The Exercise Price in respect of any Share Option shall, subject to any adjustments made pursuant to paragraph 10, be at the discretion of the Directors, provided that it must be at least the highest of (a) the closing price of the Shares as stated in the daily quotation sheets issued by the Stock Exchange on the Offer Date; and (b) the average closing price of the Shares as stated in the daily quotation sheets issued by the Stock Exchange for the 5 business days immediately preceding the Offer Date, provided that in the event of fractional prices, the Exercise Price per Share shall be rounded upwards to the nearest whole cent.

7. EXERCISE OF SHARE OPTIONS

- 7.1 A Share Option must be personal to the Grantee and must not be transferable or assignable, save where applicable under the Listing Rules, when the Stock Exchange has granted a waiver to the Grantee to transfer his Share Option to a vehicle (such as a trust or a private company) for the benefit of the Grantee and any family members of such Grantee (e.g. for estate planning or tax planning purposes) that would continue to meet the purpose of the Scheme and comply with other requirements under the Listing Rules, no Grantee shall in any way sell, transfer, charge, mortgage, encumber or otherwise dispose of or create any interest whatsoever in favour of any third party over or in relation to any Share Option or enter into any agreement to do so. Any breach of the foregoing by a Grantee shall entitle the Company to cancel any Share Option granted to such Grantee to the extent not already exercised.
- 7.2 Subject to, among other things, paragraph 5.3 and the fulfilment of all terms and conditions attached to the Share Options, including the attainment of any performance targets (if any), a Share Option shall be exercisable in whole or in part in the circumstances and in the manner as set out in paragraphs 7.6 and 7.7 by giving notice in writing to the Company stating that the Share Option is thereby exercised and the number of Shares in respect of which it is so exercised (which, except where the number of Shares in respect of which the Share Option remains unexercised is less than one board lot or where the Share Option is exercised in full, must be for a board lot for dealings in Shares on the Stock Exchange or

an integral multiple thereof). Each such notice must be accompanied by a remittance for the full amount of the Exercise Price for Shares in respect of which the notice is given. Within 30 days (seven days in the case of an exercise pursuant to paragraph 7.6 (c)) after receipt of the notice and, where appropriate, receipt of the certificate of the auditors or the independent financial advisers pursuant to paragraph 10, the Company shall accordingly allot and issue the relevant number of Shares to the Grantee (or, in the event of an exercise of Share Option by a Personal Representative pursuant to paragraph 7.6 (a), to the estate of the Grantee) fully paid and issue to the Grantee (or his/her estate in the event of an exercise by his/her Personal Representative as aforesaid) the relevant share certificate(s) in respect of the Shares so allotted and issued.

7.3 A Grantee is required to hold the Share Option for a minimum period of 12 months from the Offer Date before it can be exercised, subject to a shorter vesting period at the discretion of the Board under each of the following circumstances in respect of Employee Participants:

- (a) grants of “make-whole” rewards to new employees to replace the share options they have forfeited when leaving the previous employers; and
- (b) grants to a participant whose employment is terminated due to death or disability or occurrence of any out-of-control event.

7.4 Unless otherwise determined by the Board and specified in the Offer, there may or may not be performance target that needs to be achieved before the exercise of a Share Option granted to a Grantee. If such targets are specified, they shall include:

- (i) Employee Participants: the performance targets may include, but not limited to, financial targets and administrative targets that may be based on (a) individual performance, (b) performance of the Group, and/or (c) performance of business units, functional departments and/or projects in which the Employee Participants participate in.
- (ii) Related Entity Participants: the performance targets may include, their past and anticipated future contribution to the Group with reference to their period of engagement, revenue, profits, cost reduction and product/service advancement contributed by them.

The Company will evaluate the Grantee’s actual performance and contribution against the performance targets set and form a view as to whether the relevant performance targets have been fulfilled. Each performance target (as specified by the Company in each case) may be assessed on a time basis (annually or cumulatively over a number of years) against the performance in prior years or a designated control group, or upon achievement of one or more milestones specified in the Offer.

7.5 Unless otherwise determined by the Board and specified in the Offer, there may or may not be any clawback mechanism for the Company to recover or withhold the Share Options granted to an Eligible Participant. If clawback triggering events are specified, they shall include: (i) the Grantee being involved in serious misconduct; or (ii) occurrence of any other clawback event implicitly or explicitly characterised in the Offer and/or any other event occurs as the Board may in its absolute discretion determines.

