An announcement will be made by the Company after the Annual General Meeting on the results of the Annual General Meeting.

Accordingly, the Board recommends all Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

LETTER FROM THE BOARD

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully
For and on behalf of the Board
Perennial International Limited
Koo Di An, Louise
Chairman

This Appendix I serves as an explanatory statement, as required by the Listing Rules, to provide Shareholders with all the relevant information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution approving the Repurchase Mandate.

1. PROVISIONS OF THE LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the more important of which are summarized below. The Company is empowered by its memorandum of association and bye-laws to repurchase its own shares.

Repurchase must be funded entirely from the Company's available cash flow or working capital facilities, which will be funds legally available for the purpose and in accordance with the memorandum of association and bye-laws of the Company and the Companies Act 1981 of Bermuda (the "**Companies Act**"). Under the Companies Act, a company may only repurchase its shares out of capital paid up on the shares to be repurchased or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for the purpose. According to the Companies Act, any amount of premium payable on a repurchase over the par value of the Shares may only be effected out of funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account.

Such repurchase may only be made if, on the date on which the repurchase is to be effected, there are no reasonable grounds for believing that the Company is, or after the repurchase would be, unable to pay its liabilities as they become due.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was HK\$19,895,800 divided into 198,958,000 ordinary shares of HK\$0.10 each.

Subject to the passing of the ordinary resolution approving the grant of the Repurchase Mandate, and on the basis that no further Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 19,895,800 Shares (representing 10% of the number of issued Shares (excluding treasury shares) as at the date of passing of the resolution).

The Company may cancel such repurchased Shares or hold them as treasury shares for subsequent sale or transfer subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

To the extent that any treasury shares are deposited with the CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as treasury Shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to HKSCC to vote at general meetings for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

3. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but believe that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangement at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASE

Pursuant to the Repurchase Mandate, repurchase would be funded entirely from the Company's available cash flow or working capital facilities which will be funds legally available for the purpose and in accordance with the memorandum of association and bye-laws of the Company and the laws of Bermuda.

An exercise of the Repurchase Mandate in full at any time during the proposed repurchase period could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31 December 2024, being the date of its latest audited financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:

	Highest Traded Price <i>HK\$</i>	Lowest Traded Price <i>HK\$</i>
2024		
April	N/A	N/A
May	0.55	0.465
June	0.51	0.475
July	0.53	0.45
August	0.51	0.43
September	0.50	0.43
October	0.51	0.48
November	0.62	0.48
December	N/A	N/A
2025		
January	0.60	0.54
February	0.57	0.56
March	0.60	0.53
April (up to the Latest Practicable Date)	0.60	0.56

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, all applicable laws of Bermuda and the Company's memorandum of association and bye-laws.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates have a present intention to sell Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected person of the Company had notified the Company that he has a present intention to sell any Shares held by him to the Company nor has such core connected person undertaken not to sell any of the Shares held by him to the Company in the event that the Repurchase Mandate is granted. Neither this explanatory statement nor the Repurchase Mandate has any unusual features.

7. TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If, on the exercise of the powers to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Codes. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Spector Holdings Limited, together with their parties acting in concert (within the meaning of the Takeovers Codes) and their respective associates, were beneficially interested in 147,810,000 Shares. Exercise in full of the Repurchase Mandate could result in an increase in the shareholding of Spector Holdings Limited, together with their parties acting in concert and their respective associates, from approximately 74.29% to 82.55%. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Codes but would reduce the amount of Shares held by the public to less than 25% of the total number of issued Shares. The Directors do not propose to exercise the Repurchase Mandate to such an extent that would result in a requirement of any of the above Shareholder or any other persons to make a general offer under the Takeovers Code or in the amount of Shares held by the public falling below the prescribed minimum percentage of 25%.

8. REPURCHASE OF SHARES MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
