PROFIT ALERT

This announcement is made by Cloud Factory Technology Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to rule 13.09(2)(a) of the Rules Governing the Listing of Securities (the “**Listing Rules**”) on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined in the Listing Rules) of Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on a preliminary review of the draft unaudited consolidated management accounts of the Group for the year ended 31 December 2024 (“**FY2024**”) and the information currently available to the Board, the Group is expected to record a consolidated profit attributable to the owners of the Company in the range of approximately RMB11.0 million to RMB13.0 million for FY2024 as compared to the consolidated profit attributable to the owners of the Company of approximately RMB13.9 million for the year ended 31 December 2023. The expected decrease in profit was mainly attributable to (i) the rise in finance costs resulting from the increased bank borrowings; and (ii) the increase in administrative expenses due to the costs associated with additional hiring and increased service fees payable to professional consultants.

The Company is still in the process of finalising the annual results of the Group for FY2024. The information contained in this announcement is based on the Board’s preliminary assessment of the information currently available to the Board including the unaudited consolidated management accounts of the Group for FY2024, which has not been audited or reviewed by the auditors or the audit committee of the Board and is subject to possible adjustments upon further review. Shareholders and potential investors are advised to read the annual results announcement of the Company for FY2024 which is expected to be published by the end of March 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