7.6 Subject as hereinafter provided in the Scheme, a Share Option may only be exercised by the Grantee at any time during the Option Period provided that:

- (b) if the Grantee is an employee of the Group and in the event of his/her ceasing to be a Grantee for any reason other than his/her death, before exercising the Share Option in full, the Share Option shall lapse on the date of cessation or termination and not be exercisable unless the Directors otherwise determine in which event the Grantee may exercise the Share Option in whole or in part in accordance with the provisions of paragraph 7.5 within such period as the Directors may determine following the date of such cessation or termination or, if any of the events referred to in paragraph 7.6(c) or 7.6(d) occur during such period, exercise the Share Option pursuant to paragraph 7.6(c) or 7.6(d) respectively. The date of cessation or termination as aforesaid shall be the last day on which the Grantee actually worked for the Company or the relevant subsidiary of the Company whether salary is paid in lieu of notice or not;
- (c) if a general or partial offer, whether by way of takeover offer, share re-purchase offer, or scheme of arrangement or otherwise in like manner is made to all the Shareholders, or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror, the Company shall use all reasonable endeavours to procure that such offer is extended to all the Grantees on the same terms, mutatis mutandis, and assuming that they will become, by the exercise in full of the Share Options granted to them, the Shareholders. If such offer becomes or is declared unconditional or such scheme of arrangement is formally proposed to the Shareholders, the Grantee shall, notwithstanding any other terms on which his/her Share Options were granted, be entitled to exercise the Share Option to its full extent or to the extent specified in the Grantee's notice to the Company in accordance with the provisions of paragraph 7.6 at any time thereafter and up to the close of such offer (or any revised offer) or the record date for entitlements under scheme of arrangement, as the case may be;
- (d) in the event of a resolution being proposed for the voluntary winding-up of the Company during the Option Period, the Grantee may, subject to the provisions of all applicable laws, by notice in writing to the Company at any time not less than 2 business days before the date on which such resolution is to be considered and/or passed, exercise his/her Share Option either to its full extent or to the extent specified in such notice in accordance with the provisions of paragraph 7.6 and the Company shall allot and issue to the Grantee the Shares in respect of which such

Grantee has exercised his/her Share Option not less than 1 day before the date on which such resolution is to be considered and/or passed whereupon he/she shall accordingly be entitled, in respect of the Shares allotted and issued to him/her in the aforesaid manner, to participate in the distribution of the assets of the Company available in liquidation *pari passu* with the holders of the Shares in issue on the day prior to the date of such resolution. Subject thereto, all Share Options then outstanding shall lapse and determine on the commencement of the winding-up; and

- (e) if a compromise or arrangement between the Company and its members or creditors is proposed for the purposes of a scheme for the reconstruction of the Company or its amalgamation with any other companies pursuant to the laws of jurisdictions in which the Company was incorporated, the Company shall give notice to all the Grantees on the same day as it gives notice of the meeting to its members or creditors summoning the meeting to consider such a compromise or arrangement and any Grantee may by notice in writing to the Company accompanied by a remittance for the full amount of the aggregate Exercise Price for the Shares in respect of which the notice is given (such notice to be received by the Company no later than 2 business days prior to the proposed meeting), exercise the Share Option to its full extent or to the extent specified in the notice and the Company shall as soon as possible and in any event no later than the business day immediately prior to the date of the proposed meeting, allot and issue such number of Shares to the Grantee which falls to be issued on such exercise of the Share Option credited as fully paid and register the Grantee as holder thereof. With effect from the date of such meeting, the rights of all Grantees to exercise their respective Share Options shall forthwith be suspended. Upon such compromise or arrangement becoming effective, all Share Options shall, to the extent that they have not been exercised, lapse and determine. If for any reason such compromise or arrangement does not become effective and is terminated or lapses, the rights of Grantees to exercise their respective Share Options shall with effect from such termination be restored in full but only upon the extent not already exercised and shall become exercisable.

- 7.7 Shares to be allotted and issued upon the exercise of a Share Option will be subject to the provisions of the constitutional documents of the Company for the time being in force and will rank *pari passu* in all respects with the existing fully paid Shares in issue on the date when the name of the Grantee is registered on the register of members of the Company and accordingly will entitle the holders thereof to participate in all dividends or distributions paid or made on or after the name of the Grantee is registered on the register of members of the Company, other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the date when the name of the Grantee is registered on the register of members of the Company. Share(s) allotted and issued upon the exercise of a Share Option shall not carry voting rights until the name of the Grantee has been duly entered on the register of members of the Company as the holder thereof.

8. EARLY TERMINATION OF OPTION PERIOD

- 8.1 The Option Period in respect of any Share Option shall automatically terminate and that Share Option shall lapse at the earliest of:
- (a) the expiry of the Option Period as may be determined by the Directors;
 - (b) the expiry of any of the periods referred to in paragraph 7.6;
 - (c) the date of commencement of the winding-up of the Company;
 - (d) in respect of a Grantee who is an employee of the Group when an Offer is made to him/her, the date on which (i) the Grantee ceases to be an employee of the Group by reason of a termination of his/her employment; or (ii) the Board in its sole discretion determines and believes that the employee has been in material breach of his/her employment contract or has been guilty of persistent or serious misconduct; or (iii) the employee has committed any act of bankruptcy or has become insolvent or has made any arrangement or composition with his/her creditors generally, or has been convicted of any criminal offence (other than an offence which in the opinion of the Directors does not bring the Grantee or the Group into disrepute and does not involve his integrity or honesty); or (iv) (if so determined by the Board) on any other grounds on which an employer would be entitled to terminate his employment summarily;
 - (e) in respect of a Grantee who is a Related Entity Participant, the date on which the Board at its absolute discretion determine or believe that: (i) the Grantee or his/her associate has committed any material breach of the contract entered into with the Group; or (ii) the Grantee could no longer make contribution to the growth and development of any member of the Group by reason of the cessation of its relations with the Group or by any other reason whatsoever; and
 - (f) the date on which the Directors shall exercise the Company's right to cancel the Share Option by reason of a breach of paragraph 7.1 by the Grantee in respect of that or any other Share Option.

