The Board wishes to inform the shareholders of the Company that there will be a further delay in publication of the 2024 Annual Results as the Company is finalising the independent investigation report with the Independent Investigator and the internal control report with Independent IC Adviser. Accordingly, additional time is required for the Company to prepare the 2024 Annual Results. The expected date of the publication of the 2024 Annual Results will be announced as and when appropriate.

After due and careful consideration, the Board is of the view that it would not be appropriate for the Company to publish the unaudited management accounts of the Group for the year ended 31 December 2024 at this stage as they may not accurately reflect the financial performance and/or position of the Group and the publication of the unaudited management accounts could cause confusion and may be misleading to the shareholders and potential investors of the Company.

Due to further delay in the publication of the 2024 Annual Results, the despatch of the 2024 Annual Report was further delayed.
