POSITIVE PROFIT ALERT

This announcement is made by Multifield International Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the "**Period**") and the other information currently available to the Board, the Group is expected to record a consolidated profit before taxation in the range of approximately HK$280 million to HK$320 million for the Period, as compared to a consolidated profit before taxation of approximately HK$167 million for the six months ended 30 June 2024.

The significant improvement of the financial performance of the Group for the Period was mainly attributable to:

(i) the increase in net fair value gains on financial assets at fair value through profit or loss; and

(ii) the decrease in finance costs as the Hong Kong Interbank Offered Rate (HIBOR) remained at a relatively low level.

The Group is in the process of finalising its interim results for the Period. The information disclosed in this announcement is only based on a preliminary assessment made by the Board with reference to the information currently available and is not based on any figure or information which has been audited or reviewed by the auditors or the audit committee of the Company. The Group's actual results for the Period may differ from the information disclosed in this announcement. Shareholders and potential investors are advised to read carefully the Company's interim results announcement for the Period, which is expected to be published before the end of August 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
