PROFIT WARNING

This announcement is made by China ITS (Holdings) Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the year ended 31 December 2024 (the “**Reporting Year**”) and the information currently available to the Company, the Company expects that the Group will record a profit attributable to owners of the parent of approximately RMB22,100,000 for the Reporting Year, as compared to a profit attributable to owners of the parent of RMB137,200,000 for the corresponding period in 2023, representing a year-on-year decrease of approximately 84%. The expected decrease in profit of the Group is mainly attributable to (i) the relatively significant loss from the changes in the fair value of financial assets during the Reporting Year, as compared to a relatively significant gain on fair value changes on financial assets for the corresponding period in 2023; and (ii) decreases in revenue and gross profit for the Reporting Year as compared to that for the corresponding period in 2023 due to the delay in delivery of certain overseas projects under the railway segment.

The Company is still in the process of preparing the Group’s annual results for the Reporting Year. The above information is only based on the preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available to the Company, and the same has not been confirmed, reviewed or audited by the auditors of the Company. It is expected that the Group’s annual results will be announced on 31 March 2025 in accordance with the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in securities of the Company.
