SUPPLEMENTAL ANNOUNCEMENT TO PROFIT WARNING

This announcement is made by Dexin Services Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on the Stock Exchange (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review of the consolidated management accounts of the Group for the year ended 31 December 2024 (“**Reporting Period**”) and a preliminary assessment of the information currently available to the Board, the Group expects to record an expected profit or loss attributable to shareholders for the Reporting Period of not less than RMB38 million as compared to that of approximately RMB61.8 million for the year ended 31 December 2023. The expected decrease in the profit for the Reporting Period was mainly attributable to (i) the provision for impairment of trade and other receivables by the Group; and (ii) a decrease in the gross profit margin of the Group’s operation of certain businesses which fell short of expectations.

The Company is in the process of finalising the consolidated results of the Group for the Reporting Period. The information contained in this announcement (i) is only based on the preliminary assessment and review by the Group’s management according to the information currently available and the consolidated management accounts for the Reporting Period, which have not been reviewed by the Board’s audit committee or audited by the Company’s independent auditors; and (ii) may be subject to amendments and adjustments upon further assessment and review. The audited consolidated results of the Group for the Reporting Period are expected to be published on 25 March 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
