Reference is made to the profit warning announcement published by the Company on 1 April 2025 (the "**Announcement**") and the announcement dated 30 April 2025 in relation to the Possible Very Substantial Disposal – Surrender of Lease (the "**Possible VSD Announcement**"). The Company would like to update shareholders of the Company ("**Shareholders**") and potential investors that, based on the preliminary assessment by the Company's management according to the Group's latest unaudited consolidated management accounts and the other information currently available, it is expected that the loss attributable to Shareholders for the year ended 31 March 2025 ("**FY2025**") will be increased by approximately 650% as compared to a loss attributable to Shareholders of approximately HK$64.7 million for the year ended 31 March 2024. In addition to the reason of the provision for impairment loss on the carrying value of our interests in an associate which invests in hazardous waste treatment projects in Mainland China as disclosed in the Announcement, the increase in net loss was mainly attributable to, among others, the provision for impairment loss on property, plant and equipment and right-of-use assets in respect of the Group's headquarters located at Tseung Kwan O as disclosed in the Possible VSD Announcement.
