### VOLUNTARY ANNOUNCEMENT

This is a voluntary announcement made by Ourgame International Holdings Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”).

As a global mind sports and entertainment conglomerate, the Group has successfully established a mind sports ecosystem that incorporates online games, competitive sports events, programme production, live sports events and offline experience based on mind games. In addition, the Group has organized a variety of card-and-board games as well as eSports tournaments both online and offline. At the same time, the Group has been actively expanding its offline sports industry to create a diversified business portfolio. The Group is committed to the dual-development of “national fitness” and “ice and snow features” to promote the living, specialization and internationalization of sports.

Lianzhong Sports (Beijing) Co., Ltd. (聯眾體育(北京)有限公司) (“**Lianzhong Sports**”), a wholly-owned subsidiary of the Company, has developed the Lianzhong Sports Park in Beijing with the core philosophy of “universal participation and healthy living”. This project integrates sports venues, tournament hosting, youth training and sports socializing, with a view to catering the athletic needs of all age groups. Through community-oriented operations, it also contributes to the establishment of regional sports and cultural landmarks.

Meanwhile, the Company is developing an international ice and snow sports industry chain based in Hong Kong. The Group has been collaborating with various organizations in Hong Kong and internationally, aiming to leverage the synergistic mechanisms between the two places to introduce professional talents to Hong Kong and cultivate specialized personnel for sports and tournament operation, with a view to ultimately achieving the comprehensive ecological construction of the Group’s sports industry chain.

Looking forward, the Group will continue to deepen its cooperation with various sports organizations by engaging in areas such as talent introduction, venue operation, integration of sports and tourism as well as sports brokerage, so as to form an ecological closed-loop of the sports industry. Therefore, the Group will contribute to the development of intellectual sports, national fitness and sports undertakings represented by ice and snow sports.
