According to the Enterprise Income Tax Law of the PRC (《中華人民共和國企業所得稅法》) and its implementation regulations (the “**EIT Law**”), the tax rate of the enterprise income tax applicable to the income of a non-resident enterprise deriving from the PRC is 10%. For this purpose, any H Shares registered under the name of non-individual enterprise, including the H Shares registered under the name of HKSCC Nominees Limited, other nominees or trustees, or other organizations or entities, shall be deemed as shares held by non-resident enterprise shareholders (as defined under the EIT Law). However, the tax rates for respective overseas resident individual shareholders may vary depending on the relevant tax agreements between the countries of their residence and Mainland China. Thus, 10% individual income tax will be withheld from the dividend payable to any individual H Shareholders whose names appear on the H Shareholders’ register of the Company on the record date, unless otherwise stated in the relevant taxation regulations, tax treaties or the Notice.

The Company will not be liable for any claim arising from any delay in, or inaccurate determination of the status of the Shareholders or any disputes over the mechanism of withholding.
