# INSIDE INFORMATION
# ESTIMATED DECREASE IN LOSS
# FOR THE SIX MONTHS ENDED 30 JUNE 2025

This announcement is made by Beijing Capital International Airport Company Limited (the "**Company**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company hereby informs the shareholders and potential investors of the Company that, based on the preliminary assessment of the latest unaudited management accounts of the Company for the six months ended 30 June 2025 (the "**Period**") and other information currently available to the Board, it is anticipated that the Company will record a net loss in the range of approximately RMB120 million to approximately RMB200 million for the Period, as compared with a net loss of approximately RMB380 million for the six months ended 30 June 2024 (the "**Preceding Period**").

The Board considered that, along with the further recovery of demand in the aviation market in China, the aircraft movements, passenger throughput as well as cargo and mail throughput of Beijing Capital International Airport saw a year-on-year growth during the first half of 2025, which drove continuous improvements in operating results for the Period as compared with the Preceding Period. However, as the international market has not yet fully recovered, the pressure on the operations of the Company remains relatively strong, and accordingly, the operating results of the Company continued to incur loss during the Period.

The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the currently available information including the unaudited management accounts of the Company for the Period, which have not been audited or reviewed by the Company's auditors or the audit and risk management committee of the Board. Such information will be subject to finalisation and necessary adjustments. The interim results announcement of the Company for the

Period is expected to be published by the end of August 2025 in accordance with the requirements of the Listing Rules and the corresponding interim report will be published subsequently in accordance with the requirements of the Listing Rules.

**Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the shares of the Company.**
