(1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations ("Meeting Location(s)") determined by the Board at its absolute discretion. Any shareholder or any proxy attending and participating in such way or any shareholder or any proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.
- (2) All general meetings are subject to the following:

 - (d) if any of the Meeting Locations is outside the jurisdiction of the Principal Meeting Place and/or in the case of a hybrid meeting, unless otherwise stated in the notice, the provisions of these Articles concerning the service and giving of notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the notice for the meeting.
- (3) The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place and/or any Meeting Location(s) and/or attendance and/or participation and/or voting at an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a shareholder who, pursuant to such arrangements, is unable to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend

- (4) If it appears to the chairman of the general meeting that:
- (a) the electronic facilities at the Principal Meeting Place and/or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 81A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of the meeting; or

All business conducted at the meeting up to the time of any such adjournment or change of electronic facilities shall be valid.

- (5) The Board and, at any general meeting, the chairman of the meeting may make any arrangements, determine and/or impose any requirements, restrictions, procedures or measures which the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and facilitate the orderly and effective conduct of a meeting, including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the inspection of their personal property and the restriction of items that may be taken into the meeting place, obeying any precautionary measures and regulations in relation to prevention and control of spread of disease, and determining the number and frequency of and the time allowed for questions that may be raised at a meeting. Shareholders and their proxies shall also comply with all requirements or restrictions imposed by the owner of

the premises at which the meeting is held. Any decision made by the Board and, at any general meeting, by the chairman of the meeting pursuant this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements, restrictions, procedures or measures may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

- (6) If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Board, in its absolute discretion, considers that it is unreasonable or impractical for any reason to hold the general meeting on the date and/or at the time and/or at the place and/or using the electronic 30 facilities and/or in the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) specified in the notice calling the meeting, it may (a) postpone the meeting to another date and/or time, and/or (b) change the place and/or the electronic facilities and/or the form of the meeting (as a physical meeting, an electronic meeting or a hybrid meeting), without approval from the shareholders. Without prejudice to the generality of the foregoing, the Board shall have the power to provide in every notice calling a general meeting the circumstances in which a postponement and/or change of the relevant general meeting may occur automatically without further notice, including, without limitation, where a number 8 or higher typhoon signal, extreme conditions, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:
- (a) when (i) a meeting is postponed and/or (ii) there is a change in the place and/or the electronic facilities and/or form of the meeting, the Company shall: (X) endeavour to post a notice of such postponement and/or change on the Company's website as soon as reasonably practicable (provided that failure to post such a notice shall not affect the automatic postponement and/or automatic change of such meeting); and (Y) subject to and without prejudice to Article 81, unless already specified in the original notice of the meeting or included in the notice posted on the Company's website above, the Board shall fix the date, time, place (if applicable), electronic facilities (if applicable) and form of the meeting (if applicable) for the postponed and/or changed meeting and shall notify the shareholders of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than forty-eight hours before the time of the postponed and/or changed meeting; and
- (b) notice of the business to be transacted at the postponed and/or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed and/or changed meeting is the same as that set out in the original notice of general meeting circulated to the shareholders.

- (7) All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 81A(4), any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.
- (8) Without prejudice to the other provisions in this Article 81A, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as shall permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting and shall be counted in the quorum of the meeting.
- (9) Without prejudice to the other provisions in this Article 81A, and subject to the Statutes and the Listing Rules, the Board may resolve to enable persons entitled to attend an electronic meeting to do so by simultaneous attendance by electronic means with no shareholder necessarily in physical attendance at the electronic meeting. Each shareholder or its proxy shall be counted in the quorum for, and entitled to vote at, the electronic meeting in question, and that general meeting shall be duly constituted and its proceedings valid if the chairman of the electronic meeting is satisfied that adequate facilities are available throughout the electronic meeting to ensure that shareholders attending the electronic meeting who are not present together at the same place may, by electronic means, attend and speak or communicate and vote at it.

81. At any general meeting a resolution put to the vote at the meeting shall be decided by a poll save that in the case of a physical meeting, the chairman of the meeting may, pursuant to the Listing Rules, allow a resolution to be voted on by a show of hands. Votes may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine at its/his/her absolute discretion to the extent permitted by and in accordance with all applicable laws, rules and regulations, including the Listing Rules. In the case of a physical meeting where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded by: voting by poll
