VOLUNTARY ANNOUNCEMENT

VEHICLE DELIVERY RESULTS FOR JANUARY 2025

The board of directors of XPeng Inc. (the “**Company**” or “**XPENG**”) is pleased to announce its vehicle delivery results for January 2025.

In January 2025, XPENG delivered 30,350 Smart EVs, representing a 268% increase year-over-year, surpassing 30,000 units for the third consecutive month. XPENG MONA M03 has been delivered over 15,000 units per month for two consecutive months. Meanwhile, XPENG P7+ reached 20,000 cumulative deliveries within just two months of launch.

XNGP's monthly active user penetration rate in urban driving reached 87% in January 2025. At the same time, XPENG rolled out its latest XOS version, AI Tianji 5.5.0, introducing “door-to-door” ADAS and other advanced smart driving features, such as the world's first coach vehicle recognizing and bypassing capability, to eligible customers across China. The update brings a seamless smart driving experience to vehicle owners across diverse scenarios, including parking, highways and urban roads.

In January 2025, the Company debuted the right-hand drive version of the XPENG X9 MPV globally at the Singapore Motor Show. In the same month, XPENG has expanded its global business presence by entering the markets of Belgium, Luxembourg, Ireland and Finland.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
