PROFIT WARNING

This announcement is made by Bonny International Holding Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the Group's unaudited consolidated management accounts for the half year ended 30 June 2025 (the "**Reporting Period**") and the preliminary assessment on the information currently available to the Board, the Group is expected to record profit attributable to owners of the Company of not more than RMB1.5 million during the Reporting Period, representing a decrease of over 70% as compared to that of approximately RMB5.3 million for the half year ended 30 June 2024 ("**Same Period Last Year**").

Based on the currently available information, the Board believes that the decline in the Group's profit during the Reporting Period was primarily due to ongoing international trade tensions, weak market environments, and more cautious consumer spending, which led to a downward trend in both the Group's original design manufacturers business and self-owned brand business revenue. The Group is expected to record total revenue of approximately RMB110.0 million to RMB120.0 million during the Reporting Period, representing a decrease of approximately 23.6% to 16.6% as compared to that of approximately RMB143.9 million for the Same Period Last Year.

The Company is still in the process of preparing the unaudited consolidated financial results for the half year ended 30 June 2025. The information contained in this announcement is the preliminary assessment made by the Board based on the unaudited management accounts and currently available information only. Such information has not been finalised nor audited or reviewed by the Company's auditor or the audit committee of the Company, and is therefore subject to adjustment.

Details of the financial information and performance of the Group for the half year ended 30 June 2025 will be set out in the interim results announcement to be published by the Company by the end of August 2025.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
