**CONTINUING CONNECTED TRANSACTIONS
ALUMINIUM SALES CONTRACT**

Reference is made to the announcement of the Company dated 2 January 2025 in relation to the Previously Disclosed Aluminium Sales Contract.

The Company announces that a member of the Group has entered into a contract with an associate of En+, pursuant to which the associate of En+ agreed to buy secondary aluminium products from the member of the Group (the “**New Aluminium Sales Contract**”).

THE NEW ALUMINIUM SALES CONTRACT

Reference is made to the announcement of the Company dated 2 January 2025 in relation to the Previously Disclosed Aluminium Sales Contract.

The Company announces that a member of the Group entered into a contract with the associate of En+, pursuant to which the associate of En+ agreed to buy secondary aluminium products from the member of the Group (the “**New Aluminium Sales Contract**”), with details as set out below.

Date of the contract	Seller (member of the Group)	Contractor (associate of En+)	Scheduled termination date	Estimated volume to be supplied for the year (approximate)	Estimated consideration payable for the year ending 31 December 2025 excluding VAT (USD)	Payment terms
1 April 2025	UC RUSAL Trading House JSC	KRAMZ Ltd	Up to 31 December 2025. In the event that none of the parties declares that the contract is terminated within 30 days prior to the expiration date of the contract, then the duration of this contract will be automatically extended for every subsequent year.	3,000 tons	7,832,968 (Note 1)	Payment to be made within 30 business days of the goods shipment date.
Total estimated consideration payable (USD)					7,832,968	

Note:

1. The price is calculated according to the following formula: Price = LME alloy x rate USD/Ruble, where:

LME alloy is an average value of quotations at the London Metal Exchange Aluminum Alloy official Cash Settlement for the quotation period is from the 25th (inclusive) to the 24th (inclusive) of the month preceding the month of goods shipment.

USD/RUB rate - the price is converted into Russian rubles at the exchange rate of the Central Bank of the Russian Federation for the quotation period from the 25th (inclusive) to the 24th (inclusive) of the month preceding the month of shipment of the goods;

The consideration will be settled in cash via bank transfer.

THE ANNUAL AGGREGATE TRANSACTION AMOUNT

The contract price payable under the New Aluminium Sales Contract has been determined with reference to the market price and on terms no less favourable than those prevailing in the Russian market for secondary aluminium of the same type and quality and those offered by members of the Group to independent third parties customers.

Based on the terms of the New Aluminium Sales Contract and the Previously Disclosed Aluminium Sales Contract, the annual aggregate transaction amount representing the annual cap as required under Rule 14A.68(4) of the Listing Rules that is payable by the associates of En+ to the Group for the financial year ended 31 December 2025 is estimated to be approximately USD257.833 million (excluding VAT). The Company regularly utilizes internal control measures in place to monitor whether the aggregate transaction amount exceed the annual cap.

In accordance with the Order of Federal Antimonopoly Service of the Russian Federation, members of the Group do not have the right to unduly refuse to supply aluminium products to the buyers and are obliged to organise the work in such a way as to ensure the satisfaction of the needs of the buyers of aluminium products in the Russian market subject to the availability of the relevant production capacities, therefore the contract was entered into.

The annual aggregate transaction amount by the Group is estimated by the Directors based on the delivery volume estimated by Directors and the demand from the buyer.

THE AGGREGATION APPROACH

Pursuant to Rule 14A.81 of the Listing Rules, the continuing connected transactions contemplated under the New Aluminium Sales Contract and the Previously Disclosed Aluminium Sales Contract should be aggregated, as they were entered into by the Group with the associates of the same group of connected persons who are parties connected or otherwise associated with one another, and the subject matter of each contract relates to the sales of aluminium by members of the Group.

REASONS FOR AND BENEFITS OF THE TRANSACTION

The Directors consider that the New Aluminium Sales Contract is for the benefit of the Company, as the price of the secondary aluminium products supplied under the New Aluminium Sales Contract is based on the market price of such aluminium products and according to the regulations, the Company must supply aluminium to Russian purchasers, otherwise the Company will be subject to fines.

The Directors (including the independent non-executive Directors) consider that the New Aluminium Sales Contract has been negotiated on an arm's length basis and on normal commercial terms which are fair and reasonable and the transactions contemplated under the New Aluminium Sales Contract is in the ordinary and usual course of business of the Group and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the transactions contemplated under the New Aluminium Sales Contract, save for Mr. Vladimir Kolmogorov, who is the general director of En+ and general director of International limited liability company En+ Holding, a company which is owned by En+, and general director of EN+ Generation Joint Stock Company, a company which is owned by En+, being the holding company of KRAMZ Ltd. Accordingly, Mr. Vladimir Kolmogorov did not vote on the Board resolution approving the New Aluminium Sales Contract.

LISTING RULES IMPLICATIONS

The ultimate beneficial owner of KRAMZ Ltd is En+, which holds more than 90% of the issued share capital of this entity.

KRAMZ Ltd is an indirect subsidiary of En+, and is therefore an associate of En+, which is a Substantial Shareholder of the Company. Accordingly, KRAMZ Ltd is a connected person of the Company under the Listing Rules. Therefore, the transactions contemplated under the New Aluminium Sales Contract constitute continuing connected transactions of the Company.

The estimated annual aggregate transaction amount of the continuing connected transactions under the New Aluminium Sales Contract and the Previously Disclosed Aluminium Sales Contract for the financial year ending 31 December 2025 is more than 0.1% but less than 5% under the applicable percentage ratios. Accordingly, pursuant to Rule 14A.76 of the Listing Rules, the transactions contemplated under these contracts are only subject to the announcement requirements set out in Rules 14A.35 and 14A.68, the annual review requirements set out in Rules 14A.49, 14A.55 to 14A.59, 14A.71 and 14A.72 and the requirements set out in Rules 14A.34 and 14A.50 to 14A.54 of the Listing Rules. These transactions are exempt from the circular and the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

Details of the New Aluminium Sales Contract and the Previously Disclosed Aluminium Sales Contract will be included in the next annual report and accounts of the Company in accordance with Rule 14A.71 of the Listing Rules where appropriate.
