PROFIT WARNING

This announcement is made by Time Watch Investments Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders of the Company and potential investors that, based on the information currently available to the Company and the preliminary unaudited consolidated results of the Group for the six months ended 31 December 2024 (“**1H FY2025**”), the Group is expected to record a loss attributable to the owners of the Company of approximately HK\$10.9 million for 1H FY2025, as compared to a profit attributable to the owners of the Company of approximately HK\$11.5 million for the six months ended 31 December 2023 (“**1H FY2024**”). The Board considers that such changes were mainly attributable to decrease in revenue caused by the weak sentiment of China’s retail market in the second half of 2024 as a result of the ongoing international trade frictions and global economic fluctuations.

The Company is still in the process of finalizing the consolidated results of the Group for 1HFY2025. As such, the above information is made on a preliminary basis, based on currently available information, and has not been reviewed by the audit committee of the Board or audited or reviewed by the Company's independent auditors. This information is subject to adjustments and finalization of financial results for 1HFY2025. Therefore, the actual results of the Group for 1HFY2025 may differ from the information contained in this announcement. The Group's interim results for 1HFY2025 will be announced in accordance with applicable requirements under the Listing Rules.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company and read the announcement of the interim results of the Company for 1HFY2025 carefully when it is published.
