VOLUNTARY ANNOUNCEMENT SHARE REPURCHASE

This announcement is made by Sihuan Pharmaceutical Holdings Group Ltd. (the “**Company**” or “**Sihuan Pharmaceutical**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

Reference is made to the announcement of the Company dated 6 October 2024 (the “**Announcement**”) in relation to the Company will conduct on-market share repurchase of up to HK\$500 million in aggregate based on market conditions and capital arrangement within twelve months from the date of the Announcement at the time and frequency determined by the Board from time to time. The board of directors of the Company (the “**Board**”) hereby announces that it intends to exercise its powers under the general mandate (the “**Repurchase Mandate**”) to repurchase shares of the Company granted by the shareholders of the Company at the annual general meeting held on 7 June 2024 to repurchase shares in the open market at appropriate timing.

The Board further announces that, on 30 April 2025 and 2 May 2025, the Company repurchased, pursuant to the Repurchase Mandate, a total of 3,367,000 shares of the Company on market at an average price of HK\$0.71 per share (the “**Share Repurchase**”). The aggregate purchase price paid (excluding commission and other expenses) for the Share Repurchase was approximately HK\$2,390,570. The repurchased shares represent approximately 0.0364% of the total number of issued shares (excluding treasury shares) of the Company as at the date of this announcement. The Company subsequently intended to hold the repurchased shares as treasury shares, and to use such treasury shares for subsequent sale or transfer.

The Board believes that the implementation of the Share Repurchase is in the interests of the Company and its shareholders as a whole. Sihuan Pharmaceutical has always been committed to achieving the strategic goal of becoming a leading medical aesthetics and biopharmaceutical enterprise in China. The Company has made several positive business progresses in its new businesses of medical aesthetics and innovative pharmaceuticals. The Company's carefully incubated medical aesthetics platform, Meiyen Space, has evolved into a leading medical aesthetic company in China. It is a comprehensive integrated platform encompassing research, production and marketing, with a pipeline of more than 60 medical aesthetic products, covering the needs of the whole life cycle of beauty lovers. For the year ending 31 December 2024, revenue of the Group's medical aesthetic business segment was approximately RMB744.2 million, increasing approximately 65.4% year-on-year. In addition, the Group's research and development of innovative drugs has entered the mid to late stage. The Group has obtained approval for the market launch of a total of 28 new medical aesthetic products and drugs, with 4 products (covering 6 indications) reaching critical milestones in their research and development phases. The Group expects that these newly approved drugs will contribute to its revenue upon launch, while it will also seek further progress in other business segments. The Group believes that all these developments will bring positive contributions to the Group's revenue and profit. The Group holds great confidence in the Company's future development prospects.
