LETTER FROM THE BOARD

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the appendices to this circular.

MISCELLANEOUS

This circular is in English and Chinese. In case of any inconsistency, the English version shall prevail.

Yours faithfully,
By order of the Board
Plover Bay Technologies Limited
Chan Wing Hong Alex
Chairman and executive Director

The following is the explanatory statement as required by the Listing Rules to be provided to the Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors at the AGM.

SHARE CAPITAL

As at the Latest Practicable Date, the authorised share capital of the Company was 4,000,000,000 Shares, of which a total of 1,102,657,000 Shares were issued and fully paid.

Subject to the passing of the proposed ordinary resolution to approve the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 110,265,700 Shares during the period from the date of the AGM up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of such authority by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

FUNDING AND IMPACT OF REPURCHASE

Any repurchase of Shares will be made out of funds which are legally available for the purpose in accordance with the Articles of Association and the Companies Law of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, any repurchases by the Company may be made out of profits of the Company, out of the Company's share premium account, out of proceeds of a new issue of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Companies Law of the Cayman Islands, out of capital. Any amount of premium payable on the purchase over the par value of the Shares to be repurchased must be

paid out of profits of the Company or from sums standing to the credit of the Company's share premium account or, if authorised by the Articles of Association and subject to the Companies Law of the Cayman Islands, out of capital.

As compared with the financial position of the Company as at 31 December 2024 (being the date to which the latest audited accounts of the Company were made up), the Directors consider that there might be a material adverse impact on the working capital or the gearing position of the Company in the event that the Repurchase Mandate was to be exercised in full during the proposed repurchase period. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company. No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.

EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors' exercising the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory offer for Shares under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, 756,000,000 Shares of the Company are held by Namlong Development Limited, a company beneficially owned by Mr. Chan Wing Hong Alex, an executive Director and the beneficial Controlling Shareholder of the Company, representing approximately 68.56% of the issued Shares. The shareholding of Mr. Chan Wing Hong Alex will be increased to 76.18% if the Repurchase Mandate were exercised in full.

The Directors are not aware of any consequence under the Takeovers Code as a result of a repurchase of Shares made under the Repurchase Mandate and have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as to result in takeover obligations.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may prescribed as the minimum public shareholding under the Listing Rules).

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) during the six months immediately prior to the Latest Practicable Date.

SHARE PRICES

The Shares are trading on the Stock Exchange and the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous twelve months immediately preceding the Latest Practicable Date are as follows:
