The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2025 (the “**Year**”) and the latest information on the Group currently available to the Board, the Group is expected to record a profit attributable to owners of the Company of approximately HK\$1 million to HK\$5 million during the Year, as compared to a profit attributable to owners of the Company of approximately HK\$132 million for the year ended 31 March 2024 (the “**Corresponding Year**”).

The aforesaid expected decrease in the Group’s profit for the Year comparing with the Corresponding Year was mainly attributable to the combined effect of (i) a decrease in area of properties completed and delivered during the Year leading to a decrease in revenue; (ii) no gain from the settlement of litigation was recorded during the Year (Corresponding Year: HK\$24 million); and (iii) the impairment losses recognized in respect of properties under development and completed properties held for sale incurred during the Year.

The information contained in this announcement is only based on the preliminary assessment and estimates made by the management of the Company with reference to the unaudited consolidated management accounts of the Group for the Year and other information currently available as at the date of this announcement. The Board wishes to emphasize that it is still in the process of finalizing the results of the Group for the Year which have not yet been reviewed by the audit committee of the Company and may be subject to adjustments and changes.
