As at the date of this announcement, there are 859,242,204 Existing Shares in issue which are fully paid or credited as fully paid. Assuming no further Shares will be issued from the date of this announcement up to the date of the EGM, upon the Share Consolidation becoming effective, there will be 85,924,220 Consolidated Shares in issue which are fully paid or credited as fully paid. The authorised share capital of the Company will remain at HK\$100,000,000 but will be divided into 1,000,000,000 Consolidated Shares of HK\$0.1 each.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lots of 16,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Consolidation becoming effective, the board lot size for trading on the Stock Exchange be changed from 16,000 Existing Shares to 10,000 Consolidated Shares.

GENERAL

The EGM will be convened and held for the Shareholders to consider and, if thought fit, pass the ordinary resolution in approving the Share Consolidation. A circular containing, among other things, further details of the Share Consolidation together with a notice convening the EGM is expected to be despatched to the Shareholders on or before Friday, 13 June 2025.

Shareholders should take note that the Share Consolidation is conditional upon the fulfilment of certain conditions set out in the paragraph headed “Conditions of the Share Consolidation” in this announcement. Therefore, the Share Consolidation may or may not proceed. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company, and if they are in any doubt about their position, they should consult their professional advisers.

PROPOSED SHARE CONSOLIDATION

The Board proposes that every ten (10) Existing Shares in the issued and unissued share capital of the Company be consolidated into one (1) Consolidated Share.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$100,000,000 divided into 10,000,000,000 Shares of par value of HK\$0.01 each, and there are 859,242,204 Existing Shares in issue which are fully paid or credited as fully paid. Assuming no further Shares will be issued from the date of this announcement up to the date of the EGM, upon the Share Consolidation becoming effective, there will be 85,924,220 Consolidated Shares in issue which are fully paid or credited as fully paid. The authorised share capital of the Company will remain at HK\$100,000,000 but will be divided into 1,000,000,000 Consolidated Shares of HK\$0.1 each.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank *pari passu* in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation of the Share Consolidation will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders. The Board believes that the Share Consolidation will not have any material adverse effect on the financial position of the Company.

Conditions of the Share Consolidation

The implementation of the Share Consolidation is conditional upon:

- (i) the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Consolidation;
- (ii) the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and

- (iii) the compliance with all relevant procedures and requirements under the applicable laws of Cayman Islands and the Listing Rules to effect the Share Consolidation.

The Share Consolidation is expected to become effective on Tuesday, 8 July 2025, being the second Business Day after the EGM, subject to the fulfilment of the above conditions.

Listing Application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any Trading Day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

The Consolidated Shares will be identical in all respects and rank *pari passu* in all respects with each other as to all future dividends and distributions which are declared, made or paid.

Other securities of the Company

As at the date of this announcement, the Company has no outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lots of 16,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Consolidation becoming effective, the board lot size for trading on the Stock Exchange be changed from 16,000 Existing Shares to 10,000 Consolidated Shares.

Based on the closing price of HK\$0.056 per Existing Share (equivalent to the theoretical closing price of HK\$0.56 per Consolidated Share) as at the date of this announcement, (i) the value per board lot of 16,000 Existing Shares is HK\$896; (ii) the value per board lot of 1,600 Consolidated Shares would be HK\$896 on the assumption that the Share Consolidation becomes effective; and (iii) the value per board lot of 10,000 Consolidated Shares would be HK\$5,600 on the assumption that the Change in Board Lot Size has also become effective.

The Change in Board Lot Size will not result in any change in the relative rights of the Shareholders.

REASONS FOR THE SHARE CONSOLIDATION AND THE CHANGE IN BOARD LOT SIZE

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and last updated in September 2024 (the “**Guide**”) has further stated that market price of the shares at a level less than HK\$0.1 will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules. It has also stated in the Guide that taking into account the minimum transaction costs for a securities trade, the expected board lot value should be greater than HK\$2,000.

In view of the prevailing trading prices of the Existing Shares, the Board proposes to implement the Share Consolidation. Based on the closing price of the Existing Shares of HK\$0.056 as at the date of this announcement and the current board lot size of 16,000 Existing Shares, the board lot value of the Existing Shares was HK\$896. The Share Consolidation and the Change in Board Lot Size will reduce the number of new board lots and increase the value of each new board lot. After the Share Consolidation and the Change in Board Lot Size have become effective, and based on the closing price of the Existing Shares as at the date of this announcement, the theoretical market board lot value will be HK\$5,600. As such, the Board considers that the Share Consolidation and the Change in Board Lot Size will enable the Company to comply with the trading requirements under the Listing Rules and reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot, since most of the banks/securities houses will charge minimum transaction costs for each securities trade. With a corresponding upward adjustment in the trading price of the Consolidated Shares, the Board believes that investment in the Consolidated Shares would become more attractive to a broader range of investors, thereby improving the liquidity of the Consolidated Shares and further broadening the Shareholder base of the Company.

Although the Share Consolidation and the Change in Board Lot Size may lead to the creation of odd lots of Shares owned by the Shareholders, the Company will designate an agent to stand in the market to provide matching services for odd lots of Shares for a period of not less than three weeks, which is expected to effectively alleviate the difficulties caused by the creation of odd lots of Shares.

Accordingly, the Board is of the view that the Share Consolidation and the Change in Board Lot Size are beneficial to and in the interest of the Company and the Shareholders as a whole.

The Company is considering a fund-raising exercise by way of placing after the Share Consolidation and the Change in Board Lot Size becoming effective. The Company will publish an announcement in accordance with the Listing Rules as and when appropriate. The Company has no intention to carry out other corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Consolidation. The Directors will consider carefully the likely impact on the Shareholders before they proceed on other corporate actions.

OTHER ARRANGEMENTS

Fractional entitlement to Consolidated Shares

Fractional Consolidated Shares (if any) will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Arrangement on odd lot trading and matching services

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a securities firm as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular to be despatched to the Shareholders.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Exchange of certificates for Consolidated Shares

Subject to the Share Consolidation having become effective, Shareholders may during the specified period submit share certificates for Shares to the Company's share registrar in Hong Kong, Tricor Investor Services Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, in exchange for new share certificates for the Consolidated Shares in gold colour at the expense of the Company.

Thereafter, share certificates of the Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever the number of share certificates cancelled/issued is higher.

Subject to the Share Consolidation becoming effective, after 4:10 p.m. on Monday, 11 August 2025, trading will only be in Consolidated Shares and existing share certificates for the Existing Shares in blue colour will only remain effective as documents of title and may be exchanged for share certificates for Consolidated Shares at any time but will not be accepted for delivery, trading and settlement purposes.
