### PROFIT WARNING

This announcement is made by New Century Healthcare Holding Co. Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended June 30, 2025 and the information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company between RMB60.0 million and RMB70.0 million for the six months ended June 30, 2025 (subject to further adjustments and impairment assessments) as compared with the profit attributable to owners of the Company of approximately RMB25.2 million recorded for the corresponding period in 2024.

The Board considered that the expected turning from profit to loss mentioned above was primarily due to (i) the decrease in revenue as a result of reduction of demand in pediatric services, obstetric and gynecologic services; (ii) the impairment loss on certain goodwill and other long-term assets; and (iii) the write-down of deferred tax assets.

The Company is still in the process of finalising the interim results of the Group for the six months ended June 30, 2025. The information contained in this announcement is only based on a preliminary assessment by the Board based on information currently available to it, including the unaudited consolidated management accounts of the Group for the six months ended June 30, 2025, which has not been reviewed by the non-executive Directors or reviewed by the Company's auditors and may be subject to adjustments and provisions. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group which is expected to be published by the end of August 2025.

**Shareholders and potential investors should exercise caution when dealing in the shares of the Company.**
