A. INTRODUCTION

The purpose of this circular is to provide the Shareholders with information in respect of the resolutions to be proposed at the Annual General Meeting for the proposed (i) granting of general mandates to repurchase Shares and to allot, issue and deal with new Shares and (ii) re-election of the retiring Directors. This circular contains the explanatory statement in compliance with the Listing Rules and to give all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the resolutions.

LETTER FROM THE BOARD

B. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the Annual General Meeting, separate ordinary resolutions will be proposed to renew the general mandates given to the Directors (i) to allot, issue and otherwise deal with Shares in the Company (including any sale and transfer of treasury shares out of treasury) not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company (excluding any treasury shares) at the date of passing of the resolution; (ii) to exercise all powers of the Company to repurchase issued and fully paid Shares on the Stock Exchange up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company (excluding any treasury shares) at the date of the passing of the resolution; and (iii) to extend the general mandate granted to the Directors to allot, issue and deal with additional Shares as mentioned in paragraph (i) above by the amount representing the aggregate nominal amount of the share capital of the Company repurchased by the Company under the Repurchase Mandate. The Repurchase Mandate allows the Company to make or agree to make repurchases only during the period ending on the earliest of (a) the date of the next annual general meeting; (b) the date by which the next annual general meeting of the Company is required to be held by law or by the Articles of Association; or (c) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company. The existing Repurchase Mandate granted to the Directors at the annual general meeting of the Company held on 30 May 2024 will expire at the Annual General Meeting.

As at the Latest Practicable Date, there were in issue an aggregate of 1,430,813,998 Shares. Subject to the passing of the proposed resolutions for the grant of the general mandates as mentioned above, and on the basis that no further Shares will be issued or repurchased and cancelled or held in treasury prior to the date of the Annual General Meeting, exercise in full of the Repurchase Mandate will result in up to 143,081,399 Shares being repurchased by the Company, and the Directors will be authorised to allot and issue under the general mandate to issue as mentioned above up to 286,162,799 Shares, and to the extent the Repurchase Mandate is exercised, plus the amount of Shares representing the aggregate nominal amount of the share capital of the Company repurchased by the Company under the Repurchase Mandate.

An explanatory statement containing all relevant information relating to the proposed Repurchase Mandate is set out in the Appendix I to this circular. The information in the explanatory statement is provided to you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to grant to the Directors of the Repurchase Mandate.

LETTER FROM THE BOARD

The Board notes that with effect from 11 June 2024, the Listing Rules have been amended to introduce flexibility for listed companies to cancel shares repurchased and/or to adopt a framework to (i) allow repurchased shares to be held in treasury; and (ii) govern the resale of treasury shares. Subsequent to 11 June 2024, and subject to adoption of the Repurchase Mandate at the Annual General Meeting, if the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares; and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds Shares in treasury, any resale of Shares held in treasury will be subject to the ordinary resolution numbered 5B of the notice of the Annual General Meeting and made in accordance with the Listing Rules and applicable laws and regulations of the Cayman Islands.

Pursuant to Article 86 of the Articles of Association, the Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or as an addition to the existing Board. Any Director so appointed by the Board shall hold office only until the next following general meeting of the Company and shall then be eligible for re-election. Pursuant to Article 87 of the Articles of Association, at each annual general meeting, one third of the Directors for the time being (or, if their number is not three or a multiple of three, the number nearest to but not less than one third), shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

According to the above provisions and the code provision B.2.2 of Appendix C1 to the Listing Rules, Mr. Li Jialin, Mr. Gu Sanjun, Mr. Yu Dingheng and Ms. Gao Yiyang shall retire from office at the Annual General Meeting and, being eligible, will offer themselves for re-election at the same meeting.

The final dividend will be paid in Hong Kong dollars. In order to qualify for the final dividend, all transfers accompanied by the relevant share certificates must be lodged with the Company's branch share registrar in Hong Kong, Tricor Investor Services Limited, at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, not later than 4:30 p.m. on Friday, 30 May 2025.

E. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

The notice of the Annual General Meeting is set out on pages 16 to 19 of this circular. At the Annual General Meeting, resolutions will be proposed to approve, *inter alia*, the granting of the general mandates to issue and repurchase Shares and the re-election of the retiring Directors.

Pursuant to Rule 13.39(4) of the Listing Rules, which came into force on 1 January 2009, any vote of shareholders at a general meeting must be taken by poll. Accordingly, all the proposed resolutions will be put to vote by way of poll at the Annual General Meeting. An announcement on the poll vote results will be made by the Company after the Annual General Meeting in the manner prescribed under Rule 13.39(5) of the Listing Rules.

