POSITIVE PROFIT ALERT

This announcement is made by Tak Lee Machinery Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Directors**” and the “**Board**”, respectively) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Group’s unaudited consolidated management accounts for the six months ended 31 January 2025 and the information currently available to the Board, the net profit of the Group for the six months ended 31 January 2025 is expected to increase by approximately 60% to 70% as compared to the net profit of the Group recorded for the corresponding period in 2024. The Board considers that the increase in net profit was mainly attributed to the increase in the sales and leasing of heavy equipment, which was driven by the demand arising from the various developments and railway projects, as well as landfill extension projects implemented by the Government of the Hong Kong Special Administrative Region.

As at the date of this announcement, the Company is still in the process of finalising the unaudited consolidated financial results of the Group for the six months ended 31 January 2025. The information contained in this announcement is only based on a preliminary review of the relevant consolidated management accounts of the Group, which have neither been confirmed nor audited by the Company’s independent auditor, nor reviewed by the audit committee of the Board. The announcement of the Group’s unaudited consolidated financial results for the six months ended 31 January 2025 is expected to be published on or about 21 March 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
