INSIDE INFORMATION
EXPECTED IMPROVEMENT IN LOSS POSITION

This announcement is made by GoFintech Quantum Innovation Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors of the Company (the "**Director(s)**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on its preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 March 2025 (the "**Reporting Year**") and the information currently available to the Board, the Group is expected to record a consolidated loss in the amount not exceeding HK$5 million for the Reporting Year, representing an improvement in loss position as compared with the consolidated loss of HK$30.68 million for the year ended 31 March 2024. The improvement in consolidated loss for the Reporting Year was mainly due to (i) an increase in operating profit generated from the major businesses of the Group which include, amongst others, the securities brokerage and money lending businesses of the Group; (ii) a decrease in expected credit losses on loan and trade receivables; and (iii) a recognition in net gains on investments at fair value through profit or loss during the Reporting Year, as compared with the net losses on investments at fair value through profit or loss recognised during the year ended 31 March 2024.

The information contained in this announcement is only based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the Reporting Year currently available to the Company, which have not yet been reviewed or audited by the auditor of the Company nor confirmed by the audit committee of the Board. Therefore, the actual results of the Group for the Reporting Year may differ from the information contained in this announcement. The annual results of the Group for the Reporting Year are expected to be released in late June 2025. Shareholders and potential investors are advised to refer to the annual results announcement of the Company when it is published.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
