PROFIT WARNING

This announcement is made by Shenguan Holdings (Group) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Company’s preliminary review of the latest unaudited consolidated management accounts of the Group and the information currently available to the Company, the Group is expected to record a loss attributable to the owners of the parent within the range from approximately RMB35.0 million to RMB43.0 million for the six months ended 30 June 2025 (the “**Period**”), as compared to a profit attributable to the owners of the parent of approximately RMB8.2 million for the six months ended 30 June 2024 (the “**Prior Period**”).

The Board is of view that the major factors leading to the less favourable results for the Period were as below:

1. The overall business environment remained difficult, resulting in a decline in sales revenue of the Group. Furthermore, the increase in inventory write-offs and provisions was primarily due to the large-scale product trial production and equipment transformations the Group undertook in previous years to develop new products and expand production capacity. The resulting finished product inventory associated with these new product trial production is still awaiting market absorption. Daily operations recorded a loss after taxation of approximately RMB17.0 million to RMB25.0 million.
2. Valuation losses after taxation totaling approximately RMB3.0 million were recorded on investment properties.

3. The remaining loss after taxation was mainly due to the adjustments in the Group's overall financial planning between the Group companies in the People's Republic of China (the "PRC") and Hong Kong. One of the Hong Kong companies within the Group (the "**HK Subsidiary**") has already repaid, and plans to repay, part of the interest-bearing loans to another company in the PRC within the group. The source of repayment funds for the HK subsidiary came from dividends paid and planned to be paid by one of its PRC subsidiaries, resulting in expenses and provisions for the PRC dividend withholding tax.

The information contained in this announcement is based on the preliminary assessment by the Board on the unaudited consolidated management accounts of the Group for the Period and is not based on any figure or information which has been audited or reviewed by the Company's auditors and the audit committee of the Company and is subject to possible adjustments upon further review. The Company is in the process of finalising the interim consolidated results of the Group for the Period. Further information and other details of the Group's financial performance for the Period will be announced in the forthcoming interim results announcement which will be published in August 2025.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
