PROFIT WARNING

This announcement is made by Beijing SinoHytec Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) of Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Company and the preliminary assessment of the latest unaudited consolidated management accounts of the Group for the six months ended June 30, 2025 (the “**Reporting Period**”), it is expected that the operating revenue of the Group will decrease by approximately 53% for the Reporting Period as compared to the operating revenue of approximately RMB153.8435 million for the six months ended June 30, 2024. Such change was primarily attributable to (1) the year-on-year reduction of the fuel cell industry scale as a result of an overall decline in market demand; and (2) the adoption of a cautious expansion marketing strategy by the Company given the current liquidity situation, which ensured capital security and led to a decrease in product sales during the Reporting Period at the same time.

The information contained in this announcement is only a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group and other information currently available to the Board. Such information has not been audited or reviewed by the auditors or the audit committee of the Company. As the Company is still in the process of finalizing its financial results for the Reporting Period, the final results for the Reporting Period may be subject to changes and may differ from the information disclosed in this announcement. The final results of the Company for the Reporting Period and other operating details of the Group will be disclosed in the interim results announcement of the Company for the Reporting Period, which is expected to be released by the end of August 2025.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
