may be granted under the Share Option Scheme as if they had been granted as of the Latest Practicable Date. Any such valuation will have to be made on the basis of a certain option pricing model or other method that depends on various assumptions including the exercise price, the exercise period, interest rate, expected volatility and other variables. As no options have been granted, certain variables are not available for calculating the value of options.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

Our Directors believe that any calculation of the value of options granted as of the Latest Practicable Date would be based on a number of speculative assumptions that are not meaningful and would be misleading to investors.

As of the Latest Practicable Date, no option had been granted or agreed to be granted by our Company pursuant to the Share Option Scheme.

Details of the Share Option Scheme, including particulars and movements of the options granted during each financial year of our Company, and our employee costs arising from the grant of the options will be disclosed in our annual report.

(xxix) Compliance with Listing Rules

The Share Option Scheme complies with Chapter 17 of the Listing Rules.

Under the Deed of Indemnity, the Indemnifiers have also undertaken to jointly and severally indemnify and at all times keep the members of our Group and each of them fully indemnified on demand against any depletion in or reduction in value of their assets or any losses (including all legal costs and suspension of operation), costs, expenses, damages or other liabilities which such member of our Group may incur or suffer arising from or in connection with the implementation of the Reorganisation.

Pursuant to the Deed of Indemnity, the Indemnifiers have on a joint and several basis undertaken to indemnify and at all times keep the members of our Group and each of them fully indemnified on demand against:

- (a) any costs, claims, damages, expenses, losses, penalties, liabilities, actions and proceedings which any member of our Group may incur, suffer, accrue, directly or indirectly, from any act of any member of our Group arising from or in connection with any non-compliance of any member of our Group on or before the date of [REDACTED], including but not limited to the non-compliances as disclosed in this document or all litigation, arbitration, claims, counter-claims,

 - (i) the title of any of the properties owned by, leased to or otherwise occupied by the members of our Group in the PRC (“**PRC Properties**”) not being good and/or marketable or being subject to encumbrances (including without limitation the absence of building ownership certificate(s) of any of the PRC Properties as at the [REDACTED]);
