INSIDE INFORMATION PRELIMINARY FINANCIAL PERFORMANCE FOR THE FIRST HALF OF 2025

This announcement is made by TravelSky Technology Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**").

The board of directors (the "**Board**") of the Company hereby informs the shareholders of the Company and potential investors that, based on the preliminary assessment by the Board of the internal unaudited consolidated management accounts of the Group and information on market conditions currently available, as compared to a net profit of approximately RMB1.38 billion for the six months ended 30 June 2024 as disclosed in the interim results announcement for the year 2024, the Group is expected to record a net profit of around RMB1.45 billion for the six months ended 30 June 2025. The revenue from aviation information technology services of the Group represented a steady year-on-year growth for the first half of 2025. However, due to the impact of the construction and acceptance progress of the airport system integration projects, the revenue from system integration services represented a year-on-year decrease, ultimately resulting in a year-on-year decrease in the total operating revenue of the Group for the first half of 2025. In addition, due to the further improvement in the collection situation, the amount of credit impairment losses reversed for the first half of 2025 increased year-on-year. Taking all the above factors into account, the net profit of the Group achieved year-on-year growth for the first half of 2025.

The Board hereby reminds investors that the Company is still in the process of finalizing the Company's interim financial results for the year 2025, and if there is any change, the Company will perform its information disclosure obligations according to relevant requirements under the Listing Rules in due course (if necessary). The information contained in this announcement is only preliminary assessment results based on the internal

The relevant financial data disclosed by the Company only serve as preliminary and periodical data for investors' reference, and may differ from the figures to be disclosed in the unaudited consolidated financial statements to be published by the Company on a semiannual basis. The actual financial results of the Company for the six months ended 30 June 2025, which may differ from those disclosed in this announcement due to changes in the market conditions during such period, will be disclosed in the interim results announcement of the Company for the six months ended 30 June 2025 which is expected to be published by the end of August 2025.

Shareholders of the Company and potential investors should exercise caution when investing or dealing in the shares of the Company.
