PROFIT WARNING

This announcement is made by Shin Hwa World Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that based on the information currently available to the Board, the Group is expected to record an increase of not more than 12% in consolidated net loss for the six months ended 30 June 2025 (the "**Period**") as compared with the corresponding period in 2024.

The expected increase in consolidated net loss for the Period was primarily attributable to (i) the decline in consolidated revenue, particularly from the Group's integrated resort and gaming business, due to the pressure on room price and dampened customer spending during the Period; and (ii) the decrease in fair value of the investment properties, compared to the corresponding period in 2024. As at the date of this announcement, the Group is still in the course of assessing the impairment loss on intangible assets, if required. Taking into account the possible impairment on intangible assets that may need to be recognised, it is anticipated that there was an increase of not more than 12% in consolidated net loss for the Period as compared with the corresponding period in 2024.

The information contained in this announcement is prepared only based on the information currently available to the Board and a preliminary assessment of the consolidated management accounts for the Period of the Group which have not been confirmed or reviewed by the independent auditor of the Company and may be subject to adjustment. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group for the Period, which is expected to be published in late August 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
