## **VOLUNTARY ANNOUNCEMENT ENTERING INTO OF STRATEGIC COOPERATION AGREEMENT**

This announcement is made by Beijing Saimo Technology Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that the Company recently entered into a strategic cooperation agreement (the “**Strategic Cooperation Agreement**”) with AutoNavi Software Co., Ltd (“**AutoNavi**”), pursuant to which, both parties will center around the construction of platform ecosystems for intelligent equipment, intelligent transportation and intelligent cities, and focus on the realisation of a complete chain of data-driven, virtual verification and practical application based on the principles of complementary advantages, mutual benefits and win-win situation as well as common development, so as to serve the development of strategic emerging industries such as modern mobility equipment and new infrastructures. The term of cooperation is three years from the date of signing.

AutoNavi is a professional provider of digital map, navigation and real-time traffic information services in China, providing one-stop travel services to end-users including navigation, taxi-hailing, hotel reservations and attraction ticketing. To the best of the Directors’ knowledge, information and belief after making all reasonable enquiries, AutoNavi and its ultimate beneficial owners are third parties independent of the Company and connected persons of the Company. The entering into of the Strategic Cooperation Agreement does not constitute a notifiable transaction of the Company under Chapter 14 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The Company believes that the entering into of the Strategic Cooperation Agreement is in line with the Group's long-term development objectives and business development strategy, and the cooperation between both parties will give full play to their respective resource strengths and professional advantages in an effort to achieve complementary advantages, mutual benefits and win-win situation as well as common development.

**The Strategic Cooperation Agreement serves as a framework and intentional agreement on the intention and basic principles of the cooperation between both parties, and the specific cooperation arrangements will be subject to a formal agreement to be signed by both parties. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**

By order of the Board  
**Beijing Saimo Technology Co., Ltd.**
