POSITIVE PROFIT ALERT

This announcement is made by Voicecomm Technology Co., Ltd.* (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Directors**") of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholder(s)**") and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended June 30, 2025 ("**H1 2025**"), the Group is expected to record a net profit and an adjusted net profit (a non-IFRS measure)[1] of no less than RMB50.0 million for H1 2025, as compared to a net loss of approximately RMB590 million and an adjusted net profit (a non-IFRS measure) of approximately RMB43 million recorded for the six months ended June 30, 2024.

Based on information currently available, the Board believes that the aforementioned expected turnaround from loss to profit is mainly attributable to the following reasons: (i) the balance of the redeemable capital contributions was reclassified from financial liabilities to equity and the impacts of changes in carrying amount of redeemable capital contributions have ceased after the completion of the global offering of the Company; and (ii) the Group's steady growth of business with increasing number of sale orders and deliveries.

As of the date of this announcement, the Company is still in the process of finalizing the consolidated interim results of the Group for H1 2025. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available to the Board and the unaudited management accounts of the Group for H1 2025, which have not been audited or reviewed by the Company's independent auditors and/or the audit committee of the Company, and may be subject to adjustment. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for H1 2025, which is expected to be published by the end of August 2025.

---

1 The Company defines the adjusted net profit (a non-IFRS measure) as profit for the period by eliminating the impacts of changes in carrying amount of redeemable capital contributions.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
