VOLUNTARY ANNOUNCEMENT – IMPACT OF UNITED STATES TARIFFS ON THE COMPANY’S BUSINESS

This announcement is made by Sun.King Technology Group Limited (the “**Company**”, together with its subsidiaries, collectively referred to as the “**Group**”) on a voluntary basis.

The United States (“**US**”) government has announced additional tariffs on all goods imported into the US. As the Group’s sales are mainly concentrated in China and its revenue is mainly derived from domestic customers, with only minimal exports to the US from its overseas subsidiaries, the board (the “**Board**”) of directors (the “**Directors**”) of the Company is of the view that the imposition of additional tariffs by the US will not have any material adverse impact on the Group’s business and operations. Nevertheless, the Board will continue to monitor changes in the international trading environment and carefully assess any possible impacts.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
