II. Communications with Accounting Firm

The results estimate has not been pre-audited by any certified public accountants, but the Company has communicated with the accounting firm in respect of the results estimate, and there is no disagreement between the Company and the accounting firm in respect of the results estimate.

III. Reasons for Changes in Results

During the first half of 2025, the hazardous waste industry was still in the stage of deep adjustment, the market as a whole remained to be fiercely competitive, and the profit margin of the Company's principal businesses of non-hazardous treatment and recycling continued to be under pressure, resulting in the gross profit margin remaining at a relatively low level. Faced with the challenging industry and business condition, the Company anchored the goal and vision of "becoming an excellent comprehensive environmental service provider in China and a leading enterprise in China's resource recycling industry", expedited its plans in the layout of the resource recycling and comprehensive environmental service industry, establishment of the full industrial chain of recycling of renewable resources, and strived to create the source of original technology and flagship product; with a view to strengthen its carbon reduction and pollution treatment ability by technology and innovation, and give momentum to enterprise transformation and upgrade.

IV. Risk Warnings

The results estimate set out herein are results of the preliminary estimation conducted by the finance department of the Company. The actual financial information of the Company is subject to the 2025 interim report to be disclosed by the Company by the end of August 2025.

Shareholders and investors of the Company are advised to exercise caution when dealing in the securities of the Company.