A form of proxy for use at the Annual General Meeting is enclosed with this circular and such form of proxy is also published on the websites of the Stock Exchange (www.hkexnews.hk) and the Company (www.vstecs.com).

LETTER FROM THE BOARD

To be valid, the form of proxy must be completed and signed in accordance with the instructions printed thereon and return it to the Company's branch share registrar in Hong Kong, Tricor Investor Services Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong not less than 48 hours before the time appointed for holding the Annual General Meeting or any adjournment thereof. Completion and delivery of the form of proxy will not preclude you from attending and voting at the Annual General Meeting if you so wish.

F. RECOMMENDATION

The Directors consider that the proposed (i) granting of general mandates to issue and repurchase Shares; and (ii) re-election of the retiring Directors are in the best interests of the Company and the Shareholders taken as a whole and so recommend you to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting. The Directors will vote in favour of such resolutions in respect of their shareholdings (if any) in the Company.

G. GENERAL INFORMATION

Your attention is drawn to the additional information set out in Appendix I (Explanatory Statement on Repurchase Mandate) and Appendix II (Details of Retiring Directors Proposed to be Re-elected at the Annual General Meeting) to this circular.

Yours faithfully,
By Order of the Board
VSTECS Holdings Limited
Li Jialin
Chairman and Chief Executive Officer

This Appendix serves as an explanatory statement given to all the Shareholders, as required by the Listing Rules, to provide requisite information of the Repurchase Mandate.

1. LISTING RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid own shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' approval

All proposed repurchases of Shares on the Stock Exchange by a company with primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval of a particular transaction.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company at the date of the passing of the relevant resolutions granting the Repurchase Mandate. As at the Latest Practicable Date, the issued share capital of the Company comprised 1,436,451,998 Shares. Subject to the passing of the relevant resolution, the Company would be allowed to repurchase not exceeding 143,645,199 Shares which represent 10% of the issued share capital (excluding any treasury shares) on the basis that no further Shares would be issued or repurchased and cancelled or held in treasury prior to the date of the Annual General Meeting. The Shares repurchased by the Company shall, subject to applicable law, be automatically cancelled upon such repurchases.

(c) Reasons for repurchases

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market and consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchases when appropriate. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share. The Repurchase Mandate will only be exercised when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

(d) Funding and impact of repurchases

Repurchases of the Shares will be funded out of funds legally available for such purpose in accordance with the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

The Company is empowered by its Memorandum and Articles of Association to repurchase its Shares. The Cayman Islands law provides that the amount of capital repaid in connection with a Share repurchase may only be paid out of either the capital paid up on the Shares repurchased, or the funds of the Company that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of Shares made for such purpose. The amount of premium payable on repurchases may only be paid out of either the funds of the Company that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. The repurchased Shares will remain part of the authorised but unissued share capital.

As compared with the financial position of the Company as at 31 December 2024 (being the date of its latest published audited accounts), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period. The Directors do not propose to exercise the Repurchase Mandate in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

If the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares; and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made.

For any treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company would not (or would procure its licensed securities dealer not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

(e) Directors, their close associates and core connected persons

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of their close associates has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

At the Latest Practicable Date, no core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor he/she has undertaken not to sell any of the Shares held by him/her to the Company in the event that the Repurchase Mandate is granted.

(f) Directors' power

The Directors will so far as the same may be applicable, exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

(g) Effect of the Takeovers Code

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 26 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Li Jialin ("**Mr. Li**"), being a director of the Company together with his spouse, Ms. Liu Li ("**Ms. Liu**"), and through their controlled corporation, L & L Limited, were collectively interested in 597,870,800 Shares, representing approximately 41.62% of the entire issued share capital of the Company. Assuming that there will be no change in the issued share capital of the Company and the shareholding of Mr. Li and Ms. Liu prior to the repurchase of Shares and if the Repurchase Mandate were exercised in full, the percentage shareholding of Mr. Li and Ms. Liu would be increased to approximately 46.25% of the issued share capital of the Company. In such event, such an increase will give rise to an obligation for Mr. Li and Ms. Liu to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in the amount of Shares held by the public being reduced to less than 25% of the total issued share capital of the Company nor to an extent as would result in an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

2. SHARE PURCHASE MADE BY THE COMPANY

In the six months prior to and up to the Latest Practicable Date, the Company made the following repurchases of shares on the Stock Exchange:

April 2025	360,000	4.70	4.66

Save as disclosed above, the Company has not repurchased any Shares (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.

3. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares were traded on the Stock Exchange in each of the twelve months preceding the Latest Practicable Date were as follows:

2025		
January	5.20	4.56
February	8.55	4.69
