VOLUNTARY ANNOUNCEMENT PROPOSED FURTHER REPURCHASE OF H SHARES BY THE COMPANY UNDER THE SHARE REPURCHASE MANDATE

This announcement is made by Guoquan Food (Shanghai) Co., Ltd. (the “**Company**”) on a voluntary basis.

References are made to (i) the circular (the “**Circular**”) dated May 27, 2024; (ii) the announcement of the poll results at the 2023 annual general meeting held on June 27, 2024; and (iii) the voluntary announcement dated November 5, 2024 of the Company. Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings as those as defined in the Circular.

The Shareholders of the Company resolved at the 2023 annual general meeting to grant a general mandate (the “**Share Repurchase Mandate**”) to the Board to, by reference to market conditions and in accordance with needs of the Company, repurchase the Company’s H Shares not exceeding 10% of the total number of the Company’s H Shares in issue as at June 27, 2024. The Share Repurchase Mandate will expire on the earlier of the following dates: a) at the end of the 2024 annual general meeting of the Company; or b) the date on which the general meeting withdraws or amends the Share Repurchase Mandate by passing a special resolution. On November 5, 2024, the Board resolved to repurchase H Shares with its own funds of up to HK\$100 million on the open market since November 6, 2024 pursuant to the Share Repurchase Mandate. As of the date of this announcement, the Company has completed the share repurchase pursuant to the foregoing resolution.

On January 20, 2025, the Board resolved that it intends to continue to further repurchase H Shares with its own funds of up to HK\$100 million on the open market during the period from January 21, 2025 to the expiry date of the Share Repurchase Mandate (the “**H Share Repurchase Plan**”) pursuant to the Share Repurchase Mandate. The actual repurchase price of each H Share for each repurchase by the Company shall not be higher than the average closing market price for the H Shares over the five trading days immediately preceding each repurchase by 5% or more. The H Shares repurchased under the Share Repurchase Mandate may be cancelled or held as treasury Shares.

The Board considers that the current share price does not fully reflect the Company’s intrinsic value and business prospects, and that conducting a share repurchase based on current condition will demonstrate the full confidence of the Company and the management team in its business development prospects and growth potential, ultimately benefiting the Company and creating value for Shareholders.

The Company will conduct the H Share Repurchase Plan in compliance with the articles of association of the Company, the Listing Rules, the Takeovers Code, the Company Law of the People's Republic of China and all applicable laws and regulations to which the Company is subject.

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public Shareholders falling below the minimum percentage required by the Hong Kong Stock Exchange.

Shareholders and potential investors of the Company should note that the exercise of the Share Repurchase Mandate by the Company and the implementation of the H Share Repurchase Plan will be subject to the Company's actual needs and market conditions and will be at the Board's absolute discretion and/or its authorized person(s). There is no assurance of the timing, quantity or price of any H Share repurchase or whether the Company will make any repurchases at all. Shareholders and potential investors of the Company should therefore exercise caution when dealing in the securities of the Company.

By order of the Board
