This announcement is made by the Company pursuant to Rule 13.09(2)(a) of the Listing Rules and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board wishes to inform shareholders of the Company and potential investors that the Group expects to record a loss attributable to equity holders of the Company for the year ended 31 March 2025 in the range of approximately HK\$580 million to HK\$640 million, as compared to a loss of approximately HK\$932 million for the last corresponding year.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by Chuang's Consortium International Limited (the "**Company**") and together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Given the current global economic and political situation, as well as the Hong Kong economy and environment in general, the property markets in Hong Kong and the People's Republic of China (the "**PRC**") have been very volatile. Based on information currently available and the current market condition as at the date of this announcement, the board of directors of the Company (the "**Board**") wishes to inform shareholders of the Company and potential investors that the Group expects to record a loss attributable to equity holders of the Company for the year ended 31 March 2025 in the range of approximately HK\$580 million to HK\$640 million, as compared to a loss of approximately HK\$932 million for the last corresponding year. Based on an analysis of the unaudited financial information currently available, the loss for the year ended 31 March 2025 is principally attributable to

(i) the recognition of a fair value loss of investment properties of the Group; and (ii) the recognition of impairment provision for properties for sale, and a development site in the PRC classified as deposit of the Group; but (iii) offsetting by the gain on disposals of subsidiaries with assets at Mongolia and Singapore as announced by the Company on 9 May 2024 and 13 December 2024 respectively. Shareholders of the Company and potential investors should, however, note that the above factors (i) and (ii) are accounting loss with no immediate cash flow impact to the Group. Despite the Group expecting to record a loss for the year ended 31 March 2025, the financial position of the Group remains healthy and sound.

The Company is in the process of preparing the final results of the Group for the year ended 31 March 2025. The information contained in this announcement is only with reference to the current situation as mentioned above, and based on the preliminary assessment by the Board according to the unaudited consolidated management accounts of the Group for the year ended 31 March 2025 currently available which have not been finalized as at the date of this announcement and have not been reviewed by the Company's auditor. Further details of the financial information of the Group will be disclosed in the final results announcement and the annual report of the Company to be published in accordance with the Listing Rules.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
