POSITIVE PROFIT ALERT ANNOUNCEMENT

This announcement is made by KFM Kingdom Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the provisions of inside information under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the interim results announcement (the "**Interim Results Announcement**") of the Company dated 22 November 2024 for the six months ended 30 September 2024. As disclosed in the Interim Results Announcement, the Group recorded revenue of approximately HK$376.7 million for the six months ended 30 September 2024, with an increase by approximately HK$62.6 million or 19.9% as compared to a revenue of approximately HK$314.1 million during the corresponding period in 2023. The increase was mainly due to the increase in the revenue derived from the customers engaged in the network and data storage industry, which was partially offset by the decrease in revenue derived from the office automation industry.

The board (the "**Board**") of directors of the Company wishes to inform the shareholders and the potential investors of the Company that, based on the information currently available to the Company and the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 March 2025 ("**FY2025**"), it is expected that the Group's profit for the year for FY2025 will increase by around 50% to 80% as compared to that for the year ended 31 March 2024, which is mainly attributable to the increase in revenue. The increase in revenue is mainly attributable to the similar reasons resulted for the increase in revenue during the six months ended 30 September 2024, i.e. the increase in the revenue derived from the customers engaged in the network and data storage industry.

The information contained in this announcement is only based on the information currently available to the Board and the Board's preliminary assessment after reviewing the unaudited consolidated management accounts of the Group for FY2025. The Group's annual results for FY2025 are subject to further review by the Board, and will be audited by the Company's auditor and reviewed by the audit committee of the Board prior to the finalisation of such accounts. Therefore, the actual results of the Group for FY2025 may be different from what is disclosed in this announcement. The shareholders and potential investors of the Company are advised to refer to the details of the annual results announcement of the Company for FY2025, which will be released on or before 30 June 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
