GENERAL

Save as disclosed above, the Company is not aware of any other matters that need to be brought to the attention of the Shareholders in relation to the re-election of each of Mr. Wu, Mr. Liu, Mr. Hang, Mr. Lyu, Mr. Li, Ms. Li and Ms. Chan, and there is no information which is discloseable nor is or was any of Mr. Wu, Mr. Liu, Mr. Hang, Mr. Lyu, Mr. Li, Ms. Li and Ms. Chan involved in any matters required to be disclosed pursuant to any provisions under paragraphs (h) to (v) of Rule 13.51(2) of the Listing Rules.

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Share Repurchase Mandate:

1. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Share Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,630,000,000 Shares of HK\$0.02 each.

Subject to the passing of the ordinary resolution no. 5 set out in the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the date of the AGM, the Directors would be authorised under the Share Repurchase Mandate to repurchase a maximum of 563,000,000 Shares, representing 10% of the total number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing of the resolution.

The Company may cancel any repurchased Shares and/or hold them as Treasury Shares subject to market conditions and the capital management needs of the Company at the relevant time of the repurchases.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association of the Company, the Bye-Laws, the laws of Bermuda and/or any other applicable laws.

The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase by a company may only be paid out of either the capital paid up on the relevant shares, or the funds of the company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either funds of the company which would otherwise be available for dividend or distribution or out of the share premium account of the company before the shares are repurchased.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2024) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company. Appropriate gearing levels for the Company, in the opinion of the Directors, will be maintained from time to time.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, any such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

To the best knowledge of the Directors, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchases to be made under the Share Repurchase Mandate. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations to make a mandatory general offer by any Shareholder under the Takeovers Code.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

6. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the Share Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

No core connected person of the Company has notified the Company that he/she has a present intention to sell Shares to the Company, or that they have undertaken not to do so in the event that the Share Repurchase Mandate is approved by Shareholders.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the laws of Bermuda.

The Company confirms that neither this explanatory statement nor the proposed share repurchase has any unusual features.

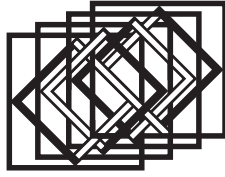

8. SHARE PRICES

The highest and lowest prices per Share at which the Shares have traded on the Stock Exchange during each of the previous 12 months and up to the Latest Practicable Date were as follows:
