The board ("**Board**") of directors ("**Directors**", each a "**Director**") of the Company wishes to inform the shareholders of the Company and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and the information currently available to the Board, the Group is expected to record a loss attributable to the owners of the Company of not more than approximately RMB5,500,000 for the six months ended 30 June 2025 as compared to a loss of approximately RMB747,000 for the six months ended 30 June 2024.

The expected increase in loss for the six months ended 30 June 2025 is mainly attributable to the suspension of the Group's project to upgrade the wharf berth capability at Zengcheng Oil Depot and the termination of the contract with the project's lead contractor. The information contained in this announcement is only based on the preliminary assessment by the management of the Company by information currently available to the Group including the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and is not based on any figure or information which has been audited or reviewed by the Company's auditors and may be subject to adjustments and changes. Details of the Group's financial information and performance will be disclosed when the Group's interim results for the six months ended 30 June 2025 are announced, which is expected to be published in late August 2025.
