HENAN JINMA ENERGY COMPANY LIMITED

(A joint stock company incorporated in the People's Republic of China with limited liability)

(Stock Code: 6885)

PROFIT WARNING

This announcement is made by Henan Jinma Energy Company Limited (the “**Company**”, together with its subsidiaries, shall be referred to as the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules, namely under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong)).

The board (the “**Board**”) of directors (each a “**Director**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2024, the Group is expected to record a loss of approximately RMB350 million in its total comprehensive income attributable to the owners of the Company (the “**Result**”) for the year ended 31 December 2024 (corresponding period in 2023: Result of approximately RMB23 million income).

Such estimated reduction in the Result is primarily attributable to a decrease in gross profit of the coke segment due to the narrowing of the margin between the price of coal (being the raw material of coke) and the price of coke in the first half of 2024 having continued throughout the year. The Group's margin between its average purchase price of coal and average selling price of coke in the year ended 31 December 2024 dropped by approximately 21% as compared with the year ended 31 December 2023.

The above information is only a preliminary assessment by the Board based on the information currently available to the Group, including the unaudited consolidated management accounts of the Company for the year ended 31 December 2024, which have not been confirmed, reviewed or audited by the Company's auditors or the Audit Committee of the Board, and are subject to finalisation and other possible adjustments. Further details of the Group's financial information for the year ended 31 December 2024 will be disclosed in the Company's annual results announcement, which is expected to be published by the end of March 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
