VOLUNTARY ANNOUNCEMENT

**THE COMPANY'S FIRST OBTAINING OF PROCUREMENT
CONTRACT FOR EMBODIED INTELLIGENT HUMANOID ROBOTS
FOR INDUSTRIAL MANUFACTURING SCENARIOS IN SMALL BATCH**

This announcement is made by UBTECH ROBOTICS CORP LTD (the “**Company**”) on a voluntary basis to provide the shareholders and potential investors with updates on the latest business development of the Company.

The board of directors of the Company (the “**Board**”) is pleased to announce that the Company has made substantial progress in its preliminary practical training of embodied intelligent humanoid robots in a number of well-known automobile factories. On April 24, 2025, the Company entered into a procurement contract with a purchaser for the purchase of large-sized bipedal humanoid robots, pursuant to which the purchaser will purchase large-sized bipedal humanoid robots Walker S1 and Walker C for manufacturing needs and commercial hospitality in automobile factories. Currently, the Company has already received the advance payment for the purchase from the purchaser.

This procurement contract represents a solid step towards the commercialization of the Company's embodied intelligent humanoid robots in industrial manufacturing scenarios. It also marks further validation of the introduction of embodied intelligent humanoid robots into industrial manufacturing scenarios such as automobile factories. The Company will continue to focus on the research and development and commercialization of embodied intelligent humanoid robots in order to prepare for the mass production and delivery of the robots in the future.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
