POSITIVE PROFIT ALERT

This announcement is made by Yunnan Energy International Co. Limited (the " **Company**", together with its subsidiaries collectively, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and the potential investors that, based on the information currently available and a preliminary assessment of the latest unaudited consolidated management accounts of the Group for the year ended 31 December 2024 (the " **Current Year**"), the Group is expected to record a turnaround to a net profit of not more than HK$1 million, as compared to a net loss of approximately HK$5 million for the year ended 31 December 2023.

Based on the analysis of the information currently available, the expected turnaround from loss to profit for the Current Year was mainly due to the increase in the revenue and gross profit of the supply chain business, which in turn was mainly caused by the increase in demand for certain agricultural commodities and industrial products, including photovoltaic panel, panax notoginseng and pulverized coal.

The Company is still in the process of finalising the annual results of the Group for the Current Year. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available including the unaudited consolidated management accounts of the Group, which have not been audited or reviewed by the Company's auditor or the audit committee of the Board and may be subject to possible adjustments. The annual results of the Group for the Current Year are expected to be published in March 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