- 8.3 Transfer of employment of a Grantee who is an employee of the Group from one member of the Group to another member of the Group shall not be considered a cessation of employment. It shall not be considered a cessation of employment if a Grantee who is an employee of the Group is placed on such leave of absence which is considered by the directors of the relevant member of the Group not to be a cessation of employment of the Grantee.

9. MAXIMUM NUMBER OF SHARES AVAILABLE FOR SUBSCRIPTION

- 9.1 The total number of Shares which may be allotted and issued in respect of all share options under the Scheme and any other share scheme of the Company must not in aggregate exceed the Scheme Limit.
- 9.2 For the avoidance of doubt, the share options granted under the Scheme or any other share scheme of the Company which have been cancelled will be counted for the purpose of calculating the Scheme Limit. Where the Company has reissued such cancelled share options, the Shares underlying both the cancelled share options and the re-issued share options will be counted as part of the total number of Shares subject to paragraphs 9.1. The share options lapsed in accordance with the terms of the Scheme and any other share scheme of the Company will, however, not be regarded as utilized for the purpose of calculating the Scheme Limit.
- 9.3 If the Company conducts a share consolidation or subdivision after the Scheme Limit has been approved in general meeting, the maximum number of Shares that may be issued in respect of all share options to be granted under the Scheme and any other share scheme of the Company under the Scheme Limit as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same, rounded to the nearest whole Share.
- 9.4 The Scheme Limit may be refreshed at any time by obtaining approval of the Shareholders in general meeting after three years from Adoption Date or the date of Shareholders' approval for the last refreshment, provided that:
- (a) the total number of Shares which may be issued in respect of all share options to be granted under all of the share schemes of the Company under the Scheme Limit as refreshed (the "Refreshed Scheme Limit") must not exceed 10% of the Shares in issue (excluding any treasury shares of the Company) at the date of the Shareholders' approval of such Refreshed Scheme Limit. Share options previously granted under the Scheme or any other share scheme of the Company (including those exercised, outstanding, cancelled or lapsed in accordance with the terms of the Scheme or any other share scheme of the Company) will not be counted for the purpose of calculating the total number of Shares subject to the Refreshed Scheme Limit. The Company must send a circular to its Shareholders containing the number of share options that were already granted under the existing Scheme Limit, and the reasons for the refreshment.
 - (b) any refreshment to the Scheme Limit within any three-year period must be approved by the Shareholders, where any controlling shareholders and their associates (or if there is no controlling shareholder, Directors (excluding independent non-executive Directors) and the chief executive of Company and their respective associates) must abstain from voting in favour of the relevant resolution at the general meeting and in accordance with the requirements under the Listing Rules.
 - (c) the requirements under paragraph 9.4(b) do not apply if the refreshment is made immediately after an issue of securities by the Company to the Shareholders on a pro rata basis as set out in Rule 13.36(2) of the Listing Rules such that the unused

part of the Scheme Limit (as a percentage of the total number of Shares in issue) upon refreshment is the same as the unused part of the Scheme Limit immediately before the issue of securities, rounded to the nearest whole Share.

- 9.5 Without prejudice to paragraph 9.4, the Company may seek separate Shareholders' approval in general meeting to grant share options under the Scheme and any other share scheme of the Company beyond the Scheme Limit or, if applicable, the extended limits referred to in paragraph 9.4, provided the share options in excess of the Scheme Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing the name of each specified Eligible Participant who may be granted such options, the number and terms of the share options to be granted to each Eligible Participant, and the purpose of granting share options to the specified Eligible Participants with an explanation as to how the terms of the share options serve such purpose. The number and terms of share options to be granted to such Eligible Participants must be fixed before Shareholders' meeting.
- 9.6 Where any further grant of share options to an Eligible Participant under the Scheme and any other share scheme of the Company, would result in the Shares issued and to be issued upon exercise of all options granted and proposed to be granted to such person (excluding any share options lapsed in accordance with the terms of the Scheme and any other share scheme of the Company) in any 12-month period up to and including the date of such grant exceeding 1% of the total number of Shares in issue, the Company may further grant such Share Options, provided that:
- (a) such further grant must be separately approved by the Shareholders in general meeting with such Eligible Participant and his/her close associates (or associates if the Eligible Participant is a connected person) abstaining from voting;
 - (b) the Company must send a circular to Shareholders disclosing the identity of the Eligible Participant, the number and terms of the share options to be granted (and those share options previously granted to such Eligible Participant in the aforesaid 12-month period), the purpose of granting the share options to the Eligible Participant and an explanation as to how the terms of the share options serve such purpose; and
 - (c) the number and terms of share options to be granted to such Eligible Participant must be fixed before the Shareholders' meeting.
