The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on the information currently available to the Company and the Board’s preliminary review of the unaudited consolidated management accounts of the Group, it is expected to record an increase of approximately 90% to 110% in the profit attributable to shareholders of the Company (the “**Profit Increase**”) for the year ended 31 December 2024 (“**FY2024**”) as compared to the year ended 31 December 2023 (“**FY2023**”).
