As at the Latest Practicable Date, the issued share capital of the Company comprised 603,545,948 Shares. Subject to the passing of the relevant ordinary resolution at the AGM, the Company will be allowed under the Issue Mandate to issue, allot and deal with a maximum of 120,709,189 Shares on the basis that no further Shares will be issued or repurchased between the Latest Practicable Date and the AGM.

The Issue Mandate and its extension will continue in force until the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws to be held; or (iii) the revocation or variation of the Issue Mandate and its extension by an ordinary resolution of the Shareholders in a general meeting of the Company.

An explanatory statement containing information regarding the Repurchase Mandate is set out in Appendix I to this circular.

LETTER FROM THE BOARD

Only those Shareholders registered in the register of members of the Company as of 12 June 2025 are entitled to attend or vote at the AGM in respect of the number of shares registered in their name at that time. Changes to entries on the register of members after that time will be disregarded when determining the rights of any person to attend or vote in the AGM. HONG KONG LISTING RULES REQUIREMENT

According to Rule 13.39(4) of the Hong Kong Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Therefore, all the resolutions put to the vote at the AGM will be taken by way of poll.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

RECOMMENDATION

The Board considers that the re-election of the Directors, the re-appointment of auditor of the Company, the Issue Mandate, the Repurchase Mandate and extension of Issue Mandate are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Board recommends that the Shareholders vote in favour of the relevant resolutions as set out in the notice of AGM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with Hong Kong Listing Rules for the purposes of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

LETTER FROM THE BOARD

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendix to this circular. The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
On behalf of the Board
China e-Wallet Payment Group Limited
Lin Chih Chia
Executive Director

This appendix includes an explanatory statement required by Rule 10.06(1)(b) of the Hong Kong Listing Rules to be presented to Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors.

1. FUNDING OF REPURCHASES

Any repurchase will be made out of funds which are legally available for the purpose in accordance with the Memorandum of Association of the Company and Bye-laws, the Hong Kong Listing Rules and the laws of Bermuda. The laws of Bermuda provide that such repurchases may only be effected out of the capital paid up on the repurchased shares or out of the funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a repurchase over the par value of the Shares to be repurchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased.

As compared with the financial position of the Company as at 31 December 2024 (being the date to which the latest audited financial statements of the Company have been made up), the Board considers that there might be a material adverse impact on the working capital and on the gearing position of the Company in the event the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Board does not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Board is from time to time appropriate for the Company.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 603,545,948 Shares and the Company did not have any treasury shares.

Subject to the passing of the relevant resolutions to approve the general mandates to issue and repurchase Shares and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the AGM, the Company would be allowed under the repurchase proposal to repurchase a maximum of 60,354,594 Shares (being 10% of the Shares in issue (excluding treasury shares)) during the period up to (i) the next annual general meeting of the Company in 2026; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Bye-laws or any applicable laws of Bermuda; or (iii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

3. REASONS FOR REPURCHASES

The Board believes that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. When exercising the Repurchase Mandate, the Directors may, subject to market conditions and the Company's capital management needs at the relevant time of the repurchase, resolve to cancel the shares repurchased following settlement of any such repurchase or hold them as treasury shares. Shares repurchased for cancellation may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share. On the other hand, Shares repurchased and held by the Company as treasury shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the Listing Rules, the Bye-laws, and the laws of Bermuda. Share repurchase will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

4. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Hong Kong Stock Exchange to exercise the Repurchase Mandate in accordance with the Hong Kong Listing Rules, the applicable laws and regulations of Bermuda and in accordance with the Memorandum of Association of the Company and Bye-laws.

5. EFFECT OF THE HONG KONG TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Hong Kong Takeovers Code.

To the best of the knowledge, information and belief of the Directors and on the basis of the shareholding of the Company as at the Latest Practicable Date, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as a result of any purchase of Shares made under the Repurchase Mandate, since none of the substantial Shareholders would hold 30% or more of the shareholding of the Company after the repurchase.

Assuming that there is no issue of Shares between the date of this circular and the date of a repurchase and no disposal by any of the substantial Shareholders of their interests in the Shares, an exercise of the Repurchase Mandate whether in whole or in part will not result in less than 25% of the Shares being held by the public.

6. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates have any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company. No core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

7. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Hong Kong Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

8. SHARE PRICE

At the request of the Company, trading in the shares of the Company on the Hong Kong Stock Exchange has been suspended with effect from 9:00 a.m. on 2 April 2024 and will remain suspended until further notice. The highest and lowest market prices at which the Shares were traded and listed on the Hong Kong Stock Exchange during March 2024 were HK\$0.050 and HK\$0.043.
